THE MARION STAR

HOME EDITION

Vol. 79, No. 159 | Phone 2-1101 | MARION, OHIO, TUESDAY, JUNE 5, 1956 | 32 PAGES | 5c Single Copy | 30c Weekly by Carrier

WORLD'S MIGHTIEST WARSHIP ON FIRST SEA TRIP. The supercarrier Saratoga passes under the Manhattan Bridge, New York, on her way to sea for the first time. The radar masts of the carrier are in down position for bridge clearance. Keel of the giant ship was laid three years, five months and 17 days ago. The 60,000-ton, 1,039-foot Saratoga carries three thousand men and officers under the command of Capt. Robert J. Stroh.

Vote Starts In California Primary Test

Stevenson Favored Slightly in Last Fight Until the Convention

By The Associated Press

California Democrats chose between Adlai Stevenson and Sen. Estes Kefauver in primary election voting today. It was the final ballot box clash for the two rivals for the Democratic presidential nomination.

Stevenson was given an edge by most political observers in the fight for the state's big 68 votes in the national convention. Both candidates wound up a hard week of campaigning with predictions of victory.

Important Decision

It was apparent the decision would be crucially important. Kefauver noted that the loser would suffer "a very severe setback."

The nation had four other less significant primaries to watch this week. Elections took place in New York, Montana and South Dakota today and in Iowa Monday.

In the Iowa primary Sen. Hickenlooper easily won renomination over his Republican opponent in a contest billed as a test of the popularity of administration farm price support policies, supported by Hickenlooper.

Dayton Countryman conceded victory to Hickenlooper shortly after midnight with the words: "The farmers have shown that they are happy."

R. M. (Spike) Evans, a former member of the Federal Reserve Board, won the Democratic nomination to oppose Hickenlooper in the fall. Iowa has no presidential preference voting.

In New York, supporters of Gov. Averell Harriman could count on virtually all the state's big Democratic delegation to the convention. Backers of Stevenson were contending for only 10 of 86 delegate seats being filled.

96 Votes at Stake

The Democratic State Committee will choose 24 half-vote at-large delegates later for a total of 96 convention votes, virtually all expected to be in Harriman's corner. The governor describes himself as "not an active" candidate.

President Eisenhower was assured of no-contest victories in California, New York and South

Tito, Russians Talk Over Rift

Formal Negotiations Started in Moscow

MOSCOW (AP) — Yugoslav President Tito opened formal negotiations with the leaders of the Soviet Union today to complete the reconciliation of his version of communism and the Kremlin's post-Stalin brand.

Yugoslav circles said their chief of state would insist on retaining complete independence of action and freedom to continue the equable relations he established with the West after Stalin booted him out of the Soviet bloc in 1948.

Diplomatic circles believed any rift still existing between the Yugoslav marshal and the present Soviet leadership would be completely erased during the talks.

Tito in a speech at the Kremlin Monday proclaimed his willingness to be friends with the Soviet Union — as an equal.

Field Narrowed by State Board

Holt, Five Others Up For New School Post

EIGHT RUSSIAN CHURCHMEN ON U. S. TOUR. Eight Soviet clergymen arrive by plane in New York for a 10-day visit in the United States as guests of the National Council of Churches of Christ. Front row (left to right) are: Bishop Saak Ter-Ovannesyants, Armenian Orthodox; Metropolitan Nikolai of the Russian Orthodox Church; Archbishop Gustav Turns, Evangelical Lutheran of Riga, Latvia; Archbishop Jan Kiivit of the Evangelical Lutheran Church of Estonia. Back row (left to right) are: Rev. Alexei Nicolaevitch Karpov, Moscow Evangelical Christian Baptist Church; Rev. Alexei Leonidovitch Andreev, vice president of the All-Union Council of Evangelical Christian Baptists; Prof. Vladimir Ivanovitch Talizin of the Moscow Theological Seminary and Archpriest Mikhail Slavnitsky of the Russian Orthodox Church.

Eyman, Now Acting Chief, Also on List

Others Are Bowsher, Eibling, Hill, Miller; None Sought Position

Names of six men being considered for the $20,000-a-year post of state superintendent of public instruction were released today.

Included in the list was E. E. Holt, superintendent of Springfield school and a former superintendent in Marion. Another candidate was R. M. Eyman, who is acting as superintendent pending selection of a permanent superintendent by the state board of education.

None Sought Job

None of the six has asked for the job, said Charlton Myers of Marion, chairman of the personnel committee of the board.

"From the beginning the board has felt this position should seek the man, and our entire procedure has followed that idea," said Myers. "None of the men invited to meet with us has applied for the position. We have sought them out."

Myers said the six have been asked to a meeting of the personnel committee prior to the June board meeting next Monday night.

In addition to Eyman, those invited to the committee meeting are:

E. L. Bowsher, superintendent of Toledo schools; Harold E. Eibling, superintendent of Canton schools; Orville E. Hill, superintendent of Cleveland Heights schools; Mr. Holt and Paul A. Miller, superintendent of Syracuse, N. Y. schools.

May Consider Others

Myers noted, "Of course, the board members will be free to consider other individuals if they choose."

The personnel committee has considered approximately 100 suggestions for appointment, and interviews have been held with more than a score of outstanding men, Myers said, adding that the committee travelled extensively in Ohio and other states.

"The man the board finally selects will no doubt be one who is familiar with Ohio schools," he said.

He expressed hope the selection could be made at the June or July meeting of the board.

Staff Rehired

Eyman, 60, headed the old state department of education on appointment by Gov. Frank J. Lausche prior to establishment of the board of education. The board was set up under a constitutional amendment approved by Ohio voters last November.

After taking office last January, the board voted to rehire Eyman and his whole staff, but indicated at the time there probably would be subsequent personnel changes.

Pair Arrested

$90,000 of Brink's Loot Is Recovered

BOSTON (AP)—Working as carefully as if they were examining ancient manuscripts, FBI men today painstakingly separated, counted and inspected hundreds of mildewed bills. They estimated it would total about $90,000.

They searched, hopefully, for fingerprints on the money they say is part of the $1,219,000 taken in the Brink's robbery, largest armed robbery ever perpetrated.

Seized in Raid

The money, in plastic—vegetable type—bags, and newspapers dated 1955, was seized Monday night in an FBI-police raid on a business - dwelling block in Boston's South End.

The wrapped packages of money were in a picnic cooler, hidden behind the wall of a constructing firm office.

Two men were arrested as accessories after the fact of robbery and questioned until after midnight. The grilling resumed this morning.

Officials said serial numbers of the bills matched numbers of bills seized in the crime Jan. 17, 1950.

Stone Mason Held

The find came within 18 hours of the arrest of Jordan Perry Jr., 31, a Boston stone mason and ex-convict, who was taken into custody after passing suspicious money in a Baltimore amusement park.

Two men were arrested in Boston, charged with being accessories after the fact of the Brink's robbery, the largest cash haul in the nation's criminal history.

They were identified as Edward Bennett, 36, of Weymouth, and John F. Buccelli, 41, of Brookline.

The FBI said Bennett was arrested as he arrived at the South End office. Buccelli, whom the FBI said it had shadowed in Bennett's company, was picked up a few blocks away.

Meanwhile, trial date for 10 men indicted as participants in the Brink's robbery was set for Aug. 6. The 10 were indicted — and eight of them arrested—last January.

The roundup of money began Sunday night when Perry cashed a ragged and moldy $10 bill in the amusement park. The park operator, suspicious, showed the bill to police.

Bills Moldy, Brittle

Authorities looked up Perry and, they said, found more than $1,000, mostly in $5 and $10 bills, on his person. The bills, they said, "had a smell of mold and were brittle and brown with age."

Perry admitted having more money in his hotel room, officials said, and they found $3,770 hidden under a carpet. The bills were numbered in sequence, indicating robbery money, officials said. A check with the FBI showed it to be Brink's money.

The Baltimore FBI said Perry was booked on a conditional release violation warrant issued by the U.S. Board of Parole.

The Boston raid, police indicated, was made on information supplied by Perry. Agents armed with axes swarmed into the B&P

Carl J. Gugler, Dean of Galion Lawyers, Dies

Practiced 50 Years In Native City, Was Civic Affairs Backer

GALION — Funeral services for Carl J. Gugler, 73, dean of Galion attorneys and lifelong resident of this city, will be held Thursday at 3 p.m., in the Snyder Funeral Home.

Rev. R. R. Elliker, pastor of First Evangelical and Reformed Church, will be assisted by Rev. Norman R. Somerville of First Methodist Church in conducting the services. Burial will be in Fairview cemetery, here. Friends may call after 7 p.m., at the funeral home. His favorite charity is the local chapter of the American Red Cross.

Practiced 50 Years

Mr. Gugler who had practiced law in Galion 50 years died at Galion Community hospital Monday at 12:26 p.m. He was admitted to the hospital May 17 and underwent surgery several times. His condition remained critical most of the time.

A native of Galion, Mr Gugler was born April 29, 1883, the son of Jacob and Katherine Herzog Gugler. He was graduated from Galion High school in 1900, and from the University of Michigan law school at Ann Arbor in 1906. He was admitted to the bar in December of that year.

For some 30 years Mr. Gugler served as president of the Harding Highway Association. He was instrumental in its organization during the administration of President Warren G. Harding. He served on commissions in the promotion of better highways and civic matters and was a director of the Galion Automobile club.

Former Solicitor

He also was a former city solicitor and was interested in many civic projects and the industrial development of Galion. For a number of years he was legal adviser for the Ohio State Legislative Board of the Brotherhood of Locomotive Firemen and Enginemen. He belonged to Galion Elks and Galion Eagles lodges. The Gugler residence is on Gleddale Blvd.

Surviving are his widow, the former Menzinita Smith; and six sisters, Mrs. Mary Kunkler of Marion; Mrs. James I. Lindley of Galion; Bertha and Edna Gugler, Mrs. Carrie Wilkie and Mrs. Anna Osman, all of Akron.

Rules Guiding New Soil Bank Plan Revealed

Payments Will Not Be Made on Crops Reduced by Weather

WASHINGTON (AP) — Farmers will get payments under the government's new $1,200,000,000 yearly soil bank program only for what they themselves do to reduce production of crops now in surplus.

They will get no payments on reductions caused by nature through drought, floods, hailstorms, insects and the like.

Agriculture Department officials said today this will be the rule in fixing payments under the soil bank plan for 1956 crops.

The soil bank is designed to reduce production of wheat, cotton, corn, peanuts, rice and tobacco by the offer of government subsidies to farmers for planting fewer acres than are allotted them.

The farmer may plow under a poor immature crop and get a soil bank payment—but only on the amount of the estimated production thus eliminated.

These rulings greatly narrow the 1956 program from that indicated by Secretary of Agriculture Benson at a news conference May 31. At that time, his comments and a press release distributed by his department were interpreted as indicating that any immature crop—whether it had good or poor prospects—would be eligible for full payment if plowed up.

Benson put a different light on the program in a speech Monday night at Beaver Dam, Wis.

(Turn to SOIL BANK, Page 14)

College Head Will Address Harding Class

A. Blair Knapp, president of Denison University in Granville, will give the commencement address at Harding High School graduation exercises at 8 p.m. tonight in the Veterans Memorial Coliseum. Subject of his talk will be "Some Wishes for You."

The program will open with the playing of the processional, "March from Atalia," Mendelssohn, by the Harding orchestra, directed by Homer Huffman. Following the invocation by Rev. Lynn H. Harris, pastor of the Greenwood Evangelical United Brethren Church, the orchestra will play Enesco's "Roumanian Rhapsody."

The Harding choir, under the direction of L. G. Jones, will sing "For the Beauty of the Earth," Kocher-Howarth, and "Master of Human Destinies," Hillman.

Robert S. Brown, Marion superintendent of schools, will introduce Mr. Knapp and following his address Harding Principal Darl H. Gatchell will present the members of the graduating class Robert S. Kraner, president of the Marion City Board of Education, will give out the diplomas.

The program will conclude with the playing of the recessional, "Pomp and Circumstance," Elgar, by the orchestra.

Miami U. Gets Loan

WASHINGTON (AP)—A one million dollar government loan was approved today for Miami University at Oxford, Ohio, to finance housing for married students.

The Community Facilities Administration said the project includes four apartment buildings, each containing eight one bedroom and 19 efficiency apartments.

Agreement Is Made on Saar Land Transfer

Rich Border Valley Is Slated To Become Part of W. Germany

LUXEMBOURG (AP) — French Premier Guy Mollet and West German Chancellor Konrad Adenauer agreed early today on the procedure for transfer of the rich Saar valley back to Germany.

Officials said the accord would permit speedy preparation of a treaty making the disputed border area a political part of West Germany by Jan. 1.

Three Provisions

The agreement includes provisions for (1) a three-year transition period for termination of the customs and economic union between France and the Saar, (2) continued French rights to some coal production in the region and (3) building an international canal linking the Moselle and Rhine rivers.

France and West Germany have long sought to eliminate the Saar as a major point of friction in their relations. The German-speaking industrial sector supplies much of the coal to process the iron from France's great Lorraine mines nearby.

Announcement of the agreement came after talks between officials of the two governments stretched into the early morning hours in order to overcome a last-minute hitch on procedure. West German Foreign Minister Heinrich von Brentano left the French Embassy saying the negotiations had come to a "happy end."

Maurice Faure, French secretary of state for foreign affairs, said in a statement to reporters:

"We have reached the end of the first phase of the French-German negotiations. We have prepared clear and precise instructions and have solved the problem. These instructions will enable experts quickly to prepare a treaty."

Date Undecided

Faure could not say when work on the treaty will begin.

"We have agreed," he said, "that if the treaty comes into force, the Saar will politically become German on Jan. 1, 1957. A transitory period of three years will then open progressively to bring about the economic and financial reattachment of the Saar to Germany."

Burma Prime Minister U Nu Resigns His Post

RANGOON, Burma (AP)—U Nu, Burma's prime minister for eight years, resigned today to devote all his time to reorganization of his party, the socialist Anti-Fascist Peoples Freedom League (AFPFL).

His successor as head of the government is U Ba Swe, former defense minister and vice president of the AFPFL.

Dag Continues Peace Efforts

Secretary Is Given Go-Ahead by Council

UNITED NATIONS, N.Y. (AP) — Backed by a unanimous Security Council vote, U.N. Secretary General Dag Hammarskjold today began the second phase of his campaign to ease Middle East tension.

He was ready to assist Israel and her Arab neighbors in keeping up the momentum toward peace which he reported last month at the end of his special mission to the Middle East.

The 11-nation council gave him the go-ahead for a further effort after a week of debate on a British proposal which originally left the way open for broad peace negotiations. However, the resolution was drastically watered down to meet Arab and Soviet objections.

In the end, it limited the secretary general to continuing his "good offices" with Israel and the Arabs in an effort to obtain full compliance with the armistice agreements of 1949. How he would do this was left up to him.

Truth May Never Be Known

Was Stalin Murdered? Revelations Stir Debate

WASHINGTON (AP)—A fresh wave of debate boiled up today over whether Joseph Stalin died a natural death or was murdered.

The purported details of a secret speech made by Russian Communist party boss Nikita Khrushchev suggested to some officials here that the men who were closest to Stalin in his last days had strong reason for doing away with him to protect themselves. They pointed to the long record of "despotic" rule, ruthless arrests and murder which Khrushchev attributed to Stalin.

Given at Secret Session

The 25,000-word speech was delivered at a secret session of the Soviet Communist party at Moscow Feb. 24-25. The State Department published Monday what it called "a version" of the speech as distributed to Communist leaders outside Russia. There was no word as to how this country got it.

The general theme of the speech had been learned by the West previously.

Stalin's death was announced March 5, 1953. It was attributed to a brain hemorrhage.

There was speculation at the time that he might have been assassinated. But there was little evidence to go on, and this point of view never prevailed in official quarters here.

Can't Tell Truth

Now the whole subject is up for restudy, although government specialists in Russian affairs say there are arguments in favor of the natural death explanation.

One of these is that Stalin at 73 might well have suffered a stroke. Several doctors joined in signing bulletins on the progress of his illness and its outcome.

Another consideration is that no one can be absolutely certain that Khrushchev was telling the complete truth about events preceding Stalin's death. Some experts say he may have exaggerated past suspicions and fears in order to gain the sympathy of his audience.

Khrushchev charged that Stalin had brought against V. M. Molotov, who recently resigned as Russian foreign minister, and A. I. Mikoyan, a top party leader, "some baseless charges." He said this was a few months before Stalin's death.

If Stalin had not died, Khrushchev indicated, Molotov and Mikoyan might have suffered "annihilation." He said Stalin was pursuing a plot to wipe out the last of the Old Bolsheviks in the highest councils of communism and thus provide "a cover for all shameful acts of Stalin."

He also indicated that the "Doctors Plot"—in which a group of doctors was accused of trying to kill off top Russian Reds in the months before Stalin died — had alerted the men around the old dictator that a new Stalinist purge might be in the making.

(Turn to STALIN, Page 14)

Big Challenge Expected in 10 Years

Reds in Earnest About Ruling World

Editor's Note: What of the cold war? For months, Soviet leaders have seemed more reasonable and less warlike, in many Western eyes, than they were a year or so ago. But have Soviet aims changed basically? What is the longterm outlook? William L. Ryan sought the answers through constant analysis of the Soviet position. He interviewed scores of informed men in Washington and elsewhere—to try to put the cold war into focus as of today. This is the first of four articles with his findings.

By WILLIAM L. RYAN
AP Foreign News Analyst

Americans have 10 years notice. In about that much time, says Moscow, communism will be ready for the final phase of a struggle to erase the Western ideal of democracy from the earth.

Communism, led by the U.S.S.R. vows it will catch up with and outstrip the West in production. Then it intends to concentrate its economic might in an attempt to change the political face of the world, violently or otherwise.

Americans are taking the challenge seriously. Leaders of both major parties are taking long and searching looks at U.S. strengths and weaknesses, balancing them against the known strengths and weaknesses of the Soviet Union.

— —

THE U. S. GOVERNMENT appears to feel:

1. While this is not time for rose-colored glasses, neither is it a time for national wringing of hands. In many respects the United States and its allies are doing far better than the Russians. In some fields, the West lags behind. Over-all, the United States is immeasurably stronger than the Soviet Union and the advantage remains in Western hands.

2. The struggle might be lost through a series of defaults. Thus the time to start mending weaknesses is now. The theory of capitalist boom-and-bust cycles, upon which communism pins so much hope, can be proved false. This means the United States must prevent crises which might send Western economies into a tailspin.

3. The American people will respond to a ringing reaffirmation of faith in their way of life. They do not need to be frightened into unity by a torrent of reports, many without foundation, that the Russians already outdistance them in science, education, technology and armaments.

4. Peace — meaning the absence of a major shooting war — can be maintained. This does not involve trust of Communist leaders. There can be no trust until today's leaders denounce Leninism as they denounced Stalinism. Leninism still preaches world domination through violent revolution.

—:—

SOVIET TACTICS, dictated in part by a developing standoff in modern weapons, have opened a new era for American leadership. Americans are discovering Soviet capabilities and are on notice that the duel is in deadly earnest.

At home, the United States will have to maintain a good rate of economic growth, avoid depressions, convince the free world of the long-term stability of the American economy, devote more attention to training technical and scientific personnel, develop imaginative approaches toward aid to underdeveloped nations.

A bolder attitude toward accepting Soviet challenges is developing. The agreement for Gen. Nathan F. Twining to attend Soviet Aviation Day ceremonies in Moscow is an indication of this. If it means Soviet officers must be invited back, the argument goes, the United States has nothing to fear. The Red Army is more aware than any other group of the Soviet economy's weakness, and it could be healthy to show them what happens in a nation which belongs to its people.

—:—

DESPITE ITS announcement of cuts in its forces, the U.S.S.R. remains the nation best equipped for war. While it proclaims a passion for peace, it determinedly attacks Western unity in any form. Moscow has made powerful propaganda in the fields of disarmament, nuclear weapons control, support of nationalist causes and espousal of peaceful coexistence. The United

Trucker Talks Before Rotary Club at Galion

Wertz Gives Views Of Industry on Taxes, Other Transportation

GALION — Ohio trucks and taxes was the subject of a talk by Charles A. Wertz of Toledo when he was guest speaker for the dinner-meeting of the Galion Rotary Club Monday night at Hotel Talbott. Mr. Wertz is head of the Department of Public Relations of the Ohio Trucking Association. He was presented by John A. Irvine who was program chairman for the meeting.

During his college days, Mr. Wertz was all-Ohio quarterback at Ohio Wesleyan University and later served as an official at football games of the Big Ten.

Preceding his talk, a film entitled "If the People Only Knew" was shown with David Curfman as projectionist.

In his talk on Ohio trucks and taxes, Mr. Wertz told the group that public demand has made the transportation industry and that transportation has made this country what it is today. He said that when one of the five methods of transportation makes money, all other methods do. He pointed out that there are changes and trends such as centralization of industry and the encroachment of the air lines that affect the trucking industry. He also said that the railroads cannot expand because of the prohibitive cost of acquiring new rights of way.

"The trucking industry is the largest single industry in Ohio, and the largest employer of labor in the state," Mr. Wertz declared. He said that the trucking industry's opposition to the Weeks report is based on its conviction that if its report was accepted by Congress and enacted into law — it would upset the fair, orderly and just transportation rate regulation now in effect and would bring chaos to the transportation industry. He pointed out that since World War II the trucking industry in Ohio has paid over a billion dollars in highway taxes.

He said in Ohio 90 per cent of the trucks use only 10 per cent of the highways but they pay 48.3 per cent of the highway tax. The speaker also pointed out that the new system of super highways as proposed in the congressional bill would be very pleasing to the trucking industry because of the time saved and because of the increased safety of driving.

The Ohio Axle tax law also was discussed by the speaker, and he said that 17 truck lines have moved out of Ohio since this law was enacted with a great loss to the state in gasoline taxes, axle taxes and property taxes. He declared that the Ohio trucking industry cannot live with the axle tax and said the law is now before the Supreme Court.

Knute Hofius, the hobo poet who was making a stop-over in Galion, was a guest of the club. Visiting Rotarians were Robert K. Porter of the Mansfield club, and Stanley Acree of the Bucyrus club. Next week, the annual spring picnic for families will be held at Heise Park.

MARILYN IS 30. Actress Marilyn Monroe arrives by plane in New York with a cake topped with one candle to celebrate her thirtieth birthday. She has just completed "Bus Stop," her first film in two years.

More Salk Serum Slated in Bucyrus

BUCYRUS — Approximately 350 cubic centimeters of Salk polio vaccine is expected to arrive here Wednesday or Thursday, Dr. T. R. Laughbaum, Crawford County health commissioner, announced here today.

The shipment will provide enough vaccine to inoculate 20 per cent of the children between the ages of 11 and 15.

The state department of health also is shipping to the county polio inoculation cards, which are to be completed and returned following each injection, Dr. Laughbaum was advised.

Husbands! Wives! Get Pep, Vim; Feel Younger

Thousands of couples are weak, worn-out, exhausted just because body lacks iron. For new younger feeling after 40, try Ostrex Tonic Tablets. Contain iron for pep; supplement doses vitamins B_1 and B_2. In a single day, Ostrex supplies as much iron as 16 dozen raw oysters, 4 lbs. of liver or 16 lbs. of beef. 7-day "get-acquainted" size costs little. Or get Economy size and save $1.45. At all druggists.

Columbus Firm Given Judgment in Crawford

BUCYRUS — Judgment by default for $1,100 has been awarded here by Crawford County Common Pleas Judge John C. Carroll to the Palmer Donavin Manufacturing Co., Columbus, against John W. Kinsey, doing business as the General Plumbing Co. of Galion.

The Columbus firm had sought judgment of $1,015, plus interest as payment on an allegedly overdue account for merchandise ordered and delivered. The default judgment was rendered after the defendant failed to file an answer or make a courtroom appearance

Two-thirds of the 1,052,000 people in New York City over 65 years old have incomes under $3,000 a year.

2 Plead Innocent To Manslaughter Charges in Kenton

KENTON — Mrs. Thelma Ward, 43, Kenton, and Dallas Parthemore, 21, Mount Victory, both were arraigned on grand jury indictments Monday in common pleas court on charges of manslaughter.

Parthemore, whose plea was innocent, was allegedly driving an automobile which struck and killed Edward and Norman Miller, two sons of Mr. and Mrs. Charles Miller of near Kenton, last month. His trial date has been set for June 20, in common pleas court.

Mrs. Ward, whose plea also was innocent, was allegedly driving an automobile which struck and killed Jason Carey, son of Mr. and Mrs. Joseph Carey of Kenton. Her trial date has been set for July 5. They both were released on $1,000 bonds.

60 Receive Degrees

CLEVELAND (AP)—Sixty seniors received degrees at the Ursuline College commencement Monday night. Frederal Judge James C. Connell told the graduates, "The colleges and universities have not merely been maintained by the Catholic Church, they were invented by her." The judge's young cousin, Catherine McShane, who came to this country from Ireland five years ago, was among the graduates.

Prof. Dwight Woodbury To Be Honored at OWU

DELAWARE — The Adam Poe Medal and Founders Award will be presented to Prof. Dwight A. Woodbury of the Ohio Wesleyan University physics department, in a special ceremony June 9 marking his retirement after 30 years of service on the faculty.

A native of Beverly, Mass., Prof. Woodbury started his teaching career as an assistant in physics at Dartmouth College from 1909-1911 and he was an instructor at Ohio State University from 1911 to 1926, when he joined the Ohio Wesleyan faculty.

He is a graduate of the University of Maine, received the Master of Science degree at Dartmouth and did graduate work at Harvard University.

Prof. Woodbury is the co-author of a laboratory manual for arts students and he is a member of the American Physical Society, the American Association of Physics Teachers, the American Association for the Advancement of Science and the American Institute of Physics.

Boy Slips, Drowns

CLEVELAND (AP) — Seven-year-old Edward Bowen tried to fish a ball out of Lake Erie Monday, slipped on rocks and was drowned. The boy, son of William C. Bowen, had been playing ball with another boy near the Northeast Yacht Club.

Wednesday Morning Special!

You'd Expect To Pay Much More For These Comfortable, Flattering Girdles and Corselets

$3.95

Made of Rengo, of light weight firm cotton mesh and web elastic, with boning back and front. It has a side front hook closing. In white, sizes 25 to 36. You'd expect to pay much more for the molding power of this waistline girdle.

$5.95

Designed to minimize the fullest figure. Of cool, lightweight cotton mesh with boning throughout to trim inches away, plus the gentle support of the boned inner belt to flatten and lift the abdomen. Double elastic side panels. Sizes 34 to 46.

Expert Corsetieres To Fit You (2d Floor — Uhler's)

Woman Faces Execution for Killing Spouse

MONTGOMERY, Ala. (AP) — A hefty, auburn-haired waitress, who killed her fourth husband with arsenic was sentenced Monday night to die in the electric chair.

Mrs. Rhonda Belle Martin, who is 40 years old and weighs 170 pounds, admitted killing Claude C. Martin and five other members of her family, but she was tried only for the death of her fourth husband.

Her other victims were three small daughters, her mother, and another husband.

The prosecution contended Mrs. Martin served arsenic in coffee to her husband in order to "collect some paltry amount of insurance and to get him out of the way so she could marry his son."

Eight months after Martin's death on April 27, 1951, Mrs. Martin married her step-son Ronald C. Martin, 21 years her junior. He now lies in a veterans hospital paralyzed by arsenic poisoning.

Ronald Martin's illness for which Mrs. Martin is under indictment for attempted murder, touched off the investigation that brought to light the series of poisonings.

Under Alabama's automatic appeal law, the conviction will go to the Supreme Court. The sentence is postponed until the appeal is decided.

Mrs. Martin also is under indictment for killing her second husband, George Garrett, in 1929; her mother, Mrs. Mary Frences Gibbon, who died in 1944; and three daughters.

FFA Chapter Wins High State Award

BUCYRUS — The Holmes-Liberty Future Farmers of America chapter today held national and state honor ratings following the annual state convention held in Columbus.

The chapter was one of 43 in the state to receive a state "gold" rating, and it also was awarded a national "superior" rating.

Allan Reinhard is chapter president and the adviser is Ernest H. Green, vocational - agriculture teacher at the school.

The group's poultry judging team placed 10th in the state contest. A member of the team, Donald Schiefer, son of Mr. and Mrs. Ivan Schieber, placed third in all classes and selection of breeders and second in judging live market poultry. Other team members are John Finney, son of Mr. and Mrs. Layton Finney, and Ray Sipes, son of Mrs. Mary Sipes

Galion Motorist Fined, Jailed After Accident

GALION — Oscar Stuttler, 34, of south of Galion, involved in an accident here Saturday afternoon was fined $25 and costs for driving without license and $100 and costs with three-day jail sentence, for driving while under the influence of intoxicating liquor in mayor's court. He was given a hearing Monday morning before Mayor Francis C. Schalip.

Stuttler's car struck a telephone pole in the 800 block on S. Market St., at 3 p.m., Saturday, injuring his wife, Eileen, 29.

ENVOY TO KOREA. Walter C. Dowling, a career diplomat, has been nominated by President Eisenhower as United States Ambassador to the Republic of Korea.

July Will Be Idle Period at Timken

BUCYRUS — Employes of the Bucyrus plant of the Timken Roller Bearing Co. are going to be idle through all of July, plant officials indicated today.

The plant will be shut down for two weeks beginning July 1 for inventory with employes using their vacation during this period. The plant will remain closed until July 30 after the inventory is completed because of a cutback in the production of automotive-size bearings.

Because of curtailed automobile production, the plant has been on a four-day week since February and it was open only two days last week.

Crash Injuries Fatal

BARBERTON, Ohio (AP) — John Collins, 36, of Akron died Monday in Citizens Hospital of injuries received Sunday when his car ran into a ditch after he lost control.

Caudle Scolded Lawyer Who Made Him Gift, Court Is Told

ST. LOUIS (AP) — A defense attorney says T. Lamar Caudle, on trial for conspiracy, "took the very hide off" a tax dodger's attorney when informed he had bought an oil royalty in Caudle's name.

C. Arthur Anderson, attorney for Caudle, former head of the Justice Department's tax division, said Caudle asked Harry I. Schwimmer:

"Why did you buy that oil royalty? I didn't authorize you to do that. I don't want it at any price."

Anderson said Monday at Caudle's federal court trial that Schwimmer then said, "I'll get it out of your name. I'll prepare a transfer order."

The transfer was taken care of after months of insistence by Caudle, Anderson said

Caudle and Matthew J. Connelly, White House appointments secretary under Truman, are charged with conspiring to defraud the government by trying to sidetrack criminal prosecution of Schwimmer's client, Irving Sachs.

Sachs, a St. Louis shoe manufacturer, was fined $40,000 when he pleaded guilty to income tax evasion in 1951 but escaped a prison term on health grounds.

The government contends Schwimmer bought oil royalties for Connelly and Caudle for their influence in the case.

Defense attorney John Lashly, in his opening statement to the jury, said Connelly bought an oil royalty for $750 "and paid for it as an investment." Connelly bought the royalty through Schwimmer, Lashly said, without knowing how much Schwimmer paid for it.

Evidence introduced by the government indicated Schwimmer paid $3,600 for the royalty. Lashly said Connelly didn't learn of this figure until an indictment was returned against him in the current case.

Solved Carpet Cleaning Problem

Research now has the answer to carpet and upholstery cleaning with the new product, Blue Lustre. It is completely safe for your finest carpets whether woolen, rayon, nylon or cotton.

The nap is left open and fluffy as colors return to their original beauty and lustre. No residue remains to cause rapid resoiling. Clean entire carpet or just spots and traffic lanes with Blue Lustre and a long handle brush. One-half gallon of odorless Blue Lustre concentrate cleans three 9 x 12 rugs.

Radio and Television

By JOHN CROSBY

A Trend to the Right

There are a good many reasons for the almost hysterical success of "My Fair Lady," the musical which has prostrated both critics and public. The show has, as a starter, George Bernard Shaw's imperishable "Pygmalion" script and, as if that weren't enough, it has acquired superb lyrics

JOHN CROSBY

and songs by Alan Jay Lerner and Frederick Loewe, stunning physical beauty of sets and costumes, and a cast headed by Rex Harrison and Julie Andrews that is so good that you can hardly conceive anyone else playing the roles.

Those are reasons enough but there is, I think, one other reason for the sort of warm glow that enlivens the stage at the Mark Hellinger. "My Fair Lady" is an unabashed Cinderalla story, a romance, in short, of classical design. Of course, so in a sense were the play and the movie, but the fact was obscured by Shaw's wit and sense.

In "My Fair Lady," surrounded by song, the romantic aspects of the story seem to be more emphatic and the fact that the public has embraced it with such enthusiasm indicates to an old trend-spotter like myself that the public might very well be very much in the mood for romance.

-:-

SOME TIME AGO, Abe Burrows declared that one of the reasons for the enormous success of musical comedy — or more appropriately in the case of shows like "South Pacific," musical plays — was that songwriters could get away with more schmaltz in a lyric than the modern playright dared to put into dialogue.

In other words, the actors could sing about love when they didn't dare talk about it. It was a valid point when he made it, but I'm not sure it still is.

For years now, we have been deluged on the stage, in the movies and on television with plays about sex perversion, alcoholism, dope addiction, crime, decay and despair. It would be foolish not to admit that some of these were darn fine plays and worthy contributions to the theater. But enough is enough. Popular revulsion against this sort of seamy preoccupation with the more malevolent aspects of society was bound to come — and maybe it is already here.

-:-

IN HIS EXCELLENT book, "How Not To Write a Play", which I feel ought to be required reading not only for screenwriters, playwriters and TV writers but also for directors and producers in all media, Walter Kerr pleads for a return from the jungle of inarticulate dialogue of our time to the high literacy and even poetry of the Elizabethan theater.

Part of the public's delight in "My Fair Lady" is the fact that it is unashamedly literate. Mr. Shaw and Mr. Lerner both write English with relish and a decent reverence for syntax. For years, syntax has been almost a dirty word and a complete sentence almost unknown in the contemporary theater.

Rather maliciously and very accurately, Mr. Kerr points out that the discovery of the parenthesis was one of the worst things that ever happened to a playwright. By use of the parenthesis, he points out, the lazy playwright can drop the whole thing in the lap of an actor. A line like, "Are you going?" can be tricked up by placing before it (Piteously).

Or the same line can serve a dozen purposes:

(Angrily): "Are you going?"
(Sullenly): "Are you going?"
(Impatiently): "Are you going?"
(Slyly): "Are you going?"
(Thrilled): "Are you going?"

-:-

"PICK UP ANY PLAY written in the 20th century and you will be bombarded with emotions enclosed in parenthesis. Take away the parenthesis and you are likely to feel nothing at all; you will be lucky if you can grasp what the play is all about . . . The tongues of the world are tied these days. 'And perhaps we—' means a little more than when (desperately) is placed in front of it. But I'm not sure it means much more."

"My Fair Lady" with its emphasis on romance with its highly polished sentences both in script and lyric are, I devoutly hope, harbinger of more of the same.

HEADS CHURCH. Clifford A. Woodward of Cambridge, Mass. Monday was named president of the Mother Church, First Church of Christ, Scientist, in Boston, Mass. His appointment was announced by the Christian Science board of directors at the annual meeting of the denomination attended by thousands of Christian Scientists from many parts of the world. The term of office is for one year.

South Dakota Primary Has No National Issues

PIERRE, S. D. (AP)—National issues were all but settled before South Dakotans started voting today in their primary election.

President Eisenhower was assured of winning 14 Republican convention votes and Sen. Kefauver (D-Tenn) had the eight Democratic votes. Neither slate has any opposition. Voters are prohibited from crossing party lines and write-ins are banned.

Merton B. Tice, municipal judge and former national commander of the Veterans of Foreign Wars, is opposing Ken Holum, farmer and former state legislator, for the right to meet Sen. Case (R-SD) in the general election.

Case, as well as Gov. Joe Foss and his Democratic opponent, State Sen. Ralph Herseth, has no primary opposition and their names will not appear on the primary ballots.

Shipping Level High

CLEVELAND (AP)—A week-long strike which halted tugboat operations of Great Lakes Towing Co. in 16 lake ports made no appreciable reduction in iron ore tonnage hauled during the week ended Monday, a report from the Lake Superior Iron Ore Assn. indicates. The weekly tonnage of 2,947,927 tons was ahead of the comparable week of 1955 and raised the season's total to 19,681,309 tons, or about three million tons ahead of the 1955 total to June 4.

Movies' Demand For Good Writers Bigger Than Ever

By BOB THOMAS

HOLLYWOOD (AP) — Hollywood is wooing writers as never before.

This becomes more evident each day as the emphasis continues to shift to the story, both in movies and TV. Producers in both mediums are proclaiming their dire need for good story material. Some are even taking definite steps to promote it.

Columbia Pictures has notified book publishers that the studio will help finance unfinished books that present good film possibilities and will assist in publicizing the books when they are published.

"We need properties," Columbia boss Harry Cohn declared. Other producers heartily agree, and some are offering fellowships and prizes to encourage new writers.

One of the pioneers in this matter is Samuel Goldwyn, who has been a booster of story values throughout his long career. During the '20s, he imported a group of big-name authors from New York and London. The experiment was not a rousing success, but it did improve the literary tone of the Hollywood product.

Last week Goldwyn presented his annual $1,000 prize for the best creative writing by a UCLA student to a pretty young Chinese girl from Formosa, Lee Hwa Yu. The producer, whose own English is not polished but who still possesses a convincing earnestness, gave some of his thoughts about writing.

"Writing is a work of love," he remarked. "You have to sweat if you expect to create something convincing. . .

"Without good writing, a picture cannot succeed. I have failed many times for that reason. I can produce a picture beautifully, but if I do not have a good story, it means nothing. It's like building a house: If you have a sound foundation, you will build a strong house. . .

Legislator Murdered 7, Self, Police Decide

ERSKINE, Alta. (AP)—Royal Canadian Mounted Police have decided an Alberta legislator shot his wife, their four children and two men in his farm home and then turned the murder weapon on himself.

Police found the body of John E. Clark lying face down in a mudhole only 600 yards from the farmhouse where the other bodies were discovered Sunday. A bullet wound gaped in his head and a .22 rifle lay at his feet. The body was clad only in nightclothes.

Asst. Commissioner G. M. Curleigh said the mounted police were satisfied the case was one of multiple murder and suicide.

Clark, 41, had represented the Stettler district in the Alberta Legislature since 1952. He had suffered several nervous breakdowns.

Methodists' Ohio Conference Opens Its Yearly Meeting

LAKESIDE, Ohio (AP)—The Ohio Conference, largest of the Methodist church's conferences, opened its 18th annual session here today with a Holy Communion service administered by Bishop Hazen G. Werner and superintendents of the 11 districts.

Some 2,000 ministers and lay delegates are here for the six-day meeting which includes on today's program the annual memorial service, conducted by the Rev. Donald W. Cryer of Findlay and a fellowship hour, with Mrs. Kenneth S. Learey of Van Wert in charge.

Of major interest at this year's conference will be consideration of a proposed theological seminary which the Methodist Church's General Conference has authorized to be built in Ohio.

2 Hurt in Plane Crash

MEMPHIS (AP)—Aviation Cadet William E. Walker, 22, Newark, Ohio, and Lt. R. T. Boyle, 27, Cincinnati, were injured Monday when their jet trainer crashed on take off at the Memphis Naval Air Station.

Walker escaped with bruises and scratches. Boyle suffered a sprained back.

If you've been longing for the day when you could make a beautiful Oldsmobile your very own . . . take a good look at these facts!

Olds takes care of your future! This beauty is styled to capture admiring glances today . . . and *tomorrow*. Oldsmobile's styling leadership keeps you in fashion now or years from now.

You give the orders . . . and the Rocket's quick to answer! You're in charge of 230 hp.* in one of today's finest high-compression engines. And you'll notice that makes a powerful difference in performance.

And what a ride! Oldsmobile's big-car features pay off with one of the steadiest, smoothest rides on the road . . . a ride that nestles you down to the road—safer, more secure.

The Rocket's budget-wise! The price is surprisingly low. And Oldsmobile's outstanding resale value means your Olds can cost *far less* to own. Remember, too, your present car commands a high trade-in value right now! So, make your move up and over to Olds . . . and drive happily ever after!

*240 hp. in Ninety-Eight and Super 88 series.

YOUR INVESTMENT HOLDS . . .
WHEN YOU GO OVER TO OLDS!

Ask us to show you the latest figures on resale value. You'll see that you get top value *today* . . . top return when you trade or sell *tomorrow!* It can actually cost less to get out of the ordinary . . . into an Olds!

OLDSMOBILE

Get out of the ordinary this summer . . . Get into an AIR-CONDITIONED OLDSMOBILE! Come in for details—and a demonstration!

A QUALITY PRODUCT brought to you by AN OLDSMOBILE QUALITY DEALER!

Party Contest in November

Sen. Bender, whose Republican seat in the upper house of Congress is one of the key contests in the 1956 election, has come to grips with the issue between himself and his opponent, Gov. Frank J. Lausche.

The issue is whether or not a Republican seat in the U.S. Senate will be lost to a Democrat. The Senate is not divided according to "Who likes Ike" but according to who votes Republican and who votes Democrat when it is time to organize the Senate next January.

The Senate race in Ohio, like the races for thes House of Representatives, except races in one-party states, will have more bearing on the two-party system for 1957 and 1958 than the race for president, unless something unforeseen happens.

President Eisenhower is an odds-on favorite to win re-election to the presidency. The real party contest this year will be for majorities in the Senate and House.

The most ironic outcome of a political contest imaginable would be for a personally popular Democratic governor in Ohio running on an "I Like Ike" platform to command enough Republican votes to unseat a Republican senator. The way "to like Ike" in 1956 is to back him up with a Republican majority in both houses of Congress.

When Congratulating Graduates

There is so much good advice floating about at commencement time that it gets in the graduates' hair and sticks in their throats.

It is easy for oldsters to forget that youngsters must learn by doing, not by being steered clear of pitfalls in advance by twice-burned oldsters who, as youngsters, didn't take advice gratefully either.

So, when congratulating graduates, go easy on advice and strong on congratulations. It should be made plain that the congratulations are for something more than finishing high school or college; that they are for "commencement."

As commencement speakers take pains to point out, graduation is a beginning, not an end.

It marks the graduate as the possessor of enough sense of purpose and aptitude to have finished one job and be ready to tackle a bigger one. It marks the graduate as a potential comer —one worth keeping an eye on—one more likely than others to possess the qualities required for a happy and productive life in an era when there is so much to know that even graduates cannot begin to know it all.

Congratulations, graduates. You're ready to learn some more.

Answer Yes or No

Presentation of a "Presidential Decision-Maker" to President Eisenhower to help him make up his mind on difficult issues was one of those things bound to happen eventually in our technological society. What is more, for good or bad, this is only the beginning. More such gadgets are certain to follow.

Some day, opposing world leaders, such as those of the United States and Russia, may both have more intricate offspring of this pioneering device and be able to synchronize them in such a way as to bring lasting harmony.

No such ambitious claims are made for the Decision Maker by 16-year-old Gerald Miller of Kalispell, Mont., who gave the machine to the President. All he says about the little box-like gadget is that if you set various knobs to evaluate up to five factors in a given situation you can get a "yes" or "no" answer. Obviously this is too simple for, say, such issues as what to do about Nationalist China, Israel or whether to share atomic knowledge with other nations.

Lest anyone get steamed up over the possibilities of this idea, it should be pointed out that one of the latest "human brain" machines is known as "MANIAC," because that is what the first letters of the words in the name spell.

Watch Eastland

Simon E. Sobeloff, solicitor general of the United States since early in 1954, has been nominated to the U. S. Court of Appeals for the Fourth Circuit — and the Senate Judiciary Committee's vote will be something to watch.

The chairman of this committee is Sen. James O. Eastland of Mississippi. He and another irreconcilable southern Democrat, Olin D. Johnston of South Carolina, blocked a Sobeloff nomination to the federal judiciary in 1955. Another southern Democrat, Sam J. Ervin of North Carolina, has joined them this year in hostility toward Sobeloff's renomination, made by President Eisenhower last January.

Their reason?

Simply that the solicitor general advocates integration in public schools. Thus his nomination gives southern irreconcilables on this issue a chance to strike back by misusing their advantage as members of a key committee in the U. S. Senate.

It is not Simon E. Sobeloff who is under scrutiny by the Senate Judiciary Committee but the committee chairman, Sen. Eastland of Mississippi, and the system that raises southern Democrats through the one-party system to Sen. ate seniority.

Fooled Again!

By David Lawrence

Red Moves Can't Be Taken at Face Value

How easy it is to fool the American people with censored dispatches from Moscow telling about the "resignation" of Molotov! At least, so reason the strategists in the Kremlin in their campaign to make the world believe the leopard is changing its spots. But it takes a Russian to debunk a Russian move. Here is what one of the best informed and keenest of the Russians in Washington told this correspondent over the weekend:

Lawrence

"Molotov wasn't dismissed and he wasn't necessarily downgraded. He is still one of the eleven members of the Presidium — the ruling clique of the Soviet Union today. He is a part of the so-called 'collective leadership.'

"While Molotov publicly asked to be relieved of the foreign ministry, it must be noted that for more than a year Khrushchev and Bulganin have really been directing foreign policy. When Molotov gives up the post of foreign minister, it is as if the prime minister of a western country who has taken on an extra cabinet post relinquishes it to attend to other duties.

"On the surface, it would appear that Molotov gave up the post of foreign minister to produce a certain effect on Tito and the outside world and also internally to give the impression that a Stalinite was being removed. But Molotov is still a member of the Presidium and also is first deputy premier. The fight for power inside the Kremlin still goes on. Remember that Malenkov stepped down from the premiership but remains as a member of the Presidium and went to England recently on a formal visit. It is not clear yet what the balance of forces is or is going to be inside the Presidium."

-:-

"WHAT IS THE meaning of the changes just announced concerning the system of justice?" I asked.

"It doesn't mean very much — the top officials are still in control. Only the other day we read of the execution of Bajuriof who at the 19th Party Congress had been elected an alternate member of the Presidium. Three of his associates also were executed.

"He was known as "a little Stalin" and was, indeed, the ruler of one of the so-called republics—Azerbaijan. News of the executions was printed in the newspapers of the capital — Baku — but not in the Moscow newspapers. Nor was any report of the trial or details given."

"Do you think the so-called 'decentralization' moves are important?" was my next question.

"They are not very significant," he replied, "though they might mean that the present government feels more certain of itself and more inclined to take chances in making concessions to the people."

"Are we in any way helping to build up the prestige of the present government in Moscow?"

"Yes. The Soviet government wants to give the impression to the people of Soviet Russia that it is favorably looked upon by the other governments of the world and that its foreign policies are a success. So every time the United States plays up to the men in the Kremlin, either by sending important missions or by fraternizing with them, the Soviet rulers gain a big advantage inside Russia."

-:-

IT SEEMS TO BE generally agreed now by Russian experts in Washington that although the "cult of Stalin" is being denounced by the Soviet propaganda machine, the "cult of Lenin" is being built up. The Lenin doctrines, of course, are just as Machiavellian as those of Stalin.

An example of the opportunism of the Kremlin is to be noted from a re-reading of Stalin's speech of March 10, 1939, to the 18th Congress of the Communist party.

It is interesting to compare Stalin's arguments against "neutralism" with what today are called the policies of the "uncommitted" countries. With a substitution of "Soviet Russia and Red China" in the mind of the reader for "Germany and her allies," the speech is a realistic demonstration of the opportunistic behavior of the Soviet strategists.

Stalin was describing the "cold war" prior to September 1939. He said:

"A new imperialist war is (March 1, 1939) already in its second year, a war waged over a huge territory stretching from Shanghai to Gibraltar and involving over five hundred million people. The map of Europe, Africa and Asia is being forcibly redrawn. The entire postwar system, the so-called regime of peace, has been shaken to its foundations.

"How is it that the non-aggressive countries, which possess such vast opportunities, have so easily, and without any resistance, abandoned their positions and their obligations to please the aggressors?

"Is it to be attributed to the weakness of the non-aggressive states? Of course not. Combined, the non - aggressive, democratic states are unquestionably stronger than the Fascist states, both economically and militarily . . .

-:-

"THE CHIEF REASON is that the majority of the non-aggressive countries, particularly England and France, have rejected the policy of collective security, the policy of collective resistance to the aggressors, and have taken up a position of non-intervention, a position of 'neutrality' . . .

"The policy of non-intervention means conniving at aggression, giving free rein to war, and, consequently, transforming the war into a world war. The policy of non-intervention reveals a desire not to hinder the aggressors in their nefarious work . . . to allow all the belligerents to sink deeply into the mire of war . . . and then when they have become weak enough, to appear on the scene with fresh strength, to appear, of course 'in the interests of peace' and to dictate conditions to the enfeebled belligerents. Cheap and easy!"

Yet just a few months later, in the same year, Stalin, discouraged by the appeasement policies of the western democracies, removed Litvinov as foreign minister, put in Molotov and then joined Hitler and invaded Finland only to find himself in June 1941 attacked by the Nazi military machine itself.

The world, therefore, has to accustom itself to the fact that moves reported nowadays in the censored news dispatches which come out of Moscow do not mean what they say on their face.

They are merely instruments of the strategy followed by Lenin from the very beginning — a strategy which considers that lying and distortion are not "immoral" but simply a means to justify the end sought.

Daily Exercise

Youth vs. Age in Wisconsin Election

By Jay G. Hayden

WASHINGTON

The showdown between respected old age and youthful exuberance, avoided when Senate dean Walter F. George, 78, regretfully backed away from a challenge by 42-year-old ex-governor Herman Talmadge in Georgia, suddenly has been replaced in Wisconsin.

A Republican convention at Milwaukee has voted 1,795 to 481 for rejection of Alexander Wiley, 72, and second in Senate tenure within his party, endorsing in his place Glenn R. Davis, a 41-year-old member of the House of Representatives.

Wiley preceded George as chairman of the foreign relations committee and a main handicap for both of them from the standpoint of winning the votes of their home folks appears to be their devotion to internationalism, especially U.S. cash contributions for foreign uplift.

—:—

IT SHOULD BE stated quickly that Wiley is no George from the intellectual viewpoint. Sen. George's exceptional ability is recognized by all of his colleagues. Wiley in contrast has been referred to with considerable reason as a living embodiment of the traditional "Uncle Sap."

Unlike George, however, Wiley has campaigned his state in and out of election season and for that reason he may prove hard to beat. Selection by the state convention by no means gives Rep. Davis a clear field for senatorial nomination. In fact, experience has shown that that preference sometimes is more handicap than benefit.

Three Republicans notably successful in Wisconsin despite constant opposition by the party bosses of their times were former governors Robert M. La Follette Sr., and Walter S. Goodland and a long-time secretary of state, Fred R. Zimmerman. Wiley has been especially attentive to the local needs of his constituents and also he has a record of supporting President Eisenhower's recommendations, foreign and domestic, excelled by no other member of congress.

—:—

BUT THE BIG surprise in the Wisconsin convention was its reaching out for Rep. Davis, in preference to several more widely known candidates who were avidly bidding for the designation as against Wiley.

Three main counts against the latter were 1. his failure to vote for or against censure of his Republican colleague. Sen. Joseph R. McCarthy, 2. his vigorous opposition to the Bricker amendment designed to limit the President's treaty making powers; and 3. his unwavering internationalism.

Davis has not been tagged a "McCarthyite." As a member of the House he never has had a chance to vote for or against the Bricker amendment, although since his designation for senator he endorsed it in principle.

He has voted consistently to reduce foreign aid, as recommended by President Eisenhower. But there again it is hard to label Davis as an isolationist. In his earlier years in the House he voted for both the Marshall plan of foreign economic aid and for NATO mutual military defense.

—:—

DAVIS RESIGNED from the state legislature to enlist in the Navy following the Japanese attack on Pearl Harbor and served three and a half years. Without exception his congressional votes have been in favor of keeping the U.S. armed to the hilt.

Davis got his start politically when, aged 32, he won Republican nomination for Congress in a by-election occasioned by the death of Rep. Robert K. Henry, Republican, in 1947. Up to and including 1944 the district had been represented for many years by Harry Sauthoff, a La Follette Progressive. Sauthoff made the mistake of trying to displace Sen. Wiley in 1944. The final vote was 634,513 for Wiley, 537,144 for McMurray, Democrat, and only 73,089 for Sauthoff.

That result forecast the defeat of Sen. Robert M. La Follette Jr., by the present Sen. McCarthy in the Republican primary in 1946.

Following the death of Rep. Henry, La Follette talked of seeking a comeback by way of the House, but he deferred to the desire of his friend Sauthoff to return to his old seat. It was a distinct surprise when the youthful Davis soundly beat Sauthoff for Republican nomination and went on to win in a breeze against the Democratic nominee.

Since then Davis has been re-elected four times with never a close call.

The only Democratic candidate for senator so far is Henry Meier, a young Milwaukee state senator. In view of the impending Republican brawl, however, there is talk that the Democrats may switch to Henry S. Ruess, present Milwaukee congressman, who so far has preferred to wait until 1958, when Sen. McCarthy will be up with no Eisenhower coattail to ride on.

Improvements on Nature

By TRUMAN TWILL

The addition of plastic "rocks" to this year's line of outdoor merchandise is a step in the right direction.

Man's improvements on nature have struck rock-bottom, you might say, and from now on the sky will be the limit.

That already had been conceded, because one of the selling features of big-city apartments with a bad view has become painted scenes installed in the windows. The tenant could change the scene to suit his mood — snow for winter, greenery for summer.

The plastic "rocks" now available overcome all the shortcomings of the old-fashioned rocks that occur in nature. They can be purchased in any color desired. They are light, weather-resistant and can be anchored to the ground with prongs, to keep them from rolling about and not gathering any moss.

Also they are of uniform size and color-fast. Those of us who have been making-do with natural rocks for ornamentation know how disappointing it is to lug home a heavy stone that appears to be one thing, then to have it change colors after a heavy rain.

Now that we're really on our way, the next thing should be plastic grass that will be color-fast, non-growing, weed-free and long-lasting. This boon to man's enjoyment will be purchasable in any width and length — a kind of outdoor carpeting that can be put down in the spring and taken up in the fall.

The man-made tree, with all due respect to Joyce Kilmer, surely will be along soon. It will be delivered in knock-down form and can be assembled in an hour or two by any householder handy with a wrench. Being made of non-conductive material, it will be impervious to lightning, as well as to carpenter ants, all insects that feed on leaves, worms that work under the bark and assorted fungi.

From trees to ornamental shrubbery will be no trick at all. The man-made shrub of the future will be permanently symmetrical. It will be in permanent flower. Its leaves will be green and glossy in all seasons.

When a householder gets sick of it, he can trade it in on something he likes better. The only thing permanent about it will be the socket set in the ground which holds it upright. Many different arrangements will be possible.

Rose bushes, too, will be included in man's improvement on nature. They will be forever free from wilt, black leaf, aphids, red spiders and other diseases and afflictions. They will require no watering, mulching and pampering.

About the only thing that will be left to chance is fruit trees, and even in this respect a forward-thinking householder might do better to buy the fruit at the store and clip it on to an artificial tree than try to wheedle it out of an uncooperative nature that stacks the cards against him.

This very minute, electronic brains are probably being put to work on the calculations which ultimately will make these improvements possible. It is entirely fitting and proper that this should be so, because where has man improved on nature more spectacularly than in sidetracking his own horse-and-buggy notions about doing his own calculating?

Speech Merits Careful Study

By JAMES MARLOW

WASHINGTON

Communist party boss Khrushchev threw the memory of Stalin into the garbage pail of history with his speech which is one of the world's most amazing and ironic.

Khrushchev painted Stalin as a maniacal, murdering torturer, one of the greatest monsters in history. He made the speech to the party Congress in February. The State Department finally got a copy of one version and released it this week.

Khrushchev's purpose was to destroy the image of Stalin as a guiding genius and, in exposing his crimes, to try to build faith in the new "collective" leadership.

In this speech horror was piled on horror. Khrushchev said Stalin's arrogant stupidity was to blame for the slaughter of hundreds of thousands of Russian troops by the Germans in World War II.

He said Stalin deported whole peoples during the war and murdered and tortured innocent people. But Khrushchev's greatest concern was for what he called Stalin's murder of Old Bolsheviks and faithful Communist party members.

The picture of Stalin which emerged is that of a cannibal: he devoured his own people.

But anyone who thinks this revelation of a nightmare will turn people in other countries against Communism and the new Russian leadership may be making a mistake.

The frankness of it — Khrushchev's effort to show that the new leaders are patient men different from Stalin—may be convincing to a lot of people who feared and loathed Stalin and didn't know what to think of his successors.

This speech has irony for anyone who reads it carefully.

Daily Bible Thought

Who would not exchange a cup of water for a glorious memory? "I was thirsty and ye gave me drink."—Mat. 25:35.

GRIN AND BEAR IT

By George Lichty

"Should we give them the benefit of our experience in raising 7 kids, dear? . . . Or shall we keep quiet and not display our ignorance? . . ."

The Once Over

By H. I. Phillips

Why Doctors Go Mad

A Chicago doctor says medical programs on the airwaves are filling patients with so much information that they now give the physicians a bad time. Patients come in loaded with telecast data and are disappointed with the doctor if he missed the previous night's TV show.

Through the years a patient has arrived at the doctor's office pretty much in the dark about his condition, but today he shows up with his own diagnosis, although a little uncertain whether he contracted his ailment from CBS or NBC.

He used to sit quietly and let the doctor go over him. Now he carries a sheaf of clinical notes and asks the physician to keep his mouth shut while re reviews "Medic's" last three telecasts.

The fellow who used to give the doctor a few brief statements about spots before his eyes or a crick in his back now talks like the Mayo Brothers.

"Good morning," says the doctor, "what's your trouble?"

"My trouble is that I didn't get last night's medical program in color," replies the patient.

"I mean what is your physical trouble?"

"Did you see last night's medical telecast?"

"No," admits the doctor.

"Too bad. Maybe I should see a physician who never misses it," says the patient.

-:-

"I'M PUTTING on an assistant next week," says the doctor. "He isn't much of a doctor but he's a terrific TV addict."

"Doc," argues the patient, "I'll tell you my symptoms just as I got them on my video set. It was the program called 'Your Clinic and Mine' or something like that. I felt perfectly healthy when I tuned in but after the first fifteen minutes I was in very bad shape."

"How did you wind up after the final fifteen minutes?"

"I wound up with every ailment I had ever heard of. Want to hear my symptoms, channel by channel?"

"How long will it take?"

"Well, it was only a half hour program but it gave me about three hours of ailments."

The vote for both Stevenson and Kefauver in Florida was light, probably because neither wrestled an alligator, indorsed a greyhound or announced a definite policy on the electric rabbit. . . The coonskin hat, we think, cost Estes heavily, and any association with that kind of headgear can kill any candidate in a Florida contest. . . Both lost favor, too, by registering energy and haste in the southern temperatures. . . . The native Floridian is regarded as daffy if he exerts himself by shaking hands with strangers or waving from an auto. . . Any candidate who had his photo snapped asleep under a coconut palm could have licked 'em both

C. F. Whitney, noted turfman, is producer of the new movie "The Searchers," a wild and woolly western and you need only to watch one reel to realize that he now has the biggest stable of Indian ponies in America.

A man was arrested the other day for panhandling from a Cadillac. . . Why the surprise? The American economic picture is so cockeyed today that some panhandlers feel they lose face if forced to operate from a cheaper auto.

"Midafternoon," almost an unknown, which beat Nashua at Belmont, was born on the farm of Leslie Combs, and, who headed the syndicate paying over a million for Nashua a few months ago!!! (Truth is stranger than fiction, and racing is stranger than either.)

Harry Truman took a gondola ride in the Grand Canal. . . He still thinks the American way of getting around the block is better.

(Associated Newspapers)

News of Other Years

40 YEARS AGO — A delegation of business and professional men calling on a Marion Board of Education meeting requested the board to consider selling the local high school building and grounds on W. Center St. for a city building.

The German battle cruiser fleet had been reduced to three or four units, if not less, as a result of a naval engagement in the North Sea the previous week, official reports from London said. At least 18 German men-of-war were believed to have been destroyed.

—:—

20 YEARS AGO — A new federal WPA project calling for a citywide recreational program in city parks and gymnasiums was to get under way in several weeks, district works officials announced.

Major Norman A. Imrie of Columbus, lecturer, educator and newspaperman, addressed 305 graduates of Harding High School and 2,500 parents, relatives and friends at the 64th annual commencement in the Chautauqua pavilion.

Centennial observances were planned at St. Paul's Lutheran Church southeast of Marion on Route 98, the oldest Lutheran church in Marion County.

A senior class breakfast at Hotel Harding and dance at Crystal Lake Park closed the week's social affairs for the graduating class of Harding High School.

Twelve members of Marion Lodge 32, BPO Elks, had been elected to honorary membership in recognition of service and long years of membership.

—:—

10 YEARS AGO — At least 58 persons were killed in an early morning fire that swept through the 22-story LaSalle Hotel in the heart of Chicago's loop district. An estimated 200 persons were injured.

A meeting with Chamber of Commerce officials of a special committee studying possible conversion of the Scioto Ordnance plant into an adjunct of the Boys' Industrial School at Lancaster was suggested in a letter received by the Chamber from Frazier Reams, state welfare director and a member of the committee.

A revival and reorganization of the Marion area chapter of the Reserve Officers Association was being planned.

Opening of the summer playground program at the city parks had been set for June 10, J. D. Torrance, secretary of the Marion Recreation Commission, announced. New shelter houses had been constructed by the Y Men's Service Club for the park program.

Contracts Let For Highway Work in Area

Awarding of contracts for state highway projects in Marion and surrounding counties was announced today by the Department of Highways, S. O. Linzell, director.

The projects include the following:

In Crawford and five other counties, painting of 17 bridges to be completed Sept. 15, awarded to Nick Scordos of Bridgeport on a bid of $5,319.

In Delaware, Marion, Morrow and Union Counties, painting of 14 bridges to be completed Oct. 1, awarded to P. N. Spanos and Company of Wheeling, W. Va., on a bid of $10,540.

In Union and one other county, painting of five bridges to be completed Sept. 1, awarded to Nick Scordos of Bridgeport on a bid of $12,500.

In Wyandot County, painting of 37 bridges to be completed Oct. 1, awarded to S. W. Jury of near Nevada on a bid of $9,701.

In Delaware, Marion and Union Counties, constructing a new guard rail, awarded to Erectors, Inc. of Columbus on a bid of $24,228.

In Crawford and seven other counties, painting existing guard rails, awarded to M. and M. Decorators of Chillicothe on a bid of $7,660.80.

In Delaware, Morrow and Union Counties along with two other counties, painting of existing guard rails, awarded to Firmen Hostetler of Shanesville, O., on a bid of $4,066.88.

-Funeral Services-

Clarence M. Bowe — Wednesday 9:30 a.m., St. Mary Catholic Church, Very Rev. William J. Spickerman, burial in St. Mary Cemetery. Friends may call at the L. A. Axe and Son Funeral Home on Mt. Vernon Ave.

Luther V. Uncapher — Wednesday 1:30 p.m., Boyd Funeral Home on W. Columbia St., Rev. W. Lincoln Stafford, burial in Marion Cemetery. Friends may call at the funeral home. Masonic services tonight at 8.

Mrs. Mary Ellen McQuillen — Thursday 2 p.m., Paul Morgan Funeral Home, Shreve, O., Rev. Ashley Booth, burial in Oak Grove Cemetery at Shreve. Friends may call at the Schaffner-Denzer Funeral Home on E. Center St. tonight. The body will be taken to Shreve Wednesday afternoon.

Mrs. Ida Kingsbury — Wednesday 1 p.m., Eicholtz Funeral Home, Bellefontaine, burial in the Bellefontaine Cemetery.

World production of opium is is about 2,000 tons annually.

Deaths and Funerals

Mrs. George A. Dennis

Mrs. Lillian McClure Dennis, 71, of Cardington died Monday at home of a heart ailment. Though she had been in ill health, her death was unexpected. Her husband, George A. Dennis, died some time ago. A resident of Cardington three years, she lived previously in Mount Gilead.

Born Nov. 4, 1884, in Noble County, she was a daughter of Lon and Mary Belle Davidson McClure. Her marriage was at Butler, O., April 2, 1917. She was a member of the Cardington Methodist Church and of the Willing Workers Class of the church and was a charter member of the American Legion Auxiliary.

Surviving are her daughter, Mrs. Edwin Huddle of Marion; her son, Franklin Dennis at home; four grandchildren, and two sisters, Mrs. C. F. Atkinson of Cambridge and Mrs. Clyde Hutcheson of Marietta.

Funeral services will be conducted Thursday at 2 p.m. in the Dennis residence at 118 W. Walnut St. in Cardington. Rev. R. W. McNary will officiate. Burial will be in Glendale Cemetery at Cardington. Friends may call after 7:30 tonight at the residence where the body will be taken from the Boyd Funeral Home on W. Columbia St. in Marion.

Peter Wedel

KENTON — Peter Wedel, 73, of Toledo, formerly of Kenton, died in Maumee Valley Hospital Sunday night. Death was due to a heart condition. He was born in Georgenhausen, Germany, on Sept. 24, 1882, the son of George and Catherine Rapp Wedel.

His parents moved to the United States in 1883 and resided in Kenton until his move to Toledo. He was confirmed in the St. Johns Evangelical and Reformed Church in Kenton.

Surviving is one sister, Mrs. Elizabeth Crawford, Kenton; three brothers, Henry, Kenton; Louis, Detroit; and William, Ft. Fierce, Fla.; and several nieces and nephews.

Funeral services will be held Wednesday at 1:30 p.m. at the Schindewolf - Steiner - Stevens Funeral Home with Rev. Stanley Fritz officiating. Burial will be in Grove Cemetery.

Arthur F. Caris

ASHLEY — Arthur Frederick Caris, 80, retired farmer of southeast of Ashley, died at 10 a.m. Monday at home. He suffered from a heart ailment six months. When he was stricken he drew attention of neighbors by a signal of flashing lights on and off, an arrangement he had made previously with Mr. and Mrs. Harry Martin to let them know if he needed help. His death occurred before a doctor could reach him.

Born near Fulton, he was a son of Joseph A. and Mary M. Coomer Caris. His wife died a number of years ago.

Surviving are his daughter, Mrs. Wanda Crawford of Cleveland; his stepson, Harper Bartlett of Ashley; his stepdaughter, Mrs. Ilobelle McGonigle of near Ashley; three step-grandchildren; two step-great-grandchildren; a sister, Mrs. Clara Ward of Van Wert, and a brother, Ross Caris of Detroit, Mich.

Funeral services will be conducted Thursday at 2 p.m. in the Ashley Methodist Church. Burial will be in Marlboro Cemetery. Friends may call at the Bennett-Brown Funeral Home in Ashley after Wednesday noon.

Consiglio A. Giampetro

CRESTLINE — Consiglio A. Giampetro, 53, of Crestline died in Crestline Emergency Hospital Sunday at 2 p.m. shortly after being admitted. He had been in ill health since February.

He was born in Bianiella, Italy on Oct. 7, 1903 and lived in America for 17 years. He brought his family here nine years ago.

Surviving are his widow whom he married in Italy in 1932; one daughter, Mrs. Angelo Norsica of Detroit, Mich.; one son, Antonio, at home, and two brothers, Caesar and Joseph of Italy.

Mr. Giampetro was a boiler maker at the Pennsylvania Railroad here. He was a member of St. Joseph's Catholic Church, the Knights of Columbus and the Veterans of Foreign Wars in Crestline and the Sons of Italy in Pittsburgh.

Friends may call at the Robert F. Beck Funeral Home. Funeral services will be held in St. Joseph's Church at 9 a.m. Wednesday with Rev. J. B. Fralich officiating. Burial will be in St. Joseph's Cemetery.

Couple Injured in 2-Car Mishap on Galion Street

GALION — A Galion girl and Mansfield man were injured early this morning when their auto struck a parked car in the 300 block of N. Market St., city police reported.

Police said the car was driven by Donald E. Wisniewski, 25, of Mansfield and he was accompanied by Miss Nancy Love, daughter of Mr. and Mrs. Raymond Love of Galion.

Officers said their car struck a parked car owned by Bartholomew Stock of Galion. Both people in the car were taken to the Galion Community Hospital where they were admitted for chest and head injuries. X-rays were to be taken later today.

K. of C. Slates Open House at New Quarters

Plans for open house ceremonies at the new Council home of Marion Council 671, Knights of Columbus at 1242 E. Center St. this weekend will be made at a meeting Thursday night.

Robert Murphy, chairman of the event, called the meeting of the open house committee for 8 p.m. in the home.

Past council grand knights, Grand Knight Charles Dunn, and Anthony D'Amato, Council publicity chairman and deputy grand knight, compose the committee arranging for the open house observance.

Ceremonies are scheduled for Sunday from 2 p.m. to 6 p.m. and the public is invited to inspect the Council's new home. Murphy said today invitations had been sent out to city and county officials and civic and fraternal groups.

Open house committee members, officers and Council members will serve as guides for the visitors. The visitors will tour the two-story, brick building, formerly the Emil Ackerman residence, and visit a large meeting room, kitchen and reception room on the main floor and the secretary's office and three other meeting rooms on the second floor. The basement houses recreation rooms, and at the rear of the new home is a black topped parking lot and a play area currently being completed. It will be used for basketball, tennis and other sports.

2 Galion Women Injured in Wreck

GALION—Mrs. Wanda Engel of Galion, wife of a Galion jeweler, and their daughter, Clarice, 17, were injured and their car demolished in an accident Monday afternoon at the west edge of Mansfield.

Miss Engel was driving the 1950 car, and was making a turn into a service station when a following car plunged into the rear of the Engel machine, state highway patrolmen reported. Miss Engel said she had her signal lights turned on and thought the driver of the following car did not see them, patrolmen said. The second car was driven by an automobile salesman for a dealer in Mansfield according to patrol. The Engel car landed on its side, with the wheels against the station pumps, the report said. The other machine had its front end badly damaged, officers said.

Mrs. Engel was treated at Mansfield General Hospital for broken ribs and cuts and bruises. Miss Engel was treated for bruises. She suffered a neck injury. They later were released to their home here.

Native of Marion Wins Diploma at Moosehart School

A milestone was reached last week in a major project of Marion's Loyal Order of Moose Lodge.

When David Wendell was graduated from Moosehart High School at Moosehart, Ill., it brought real satisfaction to members of the lodge, who undertook to assist the family of Sam Wendell, a lodge member, when he died in 1951.

The lodge was able to follow through on its pledge to all members to aid their families if they, at any time, were in need, by sending Mrs. Wendell and the children, David and Judith, to the lodge's nationally sponsored home in Moosehart, Ill.

The move was successful and David graduated with both academic and vocational diplomas and an apprenticeship in electricity.

He plans to attend a college or university in Chicago or Aurora, Ill., where he will study electrical engineering on a Marion Moose Lodge scholarship.

Judith is now a junior in high school and Mrs. Wendell has been employed as a housemother for several years at the home. The family has lived as a unit in an individual cottage.

$25 Fine Suspended

Frances Marie Mories, 24, of 976 N. State St., was fined $25 and costs this morning by Juvenile Court Judge Edward J. Ruzzo on charges of contributing to the delinquency of a minor. The fine was suspended pending the Maries woman's ability to stay out of trouble, the judge said.

She and two men, Gene Lemasters, 24, of near Marion, and Kermit Perry Massey, 19, also near Marion, were picked up early Sunday morning by sheriff's deputies in the company of a 13-year-old local girl. A hearing for the men is scheduled for 1 p.m. Saturday in Juvenile Court.

Findlay Man Killed

FINDLAY, Ohio (AP)—The State Highway Patrol said Fredric Hull, 49, Findlay was killed Monday night in a one-car accident on Ohio 12, 5½ miles east of nearby Fostoria.

Heart Attack Fatal To Tiffin Motorist On Wyandot Road

UPPER SANDUSKY — A heart attack suffered while he was driving south on Route 23 some 4.1 miles south of Upper Sandusky was fatal to a Tiffin man Monday afternoon.

Sheriff's deputies said the man was John C. Bowlus, 56, of Tiffin. They said an eyewitness, William Fulton of Toledo, told them the Bowlus car was travelling at a high rate of speed on the highway and went out of control on a curve.

Mr. Fulton said the car rolled over three times and Mr. Bowlus' body was thrown from the wreckage. The witness called the sheriff's office and an ambulance.

Dr. B. H. Hathaway, Wyandot County coroner, ruled the man had died of a coronary occlusion before the accident.

Mr. Bowlus was born in 1900 in Minneapolis, Minn. to Charles and Ella Shell Bowlus. He moved to Fremont while a small boy and attended Ross High School where he was a football star.

He was an accountant. In 1935 he married Helena Salsgiver who survives with one daughter, Mrs. Jack Helena Shutt of Dover, and three sisters, Mrs. Ada Martin and Mrs. Helen Winehardt, both of Fremont, and Mrs. Arthur Gropp of Port Clinton.

Services will be held Thursday at 2 p.m. at the Keller Funeral Home in Fremont with Dr. John W. Quinton of the Fremont Episcopal Church officiating. Burial will be in Oakwood Cemetery. Friends may call at the funeral home from tonight until the time of services.

Prisoner Returned

Gerdon E. Graff, indicted by the Marion County grand jury May 25 for embezzlement, has been returned to the county jail from the Lima State Hospital where he was being held for observation, according to Sheriff Glenn Obenour.

Graff will be arraigned in Common Pleas Court at some future date to plead to the indictment.

About 95 per cent of U. S. farm dwellings are made of wood.

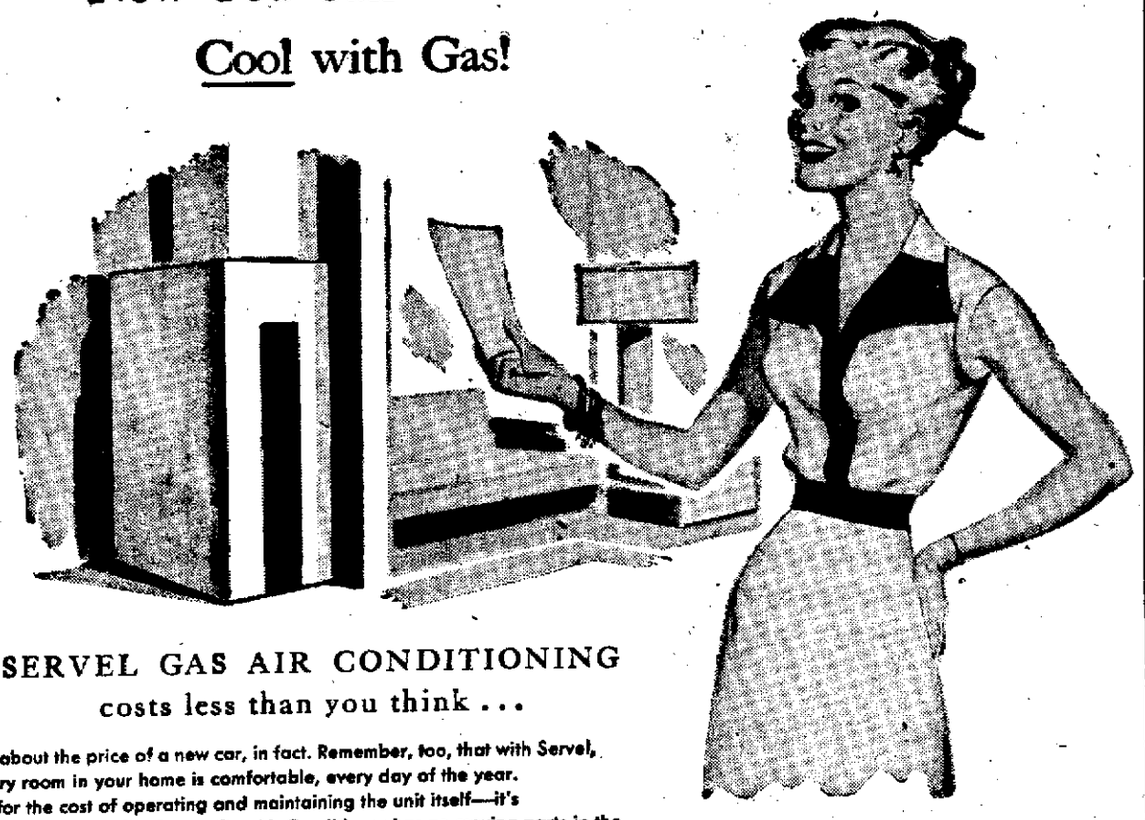
Now You Can
Cool with Gas!


SERVEL GAS AIR CONDITIONING
costs less than you think . . .
. . . about the price of a new car, in fact. Remember, too, that with Servel, every room in your home is comfortable, every day of the year. As for the cost of operating and maintaining the unit itself—it's amazingly small. The Servel Gas Air Conditioner has no moving parts in the cooling or heating systems to wear out or need repair. And with its highly efficient use of Gas, fuel costs are kept to a minimum.
There are other savings, too—in cleaning bills, doctor's bills, redecorating. You have no screens, fans, or other cooling gadgets to buy and replace. And Servel in your home is actually a sound investment—the kind of investment that pays for itself many times over in extra savings, extra benefits, extra comforts!
Let Gas—overwhelming choice for winter heating—keep your home cool during the four summer months, too.

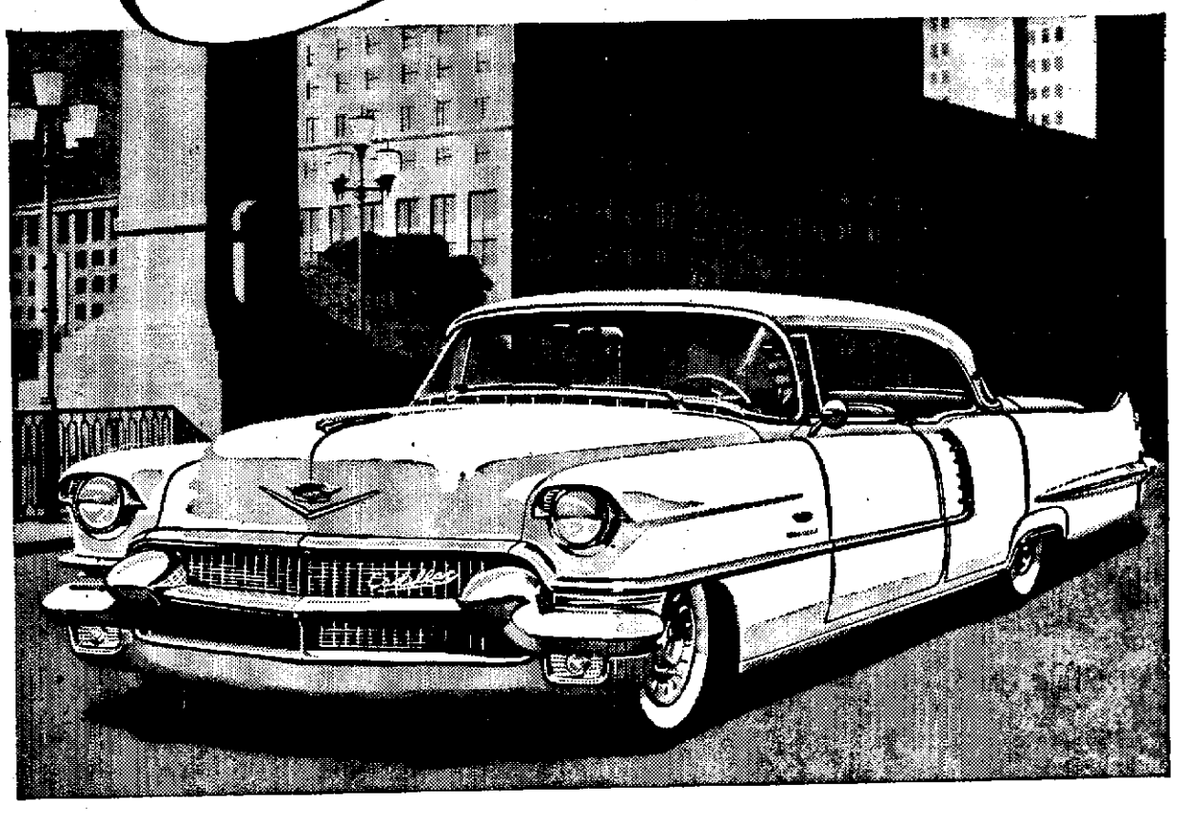
Cadillac


Expected Much...and Got More!
He had heard it time and again, from his friends who drive Cadillacs.
He had heard, for instance, of Cadillac's marvelous performance . . . and of Cadillac's great comfort and handling ease . . . and of the satisfaction that comes to the man at the wheel.
And so, when he took the keys to his first Cadillac just a short while ago, he thought he knew what to expect from the "car of cars".
Well, here he is—a few miles out on his maiden journey—and he's learning a great truth about Cadillac: *that nothing can adequately prepare a man for Cadillac ownership, save the experience itself.*
How, for instance, could anyone fully foresee the joys of *owning* a new Cadillac car? It gives a man a sense of pride and a feeling of achievement and fulfillment that literally defy description.
Or how could anyone anticipate the thrill of *driving* a new Cadillac? Smooth and quiet . . . eager and responsive . . . restful and relaxing—it simply has no counterpart on the world's highways.
And how could anyone foreknow the many other pleasures that await him at the wheel . . . . . the joy of finding that his Cadillac, with all its quality and character, is among the most practical of motor cars to own and operate . . . . . and the satisfaction we believe he will find in his relationship with us as his Cadillac dealer—and in our honest concern with his motoring well-being.
Why not stop in soon for a personal preview of this wonderful experience?
We think you will be delighted to learn how quickly you can get delivery and to find how much your current car is worth to us in trade.

Man Confesses He Murdered Ohio Woman

CINCINNATI (AP)—Police plan to file charges today against an ex-convict who, they say, admitted killing an elderly woman because he needed money.

Investigators said Robert Victory Mohraus, 22, admitted Monday night he broke into the woman's apartment in downtown Cincinnati Sunday and killed her after she recognized him.

The body of the victim, Mrs. Leona Muncia McCrocklin, 66, who worked part time as a cleaning woman, was found in the apartment Monday.

Police said they picked up Mohraus for questioning after learning he knew the woman and after they found a jacket that had just been washed at his home.

Police said Mohraus gave this verbal account:

He entered the woman's home thinking she was not there, but she surprised him in the kitchen.

He beat her with his fists and stabbed her with a kitchen knife. Then he wrapped the body in a blanket.

He ransacked the apartment and took $15.

Police said he had served part of a 10-25 year sentence in Mansfield Reformatory on a robbery charge.

Pre-School Clinic Slated at Crestline

CRESTLINE—A pre-school clinic will be held Thursday at the Central School building for all children who will enter school this September. County health officials and school officials have sent letters to parents of the children informing them of the clinic.

Children will be given physical examinations and immunizations, booster shots and vaccinations will be offered. Children whose last names begin with any letter from A to M should be brought to the school between 9 and 10 a.m. Those with last names starting with letters N to Z should be brought to the school between 10 and 11 a.m.

A child must be 6 by Sept. 1 this year in order to be eligible for school this year.

Otterbein College Class Hears Arthur Flemming

COLUMBUS, Ohio (AP)—The director of defense mobilization said Monday preparedness may deter Communist aggression until the world grows up spiritually.

Arthur S. Flemming told graduating seniors at Otterbein College in nearby Westerville the nation's mobilization program is "Luy ng time" until a "spiritual breakthrough that will bring us to a pathway that leads to peace."

Otterbein awarded honorary degrees to Mr Flemming, the Rev Ora E. Johnson, superintendent of the Ohio Sandusky Conference of the Evangelical United Brethren Church, and three others.

One estimate is that 27,650,000 Americans play some kind of musical instrument.

A HEAD START. Singer Molly Ann puts a model boat on her head as she prepares to star in Guy Lombardo "Show Boat" production at Jones Beach, Long Island, N. Y., this summer.

Reconsideration Sought On Appeal by Sheppard

COLUMBUS, Ohio (AP)—An attorney for Dr. Samuel H. Sheppard has notified the Ohio Supreme Court he intends to ask reconsideration of the May 28 decision upholding Sheppard's second-degree murder conviction for slaying his wife Marilyn.

Application for rehearing is a step required for an appeal to the U. S Supreme Court. The notice was given Monday by Paul M. Herbert of Columbus.

Sheppard is in Ohio Penitentiary serving a life term for the slaying. His wife's bludgeoned body was found July 4, 1954 in the Sheppards' lake-side home at Bay Village.

Ohio River Booming

Coal Industry Gets Lift From New Valley Plants

By SAM DAWSON

PITTSBURGH (AP) — The once ailing American coal industry first hit the comeback trail by meeting the needs of western Europe. But today it is finding a new lease on life in its own back yard.

All along the Ohio River, starting here and running to the Mississippi, new industrial plants are rising at costs totaling billions of dollars. Almost all are big users of coal or of the electric output fueled by coal.

—:—

ESTIMATES OF the amount of coal to be ued this year have been raised several times since January. Coalmen now talk of a total production of 500 million tons, compared with 450 million last year, and nearly 400 million in 1954. They acknowledge, however, that second half 1956 output will probably be less than the first half, due to a probable let down in industrial activity as well as to seasonal factors in their own industry, such as vacations, and hot weather doldrums.

The revival in coal started last year in the big demand of European industry for American coal. The Coal Exporters Assn. of the United States says that overseas exports of American coal last year was around 35 million tons, more than double the 1954 volume.

Domestic use is rising this year —sparked by the capacity output of the steel industry, the growing use of coal by the expanding electric power utilities, and by the fast industrial pace in general.

A spokesman for Pittsburgh Consolidation Coal says the only big shadow over the coal industry at the moment is the threat of a steel strike. It would choke off one of coal's biggest customers, and in time many industries that depend on steel mills for their materials. A strike lasting a month would hit the coal industry seriously.

But barring that, coalmen see good times ahead for them in this Ohio Valley, enjoying a big industrial boom.

—:—

THE FEDERAL Reserve bank of Cleveland points out the trend to "move the coal consuming plant to the coal."

"Electric power companies are building new generating facilities practically on top of the coal beds," it says in its business review.

"New power stations are popping up all along the upper Ohio. The aluminum and chemical industries have joined the trek to coal along the upper Ohio, also."

The Atomic Energy Commission chose Portsmouth, Ohio, as the site of its huge atomic energy plant partly because of the nearby coal to supply its electrical needs.

Another lure for companies to build new plants along the Ohio is the cheap transportation afforded by Ohio River barges. Ohio Valley enthusiasts also stress the abundance of water supplies and the many available plant sites.

In Washington, defense planners smile on the projects, since they mean a dispersal of industries once concentrated in the older industrial centers, a goal of the military in planning for possible air attack.

Communities along the river are trying to finance new roads, schools and other public facilities to meet the needs of the new workers. They are also talking of enlarging the locks on the river so larger barges can operate efficiently.

—:—

SOME OF THE new plants are in the building stage. Among those already completed are:

Allied Chemical & Dye's Solvay process division 12 million dollar plant at Moundsville, W. Va., and its National Aniline Division five million dollar plant at Moundsville.

Mobay Chemical's eight million dollar plant at New Martinsville, W. Va

In the various stages of construction are:

Aluminum Co. of America's 50,000 ton smelter at Evansville, Ind.

Kaiser Aluminum's 216 million plant at Ravenswood, W. Va.

A three-way 250 million dollar project at Cresap, W. Va., and Clarington, Ohio, for Olin Matieson's aluminum plant, to be powered by American Gas & Electric's plant, fueled by Pittsburgh Consolidation Coal's new mine near Cresap.

In the authorized stage are: Vanadium Corp. of America's ferro alloys plant at Mingo Junction, Ohio, and the Ohio Power Co. 125-million-dollar plant at Clarington, Ohio.

Census figures show that 57.7 per cent of Ohio farms have hot and cold running water inside the house, according to Ohio State University extension agricultural engineers.

The Social Notebook

MISS RAE FETTER and her fiance, Dall Hughes, have chosen Sunday, June 17, as the date for their wedding which will take place at 3:30 o'clock in the afternoon in Epworth Methodist Church. Rev. V. E. Busler, retired minister of Epworth Church, will officiate for the double ring ceremony and the custom of open church will be observed. A reception in the church parlors will follow the ceremony.

Miss Fetter is the daughter of Mr. and Mrs. Harold Fetter of 204 Orchard St. and Mr. Hughes is the son of Mr. and Mrs. Emmett D. Hughes of Greenbelt, Md.

The bride-elect has asked her sister, Miss Nancy Fetter, to be her maid of honor, and another sister, Miss Patricia Fetter, as bridesmaid. Flower girl will be Mikela Fetter, also a sister.

Best man for Mr. Hughes will be his brother, E. William Hughes of San Antonio, Texas, and ushers will be Jacque Sheley of Hamilton, Hugh Holbrock of Hamilton and William C. Fetter of Marion, a brother of Miss Fetter.

At the reception, assistants will include Mrs. T. A. Rickelman of Cleveland, sister of the bride-elect, Mrs. E. William Hughes, Mrs. Jacque Sheley and Mrs. Hugh Holbrock.

Miss Fetter is a teacher in the Glenwood School. Mr. Hughes is a design engineer in the U. S. Navy at Washington, D.C.

—:—

AN ANNUAL PICNIC was held by members of the House and Garden unit of the Marion Garden Club Friday noon with Mrs. M. J. Newton of the Richland Pk. serving as hostess. She was assisted by members of the social committee, Mrs. Stewart Mills, Miss Audrey Bolander and Mrs. E. J. Kinter.

Arrangements of flowers decorated the home for the occasion. A board meeting preceded the picnic dinner.

In the business session, a card was read from Mrs. Cloyce Taylor, recording secretary of the club, who is touring in Europe. Reports on awards in the recent flower show were given by Mrs. C. L. Kline, exhibit chairman and Mrs. H. D. Duhamel, president.

For the program, Mrs. James E. Frew, field trip chairman, conducted the members on a tour of various gardens. They visited the Fail Nursery on Richland Pk. where they viewed a display of oriental poppies and iris. The gardens of three members, Mrs. Edwin P. King, Mr. Kinter and Mrs. Rex Robinson, also were visited.

Mrs. W. R. Reichenstein was welcomed into the club as a new member. Guests were Mrs. H. R. Neighbours and Mrs. William H. Higham of Marion and Mrs. David Glade of Chicago. At the next meeting, July 6, when Mrs. Robinson will be hostess, Mrs. U. A. Nystrom will give a talk on the preparation and use of dried materials.

Campus News

William J. Corrigan, Marion student at Washington State College, was among more than 1,000 seniors receiving degrees at annual commencement exercises on the Pullman, Wash., campus Sunday.

Corrigan graduated with honors and received a bachelor of arts degree in economics.

—:—

Miss Angela Krigbaum of Marion was graduated from Maryville College of the Sacred Heart at St. Louis, Mo., in graduation exercises Monday.

She is the daughter of Mr. and Mrs. H. A. Krigbaum of 706 Mt. Vernon Ave.

—:—

Miss Cora Jane Lehner, senior majoring in home economics at Otterbein College, Westerville, was graduated in commencement ceremonies Monday.

The daughter of Mr. and Mrs. W. G. Lehner of Prospect, she has been on the honor roll at Otterbein the last three years.

—:—

Charles F. Might of near Marion is a candidate for a masters degree in agricultural education at commencement exercises at Ohio State University Friday morning.

A 1948 graduate of Ohio State with a bachelor degree in agricultural education, Might is radio farm director of WMRN. He resides with his wife and four children near Marion.

Lodge Activities

Prospect Chapter No. 69, OES, met Friday night at the Masonic Temple with Mrs. Bessie Gustin, matron, and Harold Cloud, patron, in charge of the gathering. The next meeting will be a memorial night on June 15. Mrs. Margaret Speer, Mrs. Goldie Miller and Mrs. Florence Henry were named to the refreshment committee. Mrs. Dorothy Gerfen, Mrs. Catherine Shaw and Mrs. Belva Beery were named to the kitchen meeting. The June meeting will be the last meeting until September.

Fire Reports

FIRE CALLS
(Today)

8:50 a.m., to the home of Robert Felchin, 904 Daffodil Dr., where cakes of margarine in an oven melted and filled the house with smoke. No loss resulted.

Waldo Pays Bills

Waldo Council passed the pay ordinance when it met in the Council chambers Monday night.

Among the bills for the past three months included in the ordinance was one for $900 for recent street repair work in the village.

Oriental Apple Pie Is Flavored by Strong Tea

A little strong tea gives an ordinary apple pie dessert an oriental flavor.

Use your favorite crust recipe and fill it with the following ingredients.

1 cup sugar
½ teaspoon ginger
1 teaspoon cinnamon
¼ teaspoon nutmeg
¼ teaspoon salt
2 tablespoons flour
3 tablespoons strong tea
1 tablespoon lemon juice
4 cups sliced apples (about 8 or 9)
2 tablespoons butter or margarine

Roll out ½ pastry for bottom crust; fit loosely into 9-inch pie pan. Combine sugar, spices, salt, flour, tea and lemon juice. Alternate sliced apples and sugar mixture until pan is filled, heaping slightly in center. Dot with butter or margarine. Roll out top crust; cut slits for escaping steam; place over apples. Trim pastry; press edges together with tines of fork. Bake in hot oven, 425 degrees F. 40 to 50 minutes or until apples are tender.

Patrick Gives Talk to Lions

Compares European And American Farms

Harold Patrick, Pleasant Township farmer, was guest speaker for the Marion Lions Club weekly luncheon meeting Monday at Hotel Harding.

As a representative of Marion County, Mr. Patrick was one of a good will group of farmers from the United States who toured Europe to study the methods of agriculture used there and compare them with those in the United States.

He gave a comparison to his audience of the farms and farming conditions between the United States and Europe, explaining that farms are small in Europe, each being an average of 26 to 36 acres.

Mr. Patrick noted that because they are small, women do much of the work and men have jobs in villages and towns. He explained that much of the work is done by hand.

Some of the countries visited by Mr. Patrick were England, Scotland, Norway, Denmark, Germany, France and Sweden.

Mr. Patrick expressed the opinion that Germany is doing a better job of "cleaning up" after the war than are England and France.

Installation of new officers of the club will be at a dinner meeting June 19 at the Marion Country Club.

Visiting Lions at the meeting were Howard Dudley and Harold Miller of Galion, Sid Tennant of Mount Gilead, district governor, and Charles Bowen of Jackson. Guests included Dr. Dan Goodacre and Dr. Art Brintnall, both of Akron.

Boy Burned to Death

ORWELL, Ohio (AP) — Nicholas Schoonover, 9, was burned to death Monday in a shack where he and his 18-year-old brother, Thomas, lived in nearby Windsor Township. Mr. and Mrs. Thomas Schoonover, the parents, and five other children lived in a house trailer 75 feet from the shack. A shattered two-gallon can near the body caused deputies to believe the boy had poured kerosence on a smouldering stove fire in the shack.

Weddings

Of interest here is the announcement of the marriage of Miss Ruth Geraldine Wilkinson of Sanford, Fla., and James Clifford Lumberson, U.S. Navy. She is the daughter of Mr. and Mrs. C. J. Wilkinson of Sanford and he is the son of Mr. and Mrs. C. J. Lumberson of Marysville, formerly of Marion and Green Camp.

The wedding took place April 20 at the Central Baptist Church in Sanford with Rev. J. W. Parham officiating.

Given in marriage by her father, the bride wore a dress of white lace over taffeta, styled with a net yoke and a long train edged in lace. The long sleeves came to points over the hands. Her jewelry was a strand of pearls, a gift from the bridegroom. The lace veil cascaded from a pearl coronet and her flowers were an arrangement of white carnations and lily of the valley centered with a white orchid.

Her maid of honor and bridesmaids were in princess styled gowns in pastel shades.

Harvey Wilkinson, brother of the bride, served as best man.

For her daughter's wedding, Mrs. Wilkinson chose a navy and white costume with a corsage of white rosebuds. Mrs. Lumberson was attired in gray and pink with a pink rosebuds corsage.

After a reception in the church annex, the couple left on a wedding trip to Daytona Beach and later to Ohio. While here, the bridegroom's parents entertained at the Methodist Church in Marysville, Mr. and Mrs. Alfred Alexander held open house at their home on Park Blvd. and Mr. and Mrs. Elmer Hinkle and Mr. and Mrs. Theodore Graetz entertained with a buffet supper at the Hinkle residence. Mrs. Alexander, Mrs. Hinkle and Mrs. Graetz are aunts of the bridegroom.

The bridegroom is stationed at the U.S. Naval Air Station at Sanford, Fla. They are making their home at 212½ W. 16th St. in Sanford.

Rubber Sales Rise

DAYTON, Ohio (AP)—Dayton Rubber Co. sales for the first six months of its fiscal year starting last November totaled $34,321,742—a 13 per cent gain over the same period last year.

Profits totaled $1,093,299 compared with $963,558 last year. Current half year earnings per share of common amounted to $1.49 based on 703,134 shares outstanding, the company reported Monday.

Phantom Train Engineer Just Boy on Frolic

DETROIT (AP)—The engineer of a phantom train crew that spirited a diesel engine and string of box cars from under the noses of railroad yard hands has turned out to be a 16-year-old model train enthusiast. He gave himself up Monday night.

The boy, whom police identified only as a Detroit high school student, and his two "firemen" spent more than two hours highballing through a maze of complicated switch tracks early Sunday. They added nine extra box cars from three sidings before they brought the stolen diesel back to the West Side yard.

Railroad detectives knew of the theft but couldn't spot the culprits in the 20-mile run.

"I'm a model train enthusiast," police quoted the youth as saying. "I used to hang around the Grand Trunk roundhouse in Pontiac, (Mich.) and got to know the engineers and a lot about the engines."

Police said the boy will be turned over to his parents to appear before juvenile authorities today. His "crew" they said will be picked up for questioning.

Ike Requests Conference on Aid Program

WASHINGTON (AP) — President Eisenhower has asked House Democratic and Republican leaders to meet with him tonight for talks about the $1,109,000,000 cut in foreign aid voted by the House Foreign Affairs Committee. He hopes to get the cut rescinded.

Announcing plans for the conference, House GOP Leader Martin of Massachusetts told newsmen at the White House that the President and other administration officials feel the program would be "badly crippled" if the cut is allowed to stand.

The administration asked for $4,900,000,000 in foreign aid for the fiscal year starting July 1.

The cut voted by the House committee calls for a reduction of one billion dollars in military aid. The balance of the reduction would be in economic aid and in other fields.

The bill is scheduled to come up for House debate Wednesday.

Martin said the conferees will "discuss the problem" of how to restore the cut "and see how we will take it up on the floor" of the House.

One reporter asked Martin if he could put a finger on "a stumbling block" which led to the cut voted by the House committee.

"It's an election year," Martin responded with a smile.

He added that he believes the administration will get the amount it has requested when House members have had time to "think it over very carefully."

House debate on the bill may bring a move to ban further U. S. aid to Yugoslavia.

Rep. Edna F. Kelly (D-NY) said she intends to push for such a ban.

Yugoslavia is earmarked for 15 million dollars in economic aid, plus an unspecified amount of military help, in the big foreign aid bill slated for House consideration Wednesday.

Chairman Richards (D-SC) of the House Foreign Affairs Committee Monday joined Rep. Voys (R-Ohio), a senior committee Republican, in saying President Tito's apparent growing friendship with the Soviets would spur House sentiment for knocking out aid to Yugoslavia. Tito is now visiting Russia.

Church Activities

Children Day services will be held at the Rural Salem EUB Church Sunday at 8 p.m. It will be under the leadership of the committee composed of Mrs. Gail McDougle, Mrs. Loren Hord and Mrs. LeRoy Parish.

The program will include songs, recitation and exercise by the beginners, primaries, and intermediate groups.

—:—

Mr. and Mrs. Donald Lawrence entertained Thursday night the Joy Sunday School Class of the Salem EUB Church. They held their regular monthly meeting with Mrs. Paul McChesney leading the devotions. The next meeting will be held at the home of Rev. and Mrs. A. E. Clark.

—:—

C. R. Rice of the Martel Methodist Church was the guest speaker Sunday morning at the Rural Salem EUB Church. Rev. Rice spoke in the absence of the pastor Rev. A. E. Clark who is on vacation at Fostoria.

Mrs. M. R. Anthony presided for the services and Mrs. A. E. Clark offered prayer.

—:—

Daily vacation bible school at the Salem EUB Church at Beech will be held June 18 to July 1. The teachers are preparing and making plans for the school. Rev. A. E. Clark will be the dean.

—:—

New officers have been elected for the Crusaders Class of Prospect Street Methodist Church and they include Loren Starner, president; Robert Robinson, vice president; Mrs. Loren Starner, secretary; Ernest Schrote, treasurer; Mrs. Wilbur Flach, flower committee chairman.

The class has contributed $20 to the Youth Fellowship for camping expenses and also voted to purchase paper cups and a dispenser to be used at the water cooler in the church parlors. Several men of the class volunteered to mow the lawn at the Howard Schwaderer home, due to his recent illness. Men of the class served as hosts for the social hour.

—:—

Some 117 pupils and 23 teachers and helpers are taking part in the vacation Bible school at Prospect this year. the school will close Friday night with a special program at 7:30 p.m. at the Prospect High School auditorium.

Class movies are being taken and will be shown at the program. Teachers and helpers are: beginners, Mrs. Dallas Cornett, Mrs. Carlton Schmidt, Joyce Ruhl, Sandra Brown, Henrietta Barlow, Barbara Bails and Sue Schmidt; primary, Mrs. Clyde Beckel, Mrs. Kenneth Davids, Mrs. Donald Perch, Emily Holt, Deanna Tobey and Joan Biggerstaff.

Juniors, Rev. Paul E. Dobberstein, Mrs. Paul Rogers, Linda Rogers, Eleanor Holt, Judy Click and Janet Moser; intermediate, Mrs. Carl Moser, Mrs. Clifford Almendinger, Mrs. Hosea Kyle and Rosalyn Sult.

Turnpike Group Sued For 1½ Million Dollars

COLUMBUS, Ohio (AP)—The Ohio Turnpike Commission was studying today a suit for more than 1½ million dollars by a turnpike contractor.

The action was brought in Common Pleas Court here Monday by D. W. Winkelman Co., Inc., of Syracuse, N. Y., and D. W. Winkelman Caroline Co.

Costs were increased, the company claims, when the commission failed to provide the necessary right-of-way for construction to proceed on schedule.

The turnpike section involved was one of three in the original Eastgate strip of tollroad opened Dec. 1, 1954.

Prospect Council Okays Street Repair Projects

An extensive street repair project in the village of Prospect costing nearly $1,000 was approved and paid by the street and alley committee when Prospect council met Monday.

Council also ordered Mayor George Landon to contact the state highway department and make arrangements for painting parking zones in the downtown district.

School Boards

Members of three local school boards in Marion County Monday night discussed teaching vacancies in their schools. One, Pleasant, set a special meeting for next Monday night to interview applicants.

Pleasant

Members of the Pleasant School Board voted to authorize the sale of bonds in the amount of $268,000 for the construction of a cafeteria, additional classrooms and some remodeling and furnishings at Pleasant School at their meeting Monday night. They also scheduled a Monday night meeting to inverview teacher applicants for the three remaining vacancies on the school faculty.

Prospect

Meeting with the Prospect School Board Monday night was Mrs. Marjorie McKibbon, home economics teacher, who presented ideas on how equipment and other facilities in the home economics department could be improved. Discussion was held on the possibilities of hiring one more elementary teacher and one for junior high. The board will meet again Friday at 8 p.m. to discuss improvements for rest room facilities in both the elementary and high schools.

Meeker

The Meeker School Board hired Mrs. Wilda Weaver and Mrs. Clarence Brown as cafeteria help for next year, and also employed Mrs. Ardena Cates, Mrs. Ruby Herr and Mrs. Hickman as bus drivers. One and possibly two vacancies still exist on next year's faculty.

Some scientists believe that carbon dioxide released by burning of coal and oil is helping to make the world warmer.

Crestline Pays Part of Sewer Cost to Builder

CRESTLINE — A part payment of $10,502.40 for construction of the W. Main St. sewer was ordered for the Richland Construction Co. of Mansfield by the Crestline Council Monday night.

Fire Chief R. H. Saum was granted permission to take two firemen with him Saturday and Sunday to a fire school being held in Defiance. The cost will be $12 per man.

Street Commissioner Ervin Eckert was authorized to have left-hand turning guides painted on some of the streets. Council ordered the guides at the intersection of Main and Seltzer Sts. to be painted further back from the corner to avoid congestion.

An ordinance was passed to issue notes in anticipation of the issuance of a bond of construction for the W. Main St. sewer in the amount of $13,128, the cost of the project.

The street commissioner was authorized to contact the water department regarding the construction of a manhole on West Gate Dr.

A resolution was passed providing for certain changes and additions to the original plans for the new Crestline Memorial Hospital. The changes provide for the installation of a three compartment stainless steel pot and pan sink, the installation of sink fittings to the cooking and baking table in the kitchen, the installation of rolling or sliding doors between the kitchen and staff dining area as well as the installation of an emergency generator to provide power in case of electrical failure.

Councilman C. F. Morton suggested a railing be placed along a ditch level on Lincoln Ave. but no definite action was taken.

Mayor A. C. Smith reported there was $1,028.40 in fines collected during May. The pay ordinance of $16,855.80, including the payment on the W. Main St. sewer, was read and ordered paid.

Andrews Sisters Agree

HOLLYWOOD (AP)—The Andrews sisters—Patty, Laverne and Maxene—have patched up their longstanding feud and will resume working together as a trio June 28. The sisters had business differences 30 months ago and broke up after a Las Vegas, Nev., date.

Most of the Arab bloc nations are Moslem.

Garcia Shows Old Form, Strikes Out 12 Nationals

Busby, Averill Hit Homers In 7-0 Shutout by Indians

BALTIMORE (AP)—The Cleveland Indians open a three-game series with the Baltimore Orioles here tonight still stuck in third place, but considerably heartened by Monday night's victory in Washington.

The 7-0 triumph moved the Tribe up another half game on the league-leading New York Yankees, who were idle. After their June 1 loss in Washington the Indians were 6½ games back, and they're now 4½ behind.

Mike Garcia pitched the shutout and struck out 12 men, scattering seven hits. His fast ball was working better than it has in two seasons.

Two of the Tribe's seven hits were home runs. Jim Busby clouted one in the second inning off Pedro Ramos, and catcher Earl Averill, just recalled from Indianapolis, belted his first major league home run.

Averill had made only one hit in 22 times at bat for the Indians earlier in the season, and that was a scratch single. But Monday night he had three walks and the 390-foot homer into the center field bleachers in the fifth.

The Indians also scored three runs in the eighth and two in the ninth off southpaw Bunky Stewart following Ramos' removal for a pinchhitter in the seventh.

Chico Carrasquel's single, an error by Eddie Yost, and a walk filled the bases in the eighth, and Vic Wertz doubled home all three runners. In the ninth Busby's single, a walk, a sacrifice by Garcia, and error by Whitey Herzog and a force out added up to two more Cleveland runs.

Bob Lemon (7-2) hurls for the Indians tonight against Ray Moore (4-3).

Little League Leaders Post 4th Triumph

Marion County Bank chalked up its fourth straight American loop triumph in Little League play Monday night.

The undefeated County Bankers protected their league lead with an 18-6 verdict over runner up Isaly. National City Bank whipped Mac's Trading Post 8-4 in the other Little League conflict.

County Bank used two five-run innings and five-hit pitching by Ernie Robinson, and Jack McGraw to whip Isaly. Three runs in the first, five in the third, five in the fourth, two in the fifth and three in the sixth comprised the Bankers' scoring.

Three runs in the second by Isaly momentarily tied up the tilt and its final three tallies came in the fourth. The winners tagged Ricky Ishida, Mulvaine and Chuck Paulus for nine hits but also benefited by seven walks and four errors.

Isaly received 10 walks and had two runners on by hit batsman. Garry Warner and Larry Sims both cracked out homers for the winners, with Warner and Ken Berridge both going two for two. John Gilbert had two for the losers.

Terry Cudd, Roger Graff, and Richards checked Mac's on seven hits and fanned 16 in hurling National City Bank to its second victory.

The losers scored all their runs in the sixth after National City had piled up a lead on single runs in the first and second, two in the third, one in the fifth and three in the sixth.

National City won despite being held to six hits by Cranston and Terry Pierce of Mac's. Five walks and as many errors aided the winners.

Billy Davis knocked out four hits in four trips for Mac's.

Cardinals Sign Jim Konstanty

ST. LOUIS (AP) — The St. Louis Cardinals today announced the signing of veteran relief pitcher Jim Konstanty, 39. Konstanty was released early this season by the New York Yankees.

The big righthander was the National League's most valuable player in 1950, when he pitched the Philadelphia Phillies to their first pennant in 35 years with a 16-7 record.

Konstanty played an important role in the Yankees' pennant drive last season with a 7-2 record and 2.31 earned run average for 45 games.

The Redbirds made room for Konstanty by selling Max Surkont, obtained earlier from Pittsburgh, to San Francisco of the Pacific Coast League. The terms of both transaction were not disclosed.

Practice Game Slated

A practice tilt in its Little League fan system has been scheduled for Wednesday at 11 a.m. on the George Washington field. Mac's Trading Post and Wilhelm's will clash.

Softball Schedule

Reds Take 8-2 Verdict From Phils

CINCINNATI (AP) — Righthander Art Fowler had the same rocky start this season as in 1955, but like last year has settled down to winning form.

The 33-year-old hurler has four victories now against six early defeats, and in all of his wins he has gone the distance for Cincinnati.

The Philadelphia Phillies Monday reached Fowler for only two singles, one in the first, the other in the fourth, before a two run uprising in the ninth inning.

The Reds cut off the rally for the 8-2 victory.

The South Carolina righthander fanned four Philadelphians, three of them in order in the fifth—Willie Jones, Jim Greengrass and Andy Seminick.

The Redleg "musele men" meanwhile got a dozen hits off Saul Rogovin and Ron Negray.

One of these was a three-run homer in the sixth inning by catcher Ed Bailey.

The Reds' wiry little shortstop, Roy McMillan, belted a triple in the seventh that brought two more runs home.

Cincinnati's rookie outfielder Frank Robinson got a sharp object lesson in turning bases when his potential run was nullified in the first inning because he failed to touch third. Phillie hurler Rogovin noted the omission and called for a quick throw back to Jones for the out.

The second of the four game series with Philadelphia comes tonight with Joe Nuxhall slated to oppose southpaw Curt Simmons.

Donians Score 8-5 Victory in County Action

Caledonia clipped New Bloomington 8-5 Monday night at Prospect in a Marion County Baseball League encounter. It was the second straight league win for the Donians and second loss for New Bloomington.

The Donians forged into a 3-0 lead in the second inning but New Bloomington came storming back to tie the count in the third. The losers moved ahead 4-3 in the fifth before Coach George Hamric's nine iced the verdict with four tallies in the sixth.

Willard Reed banged out three singles to lead the winners' attack and Jim Longacre smacked a double and a single to drive in four runs. Chappell held the losers to six hits while Schaber gave up seven in absorbing the loss. Boblenz with two singles and a double and McElroy with a triple led the losers at the plate.

The Caledonia Little Leaguers posted a 4-3 victory in the preliminary game behind the three-hit pitching of Jerry Cox. He struck out 11 and walked only two.

Pirates Keep Fans Howling

PITTSBURGH (AP) — For the first time since Ralph Kiner left town, Pirate baseball is a vibrant page one story in Pittsburgh's daily life.

Bobby Bragan's upstart from the basement have captivated the long hungry fans, and today rest firmly in first place a full game ahead of Milwaukee, Cincinnati and St. Louis. From the Golden Triangle to distant Hollywood, lovers of the underdog are jumping on the Pirate bandwagon.

A cynical visitor inclined to shrug off the Pirate spurt as "one of those things" got religion quickly. Pittsburgh won round one before the bellhop pocketed his tip and closed the htoel room door after flipping on the television set.

The TV announcer must have been clairvoyant. "I'd like to dedicate the next number to the experts (he said 'experts' with a sneer) who picked the Pirates to finish last. . . 'they all laughed'. . . dum de dum dum. . .' 'Who's got the last laugh now?' "

ANDERSON SETS 3 WORLD RECORDS. Paul Anderson, 24, of Toccoa, Ga., who tips the scales at 320 pounds, is shown performing at the National AAU Meet in Philadelphia, where he smashed three world records while retaining his weightlifting crown. He bettered his own record total of 1,145 pounds with an all-time total lift of 1,175 pounds, pressing 400 pounds, snatching 335 and hoisting 440 in a clean and jerk.

Maglie Scores Shutout

Pirates Move Into Top Spot As Brooklyn Dumps Braves

By ED WILKS
Associated Press Staff Writer

The Chicago White Sox have gained a little weight and appear recovered from their most recent attack of Yankee-itis, but the question is—how long can it last?

Manager Marty Marion's crew looked just as healthy a couple of weeks back. They had won six straight and edged to within 1½ games of the American league-leading New Yorkers. Then the Yankees laid 'em low, winning three in a row and touching off a five-game losing streak for the Pale Hose. Before it ended they were 6½ games behind and in fourth place.

Since then the White Sox have won 9 of their last 12 and 6 of their last 7 while the Yankees were losing 6 of 13.

Score 13-4 Win

Chicago continued to fatten up at Baltimore Monday night, trimming the Orioles 13-4 and cutting the Yanks' lead to four games. Cleveland, in third, is only 4½ back, having defeated Washington 7-0 in the only other game scheduled.

In the National, Pittsburgh slipped into first place while enjoying a day off as Sal Maglie and Brooklyn's Dodgers combined to dump the Milwaukee Braves out of the lead 3-0. The Braves now trail by a full game— as do St.Louis, an 11-5 winner of New York, and Cincinnati, an 8-2 winner over Philadelphia.

Billy Pierce had only a slight bit of trouble gaining his seventh victory for the Sox. He allowed only two hits for seven innings, then gave up all four Baltimore runs in the eighth on four hits and two walks. Sandy Consuegra relieved for the final 1 1-3 inning.

Mike Garcia got the job done for the Indians with the help of home runs by rookie Earl Averill and Jim Busby and three runs batted in by Vic Wertz. The big bear struck out 12 for a 4-5 record and his first shutout since last Aug. 24.

First Since 1954

Maglie had to go back farther than that to find his last shutout. The ex-Giant right-hander hadn't blanked anybody since April 25, 1954, and hadn't won since last July 2.

He got right with a neat three hitter — allowing none after the fourth inning — while the Brooks battered Lew Burdette for seven of their nine hits. Brooklyn had a walk, sacrifice, infield out and Randy Jackson's single for a first-inning run, then got two in the eighth on homers by Peewee Reese and Gil Hodges.

Maglie was the man, however. He walked only one, with two out in the ninth, and struck out five.

Ken Boyer led the free-swinging Cards, hitting a home run, two doubles and a single in five trips for five RBIs as Vinegar Bend Mizell won his sixth. Only catcher Bill Sarni, center fielder Bobby Del Greco and Mizell failed to contribute to St.Louis' 15-hit barrage on loser Don Liddle and three reliefers — and everyone else had at least two hits. Wally Moon also homered.

Richwood Entry Wins In Feature at Lebanon

LEBANON, Ohio (AP) — Veteran harness driver Clair Baker of Richwood, capiptalized on a collision Monday to drive home to victory in the featured sixth race at Lebanon Raceway.

Baker, at the reins of Todd County Boy forged to the lead and held it the rest of the way after the collision toppled front running Wayjet and Boston Beau.

No injuries resulted from the mishap which helped Todd County Boy, owned by publisher George Keigley of Richwood to take its second win in six starts here at Lebanon.

Columbus Jets Take Third in IL Campaign

By The Associated Press

The Columbus Jets have timed their surge in the last 12 games with Toronto's dive over the same span to pop past the Maple Leafs into third place in the International League.

Columbus packed away a 4-3 decision over the Leafs Monday night on Ben Downs' two-run homer in the sixth and edged a half-game ahead of Toronto in the only game scheduled.

It was, oddly, the Jets' ninth victory in their last dozen games while serving as the Leafs' ninth defeat in their last 12.

Ted Williams Denies Plans For Retirement

BOSTON (AP)—Boston Red Sox slugger Ted Williams says "they'll never stop my hitting" in emphasizing that he is not even considering retirement from the sport which pays him $100,000 a year.

Williams, although irritated and disappointed by his performances this season, Monday ridiculed his statement "I'm all washed up." He said he has no thought of retiring

"The only way I would (retire) is if I couldn't hit," the 37-year-old slugger said. "But that will never be because they'll never get me out. The only thing that will stop me will be my legs. They'll never stop my hitting."

Ted, hobbled by an instep injury suffered in a slip off a wooden shower clog, told a Boston sports writer after Sunday's 7-6 loss to the Kansas City Athletics:

"I'm all washed up. I'm through. I can't hit. They are throwing the fast ball right by me. I can't hit any more."

Williams displayed temperament on two occasions on the field. In the third inning he threw his bat into the dugout after striking out with two runners on base and in the fourth he lobbed the ball high in the air back to the infield after making a catch.

But Monday the big slugger said he was just clowning and his remarks about being "all washed up" were sarcastic.

"Me washed up? It will never be," he said. "But I'll not deny it because the idea is ridiculous."

The American Bible Society distributed 14,918,353 volumes of scripture in 1955.

Foreign Golfers Threaten U.S. Supremacy in Open

By WILL GRIMSLEY
Associated Press Staff Writer

It's been 36 years since a foreigner was able to win the U.S. Open Golf Championship but two incidents a continent apart Monday magnified a threat for the approaching tournament.

In Dallas, the young Australian, Peter Thomson, outclassed America's brightest stars to win first money in the $70,000 Texas International Tournament.

In Rye, N.Y., Henry Cotton, the old English master, 49 and semi-retired, shot two sparkling rounds of 68 to 69 to lead sectional qualifying for the championship at Oak Hill Country Club in Rochester, N.Y., June 14-16.

A third outside menace, long-hitting Roberto de Vincenzo of Argentina and Mexico, is favored to seize one of the 37 berths contested in the delayed trials today at Dallas. Leading tournament pros are in the scramble.

Last Won in 1920

The last foreigner to win our Open was Britain's Ted Ray, a giant of a man with a smelly pipe and a ton of power, who prevailed at Inverness in 1920. At 43, he also was the oldest ever to take the prize.

Cotton's age had been figured an insurmountable handicap for him although golfers still rate him one of the great shotmakers of all time. The way he whipped two Westchester Country Club courses Monday, however, no one is sure.

The Englishman — a cross between the Flamboyant Walter Hagen and the grim, mechanical Hogan—has won the British Open three times, the last as late as 1948. He will sharpen his game further this week in the Wykagyl Round Robin and possibly will be doubly formidable in the Open a week later.

Thomson, present holder of the British Open crown, is exempt from qualifying along with 15 others, including defending champion Jack Fleck, former champions Ed Furgol, Ben Hogan, Julius Boros and Cary Middlecoff; amateur champion Harvie Ward, Jr., and leaders of last year's Open, including Sam Snead.

Twenty-four qualifying tests — all but Honolulu and Dallas — were staged Monday, with 1,781 golfers shooting for 108 places in the 163-man field. Honolulu decided its single candidate earlier. Dallas trials were postponed until today.

Burkemo Lowest

Walter Burkemo, 37-year-old former PGA champion from Franklin, Mich., was the nation's low qualifier with rounds of 66-68—134, ten under par, at Detroit.

Roy Moore, Jr., and 18-year-old Memphis amateur, was second low with 7-66—136 at Nashville while John Dedl of Nashville shot 137. The youngest qualifier was Phil Rodgers of LaJolla, Calif., 17, who had 70-68—138 at Los Angeles. Another teen-age qualifier was Dean Beman, 18, of Washington, with 149.

Denny Shute Fails in Try At Open Berth

By The Associated Press

Ock Willoweit and Gay Brewer at Cincinnati and Mike Krak at Cleveland led the list of Ohio qualifiers Monday for the National Open Golf Tournament at Rochester, N. Y. next week.

Willoweit, 52, of Dayton and Brewer, 24, of Cincinnati, both shot par 144s for the 36-hole southern Ohio qualifier at the Clovernoon Country Club.

Krak, 26, of Steubenville, shot a par 140 on a 36-hole tour of the Hawthorne Valley Country Club in the northern Ohio qualifier.

Denny Shute, 51, of Akron, former British Open and National PGA champion failed to qualify in the open for the first time in his career. He had played since 1926. Shute scored 151 which put him in a three-way tie for 17th.

Other qualifiers and alternates (A designates amateur):

AT CLEVELAND:

Qualifiers:

Ed Griffiths, Youngstown 71-71—142
Hans Merrell, Mogadore 75-69—144
Pat Schwab, Sandusky 76-69—145

Alternates:

Ted Huge, University Heights 74-72—146

A-Bob Davis, Cincinnati, 73-73—146
Gorden Leishman, Madison, Ind., 74-73—147

Thomson Wins Playoff, Takes Title in Texas

DALLAS (AP) — Peter Thomson, the sturdy Australian who dominates British golf, showed Americans a thing or two about stretch running Monday when he won his first tournament in the United States.

The cheerful young man from down under came from a tie for eighth place with a 7-under-par 63 to deadlock with Cary Middlecoff and Gene Littler for first place then won a playoff and first money in the $70,000 Texas International Open.

Thomson's share was $13,478.

Nail 10-1 Win

Trinity Retains Perfect Mark in Church League

Trinity Baptist retained its perfect Church League rating in action on the Garfield Park diamond Monday night.

The defending loop champs whipped Central Christian 10-1 for their fifth straight triumph.

Runnerup St. Mary whipped Greenwood 13-3 and Salem EUB took over third with a 7-1 win over Church of the Brethren in other action.

Dick Gherman held Central Christian to three hits and a single run in the sixth in Trinity's victory last night. The champs nicked Ray Silvers for a tally in the opening frame, added another in the fourth, then pushed across six in the fifth and two in the sixth.

The winners banged out an 11-hit attack. Knoska collected three of them while Don Johnson and Bob McCreary both hit safely twice, and scored twice. Ken Mull drew a pair of walks and scored both times.

Three runs in the first and one in the second proved to be anough as Richards hurled St. Mary to a five-hit triumph over Greenwood.

The winners came in with five in the third to clinch the contest and added three in the fourth and one in the sixth. Greenwood was held to a lone tally in the third and two in the fifth.

St. Mary tagged Miley of the losers for 13 hits and used six walks to score its runs. Nicolosi with a triple and double, and Shoemaker and Norris, also with two hits, were big guns in the St. Mary attack.

Five fifth-inning runs and Cline's one-hitter led Salem EUB to its win over Church of the Brethren.

Cline was touched for Brethren's lone run in the opening frame but goose-egged the losers the rest of the way as Salem came up with five runs in the fifth and two in the seventh.

Bernard Lyon spoiled Cline's no-hit bid with a two-out hit in the sixth. Garrison worked on the mound for Brethren, allowing eight hits—five of them coming in the big fifth.

Salem EUB sent 15 players into play in last night's encounter. D. Yake scored twice for the winners, while Smith, Lehner, Williamson, G. Yake and Reece also crossed the plate with Salem runs.

A registered Holstein owned by the North Dakota Agricultural College completed an official production record totalling 13,717 pounds of milk and 463 pounds of butterfat in 365 days.

Moore Rated Top Candidate For Ring Title

NEW YORK (AP)—Archie Moore, the light heavyweight champion, is rated No. 1 contender for the vacant heavyweight title, Hurricane Jackson is No. 2 and Floyd Patterson No. 4 in the latest monthly ratings of ring magazine, released today.

If Moore turns back the challenge of Yolande Pompey in London tonight, the winner of Friday's Jackson-Patterson match will be rated right behind him. If Moore should lose to Pompey he would forfeit also his lofty ranking in the heavy class.

With the top ranking heavies poised for a busy week, the chief shuffle of ratings came in the middleweight class where Gene Fullmer's victory over France's Charles Humez moved the West Jordan, Utah, lad into the No. 1 contender spot.

Bobo Olson, the ex-champ who was flattened for the second straight time by champion Sugar Ray Robinson, was dropped to fourth behind Fullmer, Bobby Boyd and Humez.

The ratings:

1. Archie Moore, San Diego, Calif. 2. Tommy Jackson, New York, 3. Bob Baker, Pittsburgh.

Light heavyweight — Champion, Archie Moore, San Diego. 1. Yolande Pompey, Trinidad, 2. Gerhard Hecht, Germany.

Middleweight — Champion, Ray Robinson, New York. 1. Gene Fullmer, West Jordan, Utah, 2. Bobby Boyd, Chicago.

Welterweight—Champion, Johnny Saxton, Brooklyn. 1. Carmen Basilio, Canastota, N. Y., 2. Tony DeMarco, Boston.

Lightweight — Champion, Wallace (Bud) Smith, Cincinnati. 1. Ralph Dupas, New Orleans, 2. Duilio Loi, Italy.

Featherweight — Champion, Sandy Saddler, New York. 1. Fred Galiana, Spain, 2. Hogan (Kid) Bassey, Nigeria.

First Place at Stake In Commercial League

Mac's Trading Post and K & W Plumbers battle for top spot in the Commercial League tonight at Garfield Park.

Both squads are undefeated in loop action although Mac's tops the loop with a 2-0 mark. K & W Plumbers won its lone league start.

Mac's and K & W clash in the opener at 7 p.m. The second contest sends Marion Merchants, 0-2, against Eagles, 0-1.

Alloy, Clark Squads Register Wins in Pony League Contests

Alloy's Pony League leaders scored single runs in the sixth and seventh to escape with a 9-8 victory over G & G Homes in play last night at Lincoln Park.

It was Alloy's fourth straight victory. Clark Metal moved into second with a 2-2 record by blanking VFW 4-0.

A one-hit mound performance by Rocky Evans of Clark shared the spotlight with Alloy's fourth straight success last night. Evans was working on a no hitter up to the seventh and final frame when Traugh tapped him for a hit. Evans fanned 12 and walked two.

Four third inning tallies proved to be the final difference. The winners were held to only six hits, four of them coming in the third. Ishida had two hits for Clark.

Scoring in all but the third frame, Alloy edged G & G Homes with single runs in the final four innings after tallying once in the first and four times in the second. G & G scored once in the first, three times in fourth and four times in the fifth.

Jim Moody, Lee Whetro and Tom Larkin hurled for the winners, allowing only five hits, striking out seven and walking six. Tom Prichard was the G & G hurler. He permitted 10 hits, fanned six and walked six.

Vance Creviston collected three hits including a home run to pace the Alloy attack. Larkin and Ken Coffae had two hits.

OSU Divers Dominate All-American Selections

PHILADELPHIA (AP)—Ohio State dominated the diving in the 12th annual All-America college swimming team named Monday by the Coach Selection Committee.

The Buckeyes swept the first four places in the low and high board competition. Frank Fraunfelter led the low board men and Don Harper the high board divers.

Al Wiggins, Ohio State junior from Pittsburgh, headed the individual medley swimmers for the second year.

MAN FINED $15, COSTS

Willard Phillippi, 27, of 659½ W. Center St. was fined $15 and costs in Marion Municipal Court Monday. He was charged with disorderly conduct by city police who arrested him over the weekend.

Local C. of C. Opens Drive For Members

Evans, Kreuter Give Addresses at Kickoff, Laud Chamber Work

Kick-off breakfast meeting for the annual membership drive of the Marion Chamber of Commerce held this morning at Hotel Harding was attended by some 60 workers — largest turnout in the history of the local chamber.

Principal speakers for the meeting were LaVerne Kreuter, manager of the Quaker Oats Co. plant here and Glenn Evans, superintendent of the Marion division plant of the Whirlpool - Seeger Corp.

Other speakers included Hugh E. Webster, executive secretary of the Chamber; Jack Lautenslager, assistant secretary; John Zimmerman and Odell Thompson, co-chairmen of the membership drive.

Mr. Kreuter noted that he came to Marion 11 years ago seeking a new location for a new Quaker Oats Co. plant. He found certain disadvantages because of the appearance and condition of the old Marion Stockyards, but after talking to Mr. Webster became convinced of the natural advantages of locating the plant in Marion, Mr. Kreuter said.

Services Continued

In the years since that time, he has found that his plant has continued to receive services from the local chamber through its personnel club, manufacturer's council and industrial safety council, he said. Praising the local chamber, he said it provides more service than any other chamber he has ever worked with.

The Quaker Oats plant was the first new plant to come to Marion after the close of World War II.

Mr. Evans, representing the newest industry to locate here, expressed similar views. He said company officials for Whirlpool-Seeger also came to Marion seeking a new plant site and found the relatively new Marion Industries Plant building was a strong advantage partially offset by certain other disadvantages. But after talking with Mr. Webster, the Whirlpool officials also became convinced that Marion's advantages offset the disadvantages and the decision was made to locate here, he said. Mr. Evans also praised the continuing services of the local chamber's personnel club, manufacturer's council and industrial safety council. "I am the envy of the superintendents of Whirlpool-Seeger's six other plants because of the services which the Marion Chamber of Commerce provides," he said.

Mr. Webster spoke briefly on keeping the membership of the local chamber strong in order that various projects such as the traffic survey and sewer survey and improvements may be continued in the program of "Building to Keep Marion Ahead." He also mentioned that there are prospects for new businesses to locate in Marion but before it may be obtained the sewer, traffic and other projects of the chamber must be carried through and successfully completed.

Three Organizations

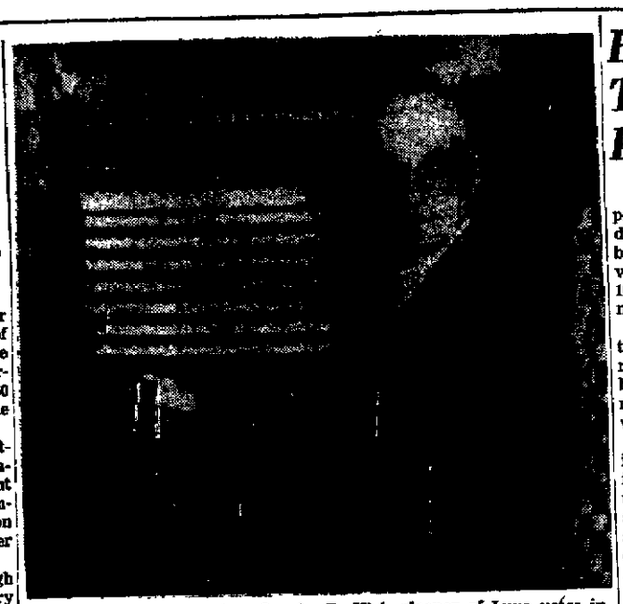
In his opening talk, Mr. Zimmerman also outlined why support of the local chamber is needed and explained that it is actually three organizations in one — a Chamber of Commerce, a Retail Merchants Association and a Community Protection Service which is similar to the Better Business Bureaus established in other cities.

Mr. Lautenslager further explained the community protection service. He said it was established to provide the same service but without the additional cost of setting up a local better business bureau. It serves to protect the community against rackets, schemes and so on just as do the better business bureaus and its services are available to businessmen, their employes and the citizens of the community, he said.

Mr. Thompson pointed out that in 1941 industrial employment in Marion was 3,800 and today, through the efforts of the C. of C., stands at some 13,000.

The meeting was opened by Philip Guthery, president of the Chamber.

Co-Captains of the various membership drive teams are as follows: Downtown district team — George Krohe, Otis Porter and Ernest Brady; Real estate, insurance agents and builders, Team 1 — Roy Holdridge, Joe Davis and J. A. M. Sansotta; Real estate, insurance and builders, Team 2 — Wayne Kuhn and A. W. Granger; Traffic Survey — R. Earl Scott; Professional — Dr. Frank Murphy; Retail merchants — Jerry Davis and John Ewald; and Automobile Dealers — James M. Rankin.



VOTES IN IOWA. Sen. Bourke B. Hickenlooper of Iowa votes in primary election in his home precinct in Cedar Rapids, Iowa. His opponent was Dayton Countryman, attorney general. They are Republicans.

Luncheon Slated Saturday in Honor Of State Farmers

Gov. Frank J. Lausche is scheduled to be the guest speaker Saturday at noon in the YMCA when Marion radio station WMRN honors the 58 recipients of State Farmer degrees awarded at the state FFA convention in Columbus Saturday.

Charles Might, farm director of WMRN, will be master of ceremonies and Philip Guthery, president of the Marion Chamber of Commerce, will welcome the guests.

Five FFA members from Marion County received awards at the convention, including Robert A. Hill, Caledonia; Ralph H. Brown, New Bloomington; Robert L. Lill, near Marion; H. Richard Gix, Prospect; and Thomas F. Issler, near Richwood.

State FFA officers expected to be present include John Poppe, New Bremen, president of the FFA; Fred Isler, Prospect, secretary and Don Thomas, Ostrander, treasurer. Dale Ring of Wooster, one of several national vice presidents of the organization, will also be here, together with Larry Earhart of Milton Union, 1955 state FFA leader.

Soviet

(Continued From Page 1)

ed States still seems groping for adequate answers.

To U. S. officials American security more than ever lies in a solid front of the West. It lies in keeping North Africa out of the clutches of both chaos and communism. It lies in continued access to Middle East resources and lanes of communication. It lies in Southeast Asia, where Britain faces violent Communist trouble in her Singapore bastion. It still lies in maintenance of bases.

The evidence at hand adds up to a conclusion that the Russians still fear the West militarily, that they will avoid a shooting war for a long time to come. They have shifted the emphasis of their drive to economic and political competition without weakening themselves militarily. They have some advantages because of a totalitarian structure. But in the long pull, barring major economic dislocations, the Soviet strategists have brought the cold war to the West's home grounds.

Next: Soviet strength and weakness.

Given Scholarship

KENTON — Charles Chalfin, son of Mr. and Mrs. Lloyd Chalfin, near Kenton, has been granted a full tuition scholarship in the college of engineering at the University of Cincinnati. He was president and salutatorian of the 1956 class of Kenton High School.

Man Dies After Fall

CINCINNATI (AP)—George Foote, 81, died in St. Francis Hospital Monday night of injuries suffered a few hours earlier in a fall on stairs at his home in suburban Fairmont.

Returns to Depot

Lt. Col. Samuel H. Duerson

Reassignment of Lt. Col. Samuel H. Duerson to the Marion Engineer Depot was announced today by Maj. G. H. Lemke, adjutant at the depot. Lt. Col. Duerson previously was assigned to the Marion depot from August, 1951 through September, 1953. During the last two-year period he served in Korea and later was assigned to the North Atlantic Division at Plattsburg, N.Y. He has been assigned as assistant for supply operations here. Returning with him are his wife, Sarah and two sons Hardy, 13 and Bruce, 10. Maj. Lemke also announced reassignment of two other officers at the depot. Maj. George R. Goodrich is now executive officer. He formerly was assistant for supply operations. Maj. Harry W. Horton, formerly executive officer, is now assistant for supply operations.

California

(Continued From Page 1)

Dakota. He faced token opposition only in Montana—where perennial candidate Lar Daly of Chicago challenged him. Eisenhower long ago cornered more than enough delegates for renomination.

Kefauver stood to pick up 16 Democratic convention votes in Montana and eight in South Dakota. He was unopposed in either contest, although write-ins were permitted in Montana.

In California, Kefauver wound up with a swipe at both Eisenhower and Stevenson. He said the nation suffers from "a lack of leadership" and "absence of a responsible person at the top." He accused Stevenson supporters of spreading false rumors that Kefauver would accept the No. 2 spot on the party ticket.

Cites His Record

Stevenson closed his campaign with a television talk in which he said his record as governor of Illinois had been "deliberately distorted" during the frequently bitter primary fight. He said his "records speak louder than the words" of Kefauver.

In Springfield, Ill., Monday the Democratic State Convention chose 28 half-vote national convention delegates, but took no action to pledge them to a specific candidate. Fifty full-vote delegates were chosen in an April primary.

Rhode Island Democrats Monday night picked a 16-vote delegation to the convention. Though officially unpledge, most were expected to go to Stevenson.

The two Wisconsin Republican senators, Wiley and McCarthy, tangled in an argument on the Senate floor Monday over Wiley's charges that "king makers" and "Eisenhower haters" in Wisconsin engineered his rebuff by a GOP state convention last month.

The convention endorsed Rep. Glenn Davis of Wisconsin for Wiley's seat in a Sept. 11 primary test. Wiley said Davis was persuaded to run after being promised a $150,000 "Jackpot" for the campaign.

McCarthy called this an insult to Davis and told Wiley "rank and file Republicans" had repudiated him after deciding Wiley was "not a good senator."

If a growing child ate as much according to his weight as a growing bird he would consume three lambs and a calf in a day.

Businessmen To Talk Over Parking Plan

Feasibility of a "pigeon-hole" parking garage in Marion will be discussed at a meeting of members of the Retail Merchants Division to be held Wednesday at 10 a.m. in the Chamber of Commerce offices on S. Main St.

Bert Freed, chairman of the Retail Board of Managers, said a representative of the firm which builds the garages will attend the meeting to present cost figures as well as other data on them.

The pigeon-hole parking garage is a relatively new type of building developed to obtain maximum use of limited land area for off-street parking. Built of structural steel, the garages usually have an open frame work in which there are stalls for each automobile to be parked.

The building itself is no wider than the automobiles are long, but it may be several stories high and as long as the lot on which it is located permits.

Automobiles parked in the garage are placed in the stalls by means of an automatic elevator which raises to the proper floor level then moves along the side of the building to an empty stall, deposits the car in it and returns to the front of the building for another car.

The parking committee of the retail merchants group has been discussing the problem of more off - street parking in downtown Marion for some time now, Mr. Freed said.

Also under consideration is the feasibility of purchasing additional land in the downtown area and paving it for use as public parking lots, he said.

Mr. Freed said that construction of the garage or purchase of the additional land for parking lots would have to be undertaken by the city with the retail merchants possibly underwriting a portion of the cost.

Ultimate recommendation of the parking committee will be based on which plan is the most economical—the additional lots or the pigeon-hole garage, he said. If the garage were found most feasible, "we'd like to see it built on the city parking lot at S. Prospect and W. Church Sts.," he said.

School Post

(Continued From Page 1)

Bowsher, 65, a former state superintendent of public instruction (1935-37), is the oldest of the group being considered. He attended Ohio University and Ohio Northern and has degrees from Defiance College, University of Michigan, Ohio State, Ashland College and Bowling Green State University. He was superintendent of Waverly schools (1914 - 20), of Wauseon schools (1920 - 27) and Ashland schools (1927-35).

Miller at 42 is youngest of the six. He holds degrees from Wilmington College, Miami University and Ohio State University. After teaching in Butler County schools, he became executive head of Morgan Twp. schools from 1940 until 1942. He held similar posts at Seven Mile, Butler County (1942-45) and Wintersville, Jefferson County (1945-47). He was assistsuperintendent of Canton city schools (1949-51) and superintendent of Warren schools (1951-54).

Eibling, 51, was superintendent of Liberty Twp. school, Findlay 1929-36) after serving there as teacher and high school principal. He was superintendent of Maumee public schools (1936-47), Elyria public schools (1947-49), Akron public schools (1949-50) and Canton public schools 1950 to present. He has degrees from Ohio Northern and Ohio State.

Hill, also 51, went from Jeffersonville, Fayette County, where he was principal and teacher in 1927-28, to Muhlenberg School, Pickaway County, where he was superintendent from 1928 to 1930. He was superintendent of Carroll School, Fairfield County (1930-34), and Galion schools (1936-41) after serving as principal of Galion School for two years, Upper Arlington schools (1943-51) and Cleveland Heights 1951 to present. He was assistant state superintendent of public instruction 1941-43.

He has degrees from Ohio University and Columbia and also attended Ohio State.

Here Eight Years

Holt, 54, was superintendent of schools at Georgetown (1925-32), Hillsboro (1932-40), Marion (1940-48) and Springfield 1948 to present. He started as a teacher in Eagle Twp., Brown County in 1921, later becoming teacher and executive head of the school at Higginsport, Brown County (1922-25). He has degrees from Wilmington College and Miami.

Prior to his appointment as head of the state department of education in 1954, Eyman was assistant superintendent of public instruction, a job he held nine years. Before 1945 he has superintendent of Fairfield County Schools for 17 years starting in 1928. He holds two degrees from Ohio State.

Placed in Cast

GALION — Alfred T. Williams, 42, of Cleveland, whose automobile left South State Rd. on Decoration Day when he lost control, has been placed in a body cast at Community Hospital. He received an injured vertebrae of the lower back.

Man Confesses Holdup Killing

Beat Atlanta Clerk In Robbery of Payroll

CLEVELAND (AP)—A Florida Negro who police said admitted killing an attractive secretary in a $2,400 payroll robbery in Atlanta, Ga., was being held without charge today pending arrival of Georgia authorities.

Capt. David E. Kerr, chief of the Cleveland homicide unit, said Don Mitchell, 25, of Miami, admitted in a signed statement Monday night that he killed Mrs. Inez Johnson, 30, with a hammer last Friday in the office of the Ingram Mantle and Tile Co. in downtown Atlanta.

Mrs. Johnson was slain as she worked alone on the payroll during the lunch hour.

Mitchell denied any connection with the robbery-slaying when apprehended here early Monday on a tip from Atlanta police, but broke down after day-long questioning, Capt. Kerr said.

Mitchell was arrested in a diner near an East Side hotel after police had been informed by Atlanta authorities that a telephone call Mitchell had made to relatives in Atlanta was traced to the hotel.

Detectives Harold Boyett and James Brewer, who took Mitchell's statement, said they found $470 in the hotel room he had occupied. The money was wrapped in a pillow case, they said.

Alcohol Sales By Stores Hit

The Marion County Ministerial Association has decided to go on record against the sale of alcoholic beverages in food stores.

At its final meeting of the season Monday at the YMCA, the association instructed its social action and executive committees to prepare, on behalf of the association, an open letter disapproving the carry out sale of alcoholic beverages in groceries.

The pastors were urged to write letters individually to grocers voicing similar opposition. Rev. Lynn Harris presided during the business session.

Discussion was held on the possibility of sponsoring a weekly devotional meeting at Marion General Hospital for members of the staff who might be interested in such a service on the interdenominational level.

It was recommended also that the association go on record as upholding the ruling of the United States Supreme Court on desegregation and that Marion employers be encouraged to hire workers regardless of color, race or creed.

Appreciation was expressed for work of the teachers of the Weekday Religious Education program in the public schools and churches were urged to support the budget by which the Marion County Council of Churches carries on the project. Rev. Harris expressed his thanks to the association for cooperation with him as president during the year and Rev. C. R. Wendell gave for the group appreciation of leadership of the officers. The devotions were by Rev. Myers F. Bost of Lee Street Presbyterian Church. Closing prayer was by Rev. E. W. Smillie of the Christian and Missionary Alliance Church. The association will resume meetings in the fall.

Stalin

(Continued From Page 1)

In the view of American officials, the major meaning of the Khrushchev speech is that the Soviet system of government is unstable. They say that since Stalin could do the things which Khrushchev attributed to him in sensational detail, some other ruthless and ambitious man in the future might also gather power into his own hands and establish a Stalinist dictatorship.

Khrushchev accused Stalin of direct responsibility for the deaths of thousands of "loyal Communists" whom he described as victims of a reign of terror. He said Stalin had destroyed the principle of collective leadership which Lenin had set up.

Khrushchev also said Stalin bungled the conduct of the war, costing the lives of hundreds of thousands by bad strategy and by failure to prepare for the conflict with Germany.

Gasoline Prices Up One-Half Cent

An increase of one-half cent a gallon in the price of gasoline was announced here today by three oil companies. They were: the Standard Oil Co. of Ohio, the Sun Oil Co., and the Ohio Oil Co.

The price change became effective at midnight Monday, a spokesman for one of the companies said.

The price change brings the price of regular gasoline up to 28.4 cents a gallon and premium gas up to 31.4 cents a gallon.

Reason given for the change was a general increase in gasoline prices at refinery and retail levels throughout the eastern United States which industry spokesman say is the result of "material improvements in gasoline quality."

MRS. FLETA HANKEL
Pearl Street Instructor

MRS. OLA K. MOORE
Oakland School Teacher

Pair Retires

Two Teachers Closing Lengthy Careers Here

When the doors of the Oakland and Pearl Street Schools open again in September, two familiar faces will be missing from their respective faculties. Mrs. Ola K. Moore, of Oakland Heights School, and Mrs. Fleta Hankel, of Pearl Street, are retiring after a combined 69 years of teaching, all in Marion City and County schools.

Mrs. Hankel began teaching in 1925 and has spent nearly all of 35 years in the profession in the second and third grades of both the former Lincoln School and at Pearl. She plans to "enjoy" herself in years to come and give more time to her hobby of gardening.

Mrs. Moore has spent 34 years in the profession and counts this as her "second retirement." She gave up teaching once before but the critical teacher shortage in Marion induced her to take up the duties once again. Mrs. Moore holds a lifetime elementary teaching certificate.

Mrs. Moore resides at 588 Cleveland Ave and Mrs. Hankel resides at 532 S. Prospect St.

Traffic Cases In City Court

Illegal parking on the highway: Nev Toler, 36, of Lindberg Ave., $20 and costs; E. R. Rogers, 28, of Cardington, $20 and costs; R.P. Vichas, 23, of 203 N. Main St., $15 and costs; J. J. Gaster of 211 Carhart St., 20 and costs; B. D. Kilgore, 31, of 312 N. Greenwood St., 20 and costs; D. K. Poling, 28, of Columbus, $15 and costs.

Crossing over a yellow line: Clayton Cutting, 20, of Columbus, $15 and costs; M. R. Stover, 31, of near Mount Sterling, $15 and costs.

Reckless driving: B. B. Akers, 28, of Mount Blanchard, $15 and costs, R. E. Carr, 24, of 415 Thompson St., $15 and costs.

Speeding: Clyde L. Daniels, 30, of near Marion, $15 and costs; L. J. Clark, 18, of 139 Cayuga St., $15 and costs; D. L. Ashley, 20, of near Wheelersburg, O., $20 and costs.

Miscellaneous: Clyde Willey, 30, of near Prospect, $15 and costs (fine suspended), permitting a minor to drive a motor vehicle; Richard Blevins, 37, of 472 Lee St., $15 and costs (fine suspended), no driver's license: J. L. Walter, 32, of near Sycamore, $15 and costs, no mud flaps, and $10 and costs (fine suspended), no turn signals.

Soil Bank

(Continued From Page 1)

"To the end that I am able I intend to see that the nation gets a dollar's worth of surplus reduction or a dollar's worth of conservation for every dollar paid out," he said. "We should not also load upon the program responsibility for drought relief, flood relief and credit needs."

Crop Unit Rate

The administration had proposed to determine the size of payments for underplanting allotments by multiplying the normal yield of the idled acres by a crop unit rate. These rates have been set at 90 cents a bushel for corn, $1.20 for wheat, 15 cents a pound for cotton and $2.25 a hundred pounds for rice. No rates have yet been set for peanuts and tobacco.

Thus a farmer who ploughed up 10 acres of corn having a normal yield of 50 bushels an acre would get a soil bank payment of 500 times 90 cents or $450.

But under a payment method tentatively adopted for this year, the yield of ploughed-up land would not be based on the normal figure, but on an appraisal of the crop outlook at the time the farmer applied.

Thus if a field which normally produced 50 bushels was appraised at 20 bushels because of adverse weather, the payment for ploughing under each idled acre would be 20 times 90 cents or $18. That would be only $180 for 10 acres.

Park Board To Study Program for Summer

The Marion City park board will make final plans for the summer operation of city parks at its monthly meeting tonight at 8 in the City Hall building

Among action to be discussed by the board will be the distribution of 80 picnic tables recently constructed by the Y Men's Service Club to the city parks.

Local Traffic Body To Hear Two Engineers

Second meeting of the joint traffic committee to be held at 8 p.m. tonight at City Hall will be attended by Dean Roberts of the local engineering firm of Browne, Roberts and Associates and Milo B. Richey of the State Department of Highways.

Safety-Service Director R. Guy Bigelow, a member of the joint committee, said today that he had received confirmation that both men will be present.

Mr. Browne was the engineer who directed the preparation of an arterial highway report. Mr. Richey is in the highway department division office at Delaware.

Mr. Bigelow today received a letter from John J. Heier, deputy director of the division of planning and programming of the State Highway Department, reporting that a review of the arterial report by the Federal Bureau of Public Roads should be completed soon. Mr. Heier said that the arterial report is being studied in the Washington and Hagerstown, Md., offices of the federal bureau.

Comments on the arterial report by the state highway department have been withheld pending comments of the federal bureau.

The joint committee plans to meet each Tuesday and Thursday night through June 21 to attempt to formulate some recommendation to present to City Council concerning what, if any, construction proposed by the arterial report should be undertaken and if so how it is to be financed.

If a bond issue or tax levy is to be placed on the November ballot for this purpose, Council must adopt necessary legislation by its June 25 meeting.

With Insurance Firm

Charles E. Kincaid of LaRue, who has been appointed representative of the Farmers and Traders Life Insurance Co. of Syracuse, N.Y., is an agent of Douce and Co. Inc, which is a member of the Yocom Agency of Wooster.

Boy Bitten by Dog

Gary Roberson, 15, of 117 E. Walnut St. was sent to Marion General Hospital Monday after noon for treatment of a dog bite suffered while he was delivering newspapers on Windsor St. He was released after treatment for the bite on his leg.

DIVORCE NOTICE

Betty Jane McIntyre, whose last known address was 549 Dalt Blvd., West Minister, Maryland, will take notice that on the 4th day of June, 1956, the undersigned filed his petition against her in the Court of Common Pleas of Marion County, Ohio, praying for divorce, and other relief on grounds of gross neglect of duty. Said cause will be for hearing on or after July 19, 1956.

Marion Area Auto Mishaps

Eight minor no injury traffic accidents were investigated Monday by Marion police. No accidents were reported by the State Highway Patrol.

Three cars were involved in a collision at E. Center St. and Reed Ave at 10:11 p.m. They were driven by R. G. Chamberlain, 19, of 604 Irey Ave., John E. Smith, 29, of 755 Creston Ave., and J. A. Fix, 16, of near Marion, police reported.

A car driven by Mrs. Herman Rinehart, 41, of 747 Davids St. was struck from the rear of the 500 block on Bellefontaine Ave. at 3:45 p.m. The other car was driven by W. E. Snyder, 24, of Keytown Camp, police reported.

Cars driven by P. D. Robinson, 77, of 826 Woodrow Ave. and A. B. Crawford, 41, of 374 Windsor St. collided at S. Main and Columbia Sts. at 5:27 p.m., police said.

A truck driven by D. L. Richardson, 27, of near Caledonia was struck from the rear in the 400 block on Leader St. at 5:28 p.m. by a car driven by Pearl D. Aldrich, 16, of 457 Bartram Ave., police reported.

Each of the other four accidents in the city caused less than $100 total damage, police estimated.

Brink's

(Continued From Page 1)

contracting firm office and ripped out the false paneling of a wall bearing portraits of Abraham Lincoln and George Washington.

Behind the panel, wrapped in newspapers and plastic bags and stored in an old refrigerator they found $90,000. Raiders said the money was moldy and rotting and gave appearance of having been buried. The newspaper wrapping was dated Dec. 11, 1955.

Police said Perry, who claimed to have found his money in the foundation of a Boston house two months ago, is free on $10,000 bail in connection with a $7,500 payroll robbery last September.

Awaiting trial as participants in the Brink's robbery are Joseph (Specs) O'Keefe; Stanley Gusciora, 36; Thomas F. Richardson, 48; James I. Faherty, 44; Henry Baker, 49; Adolph (Jazz) Maffie, 44; Joseph F. McGinnis, 52; Vincent J. Costa, 41; Michael V. Geagen, 47; and Anthony Pino, 48.

Baker, Maffie, McGinnis, Costa, Geagen and Pino were arrested last January. O'Keefe and Gusciora already were in custody for other crimes, the latter in Pennsylvania. Richardson and Faherty were arrested last month. An 11th member of the alleged gang, Joseph S. Banfield, died a year ago.

Seventy-three per cent of the United States has been mapped by the Geological Survey.

ORDINANCE NO. 6057

ORDINANCE AUTHORIZING THE SAFETY-SERVICE DIRECTOR TO ADVERTISE FOR BIDS FOR SERVICES IN CONNECTION WITH THE BILLING OF THE SEWER RENTAL CHARGE AND TO ENTER INTO CONTRACTS THEREFOR, AND DECLARING AN EMERGENCY.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Marion, State of Ohio:

Section 1. The Safety-Service Director is hereby authorized and directed to advertise for bids for services by a competent contractor to perform the following services in connection with the Sewer Rental Charge provided for by Ordinance Number 6040; and to enter into contracts therefor:

1. Obtain from The Marion Water Company a list of 10,541 (Water Company count) customers now being billed for water, and prepare metal addressing plates in house number sequence therefor.
2. Submit this list to the City for the elimination of those water customers not connected with City sewers.
3. Obtain from the City a list of those residents connected to the City sewer, but not customers of Marion Water Company, and prepare metal plates for these customers to be added to the basic list.
4. Each month, prepare a galley (twenty names and addresses per sheet) of the established list of sewer service customers.
5. Send a clerk or clerks with this list to the Water Company at an appropriate date to take off from the Water Company's meter reading books the water consumption for one-half of the residential customers whose meters were read during that month, and all commercial and industrial customers.
6. Each month, working from a chart to be approved by the City, convert the water consumption to sewer service charge billing dollars—these figures to be placed opposite the consumption on the galley for the month.
7. Purchase and furnish the approximate 6,000 two-cent postcards required for the month's billing.
8. Print and perforate these bills in an appropriate form, similar to Water Company bills.
9. Imprint on the bills the amount of the footage or the word, "Min", and the amount of money shown by the galley, at the same time preparing an adding machine tape for proof purposes, which is a carbon copy of the postcard bills.
10. Reconcile proof tape total to galley total.
11. Deliver the completed bills in street number sequence and completed galley to the City.
12. Promptly make any changes to the list of customers indicated by changes in the Water Company's record books.

Section 2. That said bids shall be based upon a one (1) year contract and if a contract is entered into it shall be for one (1) year.

Section 3. Said bids shall also include the price upon which the metal addressing plates and the special billing machine will be sold to the City at the end of the one year contract if the contract at the end of one year is not renewed with the successful first year bidder.

Section 4. This Ordinance shall be declared to be an emergency measure in that it provides for the safety, health and welfare of the citizens of Marion, Ohio, and for the further reason that there is an immediate need for said services in connection with the Sewer Rental charge, and as such emergency shall take effect and be in force immediately upon its passage and approval by the Mayor.

Unique Campaign

By Victor Riesel

It can happen here.

Good will among men need not wait for the season of holly or the regeneration of a Scrooge. Men from both sides of this business of earning a living are sitting down right now — out of season — to map the fight against "racketeering, profiteering and other improper practices" in the operation of multi-billion dollar health and welfare funds.

VICTOR RIESEL

This is no negative fight. Under the skilled direction of a leader of labor and a leader of industry, a new foundation has been organized not only to fight the racketeers but to give families of millions of workers a fuller and healthier life.

-:-

THIS TRAIL-BLAZING set - up will not compete with the medical profession. It can be the answer to the kind of socialized medicine that is strangling Great Britain with its umbilical cord of red tape stretching from the ponderous "health committees" on top down to the local general practitioners.

The unique experiment is being jointly launched by Al Hayes, president of the million-member International Association of Machinists, and John I. Snyder Jr., president of U.S. Industries, Inc. It can head off the bitter pill of a massive governmental medical bureaucracy.

The organization is called the Foundation on Collectively-Bargained Health and Welfare Plans. From special headquarters in Washington and New York, it is launching a two-pronged attack—to give workers the widest possible coverage at the lowest possible cost and to keep the mobsters' mitts out of the till.

-:-

UNDER HAYES AND Snyder, the foundation will "determine how to run such a program (health and welfare plans) most efficiently and economically, and to keep it free from any taint or suspicion of racketeering, profiteering or any other improper practices."

The foundation also will "develope plans for the broadest possible range of health and welfare benefits. . . (and) decide how to make these benefits available at the lowest possible cost."

This is a venture into preventive medicine. It will provide such rare services as psychiatric care, ophthalmic treatment and dental care for American working Joes and their families.

National impact of this experiment will spring from the fact that it can save literally millions of dollars in wages and profits caused by waste, inefficiency and accidents. Hayes and Snyder believe that improved morale and health resulting from this expanded coverage will "reduce absenteeism and increase productivity."

-:-

THIS IS NO PAPER organization, born in a publicity release and then left to die in some dusty office file. Full-time staffs and consultants will direct the operation out of the two headquarters.

Theodore Kheel, noted New York labor relations attorney, blueprinted the plans for the foundation. Martin E. Segal and Co., an insurance consulting firm which already administers over 500 welfare plans, is the technical adviser.

Eventually the foundation will be run by a combination of national labor leaders and such prominent businessmen as one of the Rockefellers. Government and public officials will also serve on the board of trustees under the co-chairmanship of Hayes and Snyder.

While its first aim is to serve the IAM and U.S. Industries in their collective bargaining for 5,000 machinists, the foundation will make its studies and findings available to other companies and other labor organizations.

-:-

THE EFFECT OF this jointly-financed project will be felt all over the country, for U.S. Industries has 12 plants across the nation. These are in Chicago, Los Angeles, St. Louis, Hamilton, O., Longview, Tex., Tomahawk, Wis., and Rockford, Ill.

There the firm operates an ordnance plant for the government. U.S. Industries' products range from oilfield equipment and huge hydraulic metal-forming presses to high precision aircraft parts.

You can bet Hayes will make certain that the findings of the foundation are passed on to responsible labor chiefs. The machinists president has a special interest in protecting welfare funds for he is also chairman of the AFL-CIO's Ethical Practices Committee.

-:-

HAYES WILL BE responsible for moving against unethical union leaders exposed by the Senate Sub-Committee headed by Paul Douglas of Ill., which recently probed union welfare funds.

Thus from the foresight of one company and one union, concerned with the well-being of 5,000 workers, comes a precedent that can affect some 12,000,000 American breadwinners and their families now covered by union welfare funds.

It means broader coverage, at low cost, without government participation. It means that there is a way to run the nation's $20,000,000,000 welfare funds — now growing at the rate of $5,000,000,000 a year—for the benefit of all.

It obviously can happen here.

Little Mysteries

By Hal Boyle

NEW YORK — Life is full of little mysteries, and it puzzles me—

Why so many horse players insist they are ahead of the game when they really aren't.

HAL BOYLE

Why, when people get a lot of money, they worry more about it than when they had little or none.

Why brides who insist on a double ring wedding ceremony don't also give their fiances engagement rings.

—:—

WHY A CHILD would rather play in a mud puddle than in a schoolyard full of swings and slides.

How a young spider can learn to spin a beautiful web without once being spanked by its parents.

How a wife will refuse to ride in an airplane by herself, but is glad to make the trip if her husband goes along.

Where city pigeons go to die. You rarely see a dead one in the streets.

Why doctors get more business from women, but undertakers get more from men.

—:—

WHY A GIRL in a Bikini swimsuit doesn't feel properly dressed without fresh toenail polish.

Where the expression arose "It's raining cats and dogs." Anybody ever really see this happen?

How a motorcycle owner is always able to find a pretty girl to ride on the rear seat.

(The Associated Press)

U.S. Can Join Canada In Sea Lamprey Fight

WASHINGTON (AP)—The United States now can join Canada in a program aimed at ridding the Great Lakes of the fish-killing sea lamprey.

President Eisenhower signed a bill Monday allowing the United States to carry out its responsibilities under a Great Lakes Fisheries Convention signed by this country and Canada Sept. 10, 1954.

A commission of three U.S. and three Canadian members will have the job of finding ways to eliminate the eel-like lamprey which has killed almost all the trout in Lakes Huron and Michigan.

The parasite also is killing trout in Lake Superior.

Marshall Asks Recount

CLEVELAND (AP) — Cleveland Councilman Harry T. Marshall has called for a recount of 400 scattered precincts in eight counties to check on the May primary vote count which showed him losing the Republican nomination for attorney general by 3,371 votes. William Saxbe of Mechanicsburg won the nomination. Included in the recount will be precincts in Franklin, Clark, Montgomery, Butler, Scioto, Mahoning, Lorain and Summit counties.

Nobel Prize Scientist Reports Viruses May Be Cancer Cause

By ALTON L. BLAKESLEE
Associated Press Science Reporter

DETROIT (AP)—A Nobel Prize scientist today said he thinks viruses cause most or all cancers, including human.

The evidence is all logical, and it is increasing, said Dr. Wendell M. Stanley, University of California virologist.

He urged a wholly new attack against cancer from this theory. It could lead to vaccines to prevent cancer, like a Salk vaccine against polio virus, and new ways to cure it.

It is possible that all of us are walking around with "sleeping" cancer viruses, Dr. Stanley said. We might even "catch" noninfectious doses of viruses from other healthy people. But he stressed that you cannot "catch" cancer itself from another person. Cancer itself is not contagious.

The cancer viruses wouldn't do us any harm, until and unless something made them become active. The something could be aging, changes in hormones, dietary faults, chemicals, radiation, or other things, or a combination of them.

Far from being a scary idea, the virus theory opens the way to new experiments to find methods of controlling cancer, Dr. Stanley told the third National Cancer Conference. The conference, attended by 1,200 physicians and scientists from the United States and 23 foreign countries, is sponsored by the National Cancer Institute and the American Cancer Society.

Dr. Stanley won a Nobel Prize for the first purification and crystallization of a virus. He heads the Laboratory of Virus Research at California.

Opening Bible School Class Attended by 335

Approximately 335 children and workers were present for the first session of the Daily Vacation Bible School at Emanuel Lutheran Church Monday morning.

The Bible School, under the supervision of Mrs. James Gast, will continue each morning, Monday through Friday, through June 14. Classes are held from 9 to 11:30 a.m. daily. Final exercises of the school will be Friday night, June 15, at the church.

News of the District

Crestline

John C. Garverick, son of Mr. and Mrs. Oried Garverick, will be ordained into the gospel ministry of the American Lutheran Church Sunday at 3:30 p.m. in Trinity Lutheran Church here.

Mr. Garverick is a graduate of Crestline High School and of Capital University. He served as a student pastor at Emanuel Lutheran Church in Seguin, Tex., in 1954 and as assistant pastor at St. Paul Lutheran Church in Columbus last year.

Rev. John O. Lang, pastor of the Columbus church, will deliver the sermon and will be ordaining minister. Rev. John A. Sein, pastor of the local church, will be liturgist. Mr. Garverick will leave June 17 for Houston, Tex. where he will form a new congregation.

—:—

The June meeting of the Past Councilors Club of Good Hope Council Daughters of America was held Friday night at the home of Mrs. R. L. Hoffman with Mrs. Charles E. Snyder and Mrs. John Minick as co-hostesses. Officers were elected. They are Mrs. Paul Jeffrey, president; Mrs. Harold Harris, vice president, and Mrs. Hoffman, secretary.

Pinochle and rook were played with pinochle prizes going to Mrs. David Shennefield and Mrs. Howard Miller and rook prizes to Mrs. Homer Schwert and Mrs. Alva Gore. The meeting was the last until September.

—:—

All teachers in the elementary schools here honored Miss Emma Winters, second grade teacher at the Central School who resigned after long service to the schools. The luncheon was at the YMCA. Miss Edna Smith was mistress of ceremonies.

Sycamore

The luncheon for the Methodist WSCS was served Thursday by Circle 10 with Mrs. Ralph Babcock the chairman.

Mrs. D. A. Mick presided at the business meeting when the officers for 1956-57 were installed by the pastor, Rev. A. M. Bosler. The newly installed president is Mrs. Edgar Wolford; vice president, Mrs. Robert Britton; recording secretary, Mrs. Frank Teal; treasurer, Mrs. Harold Moorhead; assistant, Mrs. Stanley Dutcher; secretary of promotion, Mrs. Paul Curlis; secretary of student work, Mrs. Harry Ludwig; secretary of missionary education, Mrs. Joseph Worthington; secretary of Christian social relations and local church activities, Mrs. Charles Barton and Mrs. Steve Mawer; youth secretary, Mrs. William Honsberger; secretary of children's work, Mrs. Robert Hufford; secretary of literature, Mrs. Minor Kirby; status of women, Mrs. Mick; secretary of supply, Mrs. Stanley Dutcher and Mrs. Moorhead with Mrs. Teal, Mrs. John Hudgins Jr., and Mrs. Allen Sampson assistants; and secretary of spiritual life, Mrs. Hugh Davis.

Mrs. Wolford appointed the following committees: program, Mrs. Britton, Mrs. Worthington, Mrs. Barton; Mrs. Mawer, Mrs. Davis, Mrs. Kirby and Mrs. Mick; finance, Mrs. Barton, Mrs. Mawer, Mrs. Moorhead, Mrs. Albert Ohl and Mrs. Worthington; advertising Mrs. Claude Beitler, Mrs. Mawer and Mrs. Boyd Dunn; card and gift, Mrs. Mick, Mrs. Paul Curlis and Mrs. Beitler.

An ice cream social will be served by the society June 27.

The devotions were led by Mrs. Harry Ludwig and the lesson was presented by Mrs. Harrison Van Gundia and Mrs. Hugh Davis.

—:—

Word has been received of the birth of a daughter, Cynthia Lynn, to Mr. and Mrs. James Ankney of Orlando, Fla. Mr. Ankney formerly lived in Sycamore and he is the nephew of Edgar Wolford.

Nevada

Mrs. Alice Benson was hostess for the meeting of the Helping Hand Club Friday night with 11 members present. A program was presented and refreshments served by the hostess. June 8 is the time of the next meeting at the home of Mrs. Lillie McClintock.

—:—

The Eastern Star Sewing Circle held its meeting with Mrs. Junior Miller Thursday with 10 members answering roll call with "My Hobby." A motion was made to present a gift to the chapter for the Golden anniversary in September. Refreshments were served by the hostess and co-hostess, Mrs. Elmer Lininger. The June meeting will be held at the home of Mrs. Marguerite Ellis in Bucyrus.

—:—

A community vacation Bible school will be conducted by the churches of Nevada beginning this week. Sessions of the Bible school will be held each morning from 9 to 11:30 a.m. for two weeks until June 15. The four departments are the nursery or pre-school, the first and second grades, third and fourth grade and fifth and sixth grades. Seasons will feature handwork, games, dramatics and Bible study. Rev. K. R. Roberts pastor of the Lutheran Church will act as director and Rev. A. B. Johnson of the Methodist Church will act as assistant.

Galion

Announcement has been made by Mr. and Mrs. Floyd Steffee of Galion, of the marriage of their daughter, Barbara Ann, to Jack Lee Ball, son of Mr. and Mrs. Everette Ball of Crestline.

After a short wedding trip the couple will reside in Crestline. They were married Friday at 8:30 p.m. by Rev. John Scern, pastor of Trinity Lutheran church, Crestline. The attendants were Mr. and Mrs. Jerry Kelson, brother-in-law and sister of the bridegroom.

The former Miss Steffee was a member of the junior class of Galion High school during the past year. Mr. Ball is employed by the Pennsylvania Railroad Co.

—:—

The Galion High School class of 1906 which edited the first year book and gave it the name of "The Spy" met for a 50th anniversary party Saturday night. It was the first reunion of the class in 50 years, and was held at the Galion Country Club.

Sixteen members were present, several with husbands and wives, as well as two former teachers of the class.

With Dr. Mart Helfrich of Galion as toastmaster the evening's program included talks by each member present. The class prophecy as written in 1906 was read by Mrs. Edna Lowe Kirk of Cleveland; the In Memoriam was given by Mrs. Blanche Keiffer Eichhorn of Solon; a group of songs were sung by Miss Sylvia Colmery of Dayton; the old class yell was led by Russell James of Western Springs, Ill., and group singing was enjoyed.

Communications from unattending members were ready by Msis Minnie Kreiter of Galion. These included messages from two former teachers, Professor C. E. Bryant and his wife of Brookfield, N.Y. and Professor D. E. Shaffer who is in Florida.

Classmates were Russell James and his wife of Western Springs, Ill.; Mrs. Edna Lowe Kirk of Cleveland; Herbert Baker of Upper Sandusky; Mrs. Blanche Keiffer Eichhorn of Solon, Mrs. Vassar Dressler Moore and her husband, John, of Medina; Mrs. Ethel Adair Murphey of Willoughby; Miss Gertrude Sutter of Cleveland; Miss Sylvia Colmery of Dayton; Mrs. Lena Monroe Snyder of Akron; Mrs. Grace Slagle Day and her husband, H. Glen Day of Lakewood; Dr. Mart Helfrich, and his wife, Miss Minnie Kreiter, Mrs. Norma Snyder Jenkins and her husband, John, Horace Freese, Mrs. Hazel Brown Bayer and her husband, E. J. Bayer, and Miss Clara Manzer, all of Galion. Two former teachers present were Miss Mary Mather of Galion, and Professor S. M. Miller of Wooster.

The committee in charge of arrangements was composed of Mrs. J. A. Jenkins, Mrs. Bayer, Mrs. Eichhorn, Dr. Helfrich, Miss Manzer, Miss Kreiter and Miss Sutter.

Bucyrus

The Webelos achievement award, the highest rank in Cub scouting, has been presented to Mark Strauch, son of Mrs. Carlos Krausz and a member of Pack 119.

The award is the only Cub Scout honor which may be worn on a Boy Scout uniform. To be eligible for the award, the applicant must have received the Lion award, be at least 10½ years old and have a desire to become a Boy Scout.

Pack members receiving their Lion patches included Fred Schrier, Scotty Painter, Danny Beattie, Harold Trout, Anthony Marks and Ralph White. Cubmaster is Edward Schrier.

Today's Doctors agree . . .

It's not how long you sleep . . . but how well!

and we believe that today's most practical aid to deeper, sweeter, more relaxing slumber is . . .

Here's some of the reasons why your Best Days START THE NIGHT BEFORE . . . with AIR FOAM

Relaxes tension zones — The natural uplift of Airfoam buoys up tense muscles, permits complete relaxation.

Firm support all-over—Strongest where weight is greatest, the Airfoam mattress "floats" you to sleep on an even keel.

Avoids rest-wrecking allergies—Airfoam can't generate dust, lint and fluff to excite common allergies, rob you of sleep.

Stays fresh, smooth, without turning — Airfoam "breathes" fresh air with every motion—stays inviting, sleep-inducing.

Holds shape for life — Scientifically molded all-one-piece, there is nothing in Airfoam to loosen, sag, snag or break down.

Party Plans Preconvention Platform Job

Democratic Group Will Seek Agreement On Civil Rights Issue

CHICAGO (AP) — Democratic Chairman Paul Butler says the party's Platform Committee will convene a week before the 1956 national convention "to get substantial agreement on civil rights."

He told a news conference Monday he is confident a civil rights plank acceptable to Northern and Southern Democrats will be drawn up during the preconvention deliberations.

No Difficulty Seen

Democrats, Butler declared, "will not have any difficulty with the platform."

The drafting committee will meet Aug. 6, one week before the convention opens for business Aug. 13 in Chicago's International Amphitheatre.

Butler said it was "the first time in party history" that the Platform Committee would meet a full week before the convention opened.

"It is expected," he said, "to get substantial agreement on civil rights before the convention opens."

Butler also announced the selection of James Leonard Reinsch, 47, Atlanta broadcasting executive, as convention manager succeeding William Neale Roach, who quit the post May 18 after, Butler said, he vetoed a plan by Roach to hire an assistant.

Will Save Time

The party chairman said he expected the preconvention drafting of the party platform to save considerable convention time. Under present plans, he said, a draft of the platform is scheduled to be presented to the convention on the morning of Aug. 14.

Nomination of candidates, barring a fight over acceptance of the platform, will begin Wednesday morning, Aug. 15, with the first roll call scheduled later the same night, he said.

In the Service

Jerry H. Helfrich of near Bucyrus is a member of the Naval Reserve Surface Division at the Naval and Marine Corps Reserve Training Center, Mansfield.

$48,900 in Benefits Paid in Wyandot County

UPPER SANDUSKY — The total monthly social security benefits paid to persons in Wyandot County during 1955 was $48,922 according to information received here from the district social security administration office in Marion.

The money for the county was distributed to 1,034 persons with 554 retired workers receiving $31,446; 181 wives and dependant husbands receiving $5,772 and 93 aged widows, widowers and parents receiving $4,145 as the survivors of insured workers. Payment of $7,559 to 206 widowed mothers with minor children accounted for the balance.

Lake Carriers Ask Assistance In New Fleet

WASHINGTON (AP)—The president of the Lake Carriers' Assn., Monday urged Congress to help modernize the aging Great Lakes fleet.

Lyndon Spencer of Columbus, Ohio, told member of the House Merchant Marine Committee U.S. ships have lost ground to Canadian competitors until now only 28 per cent of the United States-Canadian lake trade is carried in U.S. vessels.

Spencer added that nearly two-thirds of the 343-ship fleet was built before 1911 and now "shipbuilding on the Great Lakes is literally at a standstill."

Present laws provide construction subsidies paid by the government for ships to be used on certain foreign trade routes, but none for Great Lakes ships. However, lakes operators may trade in old ships to the government to be placed in a reserve fleet and receive a payment based on a determined value for the ships, to be used for new construction. Pending legislation would raise the trade-in payments by basing them on the differential between U.S. and foreign shipbuilding costs rather than the value of the ship traded.

General accounting office witnesses at the hearing opposed the increased allowances on the ground they would be "hidden subsidies."

4-H Club News

Thirty-five members attended a meeting of the Pleasant Farmers 4-H Club Friday night in the Pleasant school.

For the program, Ray Gatewood of near Claridon presented a talk on the care and feeding of sheep.

Gerald Rider, Ann Lichtenberger and Patricia Schwaderer were appointed to arrange for the club's program the remainder of the year.

The next meeting will be June 15 at 7:30 p.m. in the school.

Veteran Seeks Title to House Erected as Gift

CANTON, Ohio (AP)—Title to a house built for a legless Alliance war veteran and his family through community donations is sought in a suit filed against the five veterans' organizations that collected the funds.

The suit was filed in Stark County Common Pleas Court Monday by attorney John Russell for Paul L. Fisher, who moved into the gift house in Alliance, in 1949. Fisher is now a resident of Florida, where he moved last fall, his attorney said.

The petition said more than $17,000 was collected by the American Legion, the Legion Auxiliary, the Amvets, Disabled War Veterans and Veterans of Foreign Wars. It added that the organizations are keeping the property in trust instead of turning it over to Fisher "as the donors of the money intended."

Thus in the event of Fisher's death the house may be sold by the veterans' organizations and would not be a protection for his family, the suit complained.

The home was dedicated as a city memorial to Fisher, who is now an accountant.

Youth's Body Found

CINCINNATI (AP)—The body of Donald Douglas, 19, Brooksville, Ky., service station worker, was found in the Ohio River here Monday.

The youth drowned last Saturday in the river near Augusta, Ky., in a boating accident in which two other persons were saved after their boat capsized.

NEW 'CROWN'. Princess Margaret's penchant for new hats shows up in this excellent close-up of her at Wellington barracks ceremony, London.

Junior Dairy Day Set Thursday in Crawford

BUCYRUS — Crawford County 4-H club members will observe Junior Dairy Day Thursday at the Lester Ross Dairy one and one-half miles west of Galion.

Harry Donoho, Ohio State University extension dairy expert, will discuss the importance of selecting dairy animals, fitting them for show exhibition and tips on judging.

According to John Cole, associate county agent in charge of 4-H activities, special emphasis will be placed on selection of dairy animals.

The program will get underway at 9 a.m. and continue until 3:30 p.m. Participants are requested to bring their own lunches.

The population of the kingdom of Nepal is 8,596,000.

Cardington Man Is Elected Leader Of Legion District

A large delegation of Marion County Legionnaires attended the Sixth District Legion convention held Sunday in Cardington.

Charles Jackson of Cardington was elected district commander, Malcolm Francis of Mount Vernon, first vice commander, and John Stalder of West Jefferson, second vice commander.

Both Bird-McGinnis Post No. 162 of Marion and Porter-Snyder Post of Waldo won membership trophies for reaching all - time high records in membership. D. J Malloy, commander of Bird-McGinnis Post, was elected an alternate delegate from the district to the national convention to be held in Los Angeles, Calif., in September.

Don Williams of Bird-McGinnis Post was appointed to the junior activities committee for the state convention to be held in Cleveland

Post No. 162 will honor its membership teams at a dinner Thursday at 7 p.m. in the Dugout and will install newly-elected officers at its next meeting, June 12. Fred W. Thacker, state first vice commander, will preside for the installation.

Mrs. Hobby Speaks

OXFORD, Ohio (AP)—Mrs. Oveta Culp Hobby, former U. S. secretary of health education and welfare, Monday told the graduating class at Western College for Women to seek a firm purpose in life.

She said she believed the world would never know secure peace until people and their leaders are motivated by "the simple policy of good manners, kindness and thoughtfulness."

Bishop Consecrated

LOS ANGELES (AP)—A onetime Los Angeles newsboy has been consecrated a Roman Catholic bishop. The Most Rev. Aldon J. Bell was consecrated Monday in St. Viblana's Cathedral, where he was ordained in 1932. James Francis Cardinal McIntyre officiated.

Harding Class of 1941 Plans 15-Year Reunion

A 15-year reunion of the Harding High School graduating class of 1941 is being planned for June 23. The event will be an informal dinner dance at the Marion Engineer Depot with registration and reception starting at 4 30 in the afternoon to precede the dinner scheduled for 6 30.

The class held a reunion of its members five years ago after they had been out of school 10 years.

Any member of the class who has not been contacted in regard to the reunion celebration is asked to call King Keller of 730 Lilac Lane or Junior Ballinger of 613 Oak St Mr. Keller, who was president of the graduating class, and Mr. Ballinger, who was vice president, are serving as chairmen for the reunion

News of Granges

MOUNT OLIVE

Mount Olive Grange will hold an open meeting Thursday at 8:30 p.m. in the Green Camp town hall. All persons interested in grange work are invited to attend. A square dance will follow the meeting.

Water Line Repaired

A plug blowing from a 24-inch cross on the Marion Water Company's transmission line near its plant northwest of Marion was the reason why some sections of the city had low water pressure about noon Monday, according to company officials.

The damage was repaired and service was back to normal by 1 p.m

N.Y. Stock Quotations

NEW YORK (AP) — The stock market was steady today with a slightly higher tendency appearing in the early afternoon.

Gains and losses covered a narrow range of around a point either way, and most stocks held unchanged to minor fractions higher.

Trading was quiet with the total around Monday's 1½ million shares.

Stocks going up included Chesapeake & Ohio, Standard Oil of California, Pan American Airways, Johns-Manville, Kennecott Copper, International Nickel, American Cyanamid, U.S. Steel, General Motors, Ford, and Boeing.

U. S. government bonds were quiet.

Weekly Marion Livestock Sales

A total of 2,344 animals was sold by 429 consignors at the weekly livestock auction of the Producers Livestock Cooperative Association held at its Marion yards Monday. A summary of the sale follows:

Hogs: receipts 1332. Market active, .25-.50 lower than last Monday.

Butcher hogs, all weights, 14.00-18.00; roughs 11.00-14.00; light boars 13.00 down; boars, heavy, 9.60-10.10.

Feeder Pigs: receipts 262. Cwt. 8.00-15.00; head 1.00-14.25.

Cattle: receipts 576. Market steady to .50 or more higher than last Monday.

Steers and heifers: prime 21.50-22.80; choice 19.25-21.25; good 17.50-19.00; commercial 16.00-17.25; utility 15.00-16.00; canner and cutter 11.00-14.75.

Cows: commercial 12.75-14.10; utility 11.50-12.50; canner and cutter 7.50-11.25.

Bulls: commercial 16.00-18.50; utility 15.00-16.00; canner and cutter 13.00-14.80; stockers and feeders 13.00-19.50.

Calves: receipts 206. Market .75 lower than last Monday. Prime 27.00-28.00; choice 25.00-27.00; good 20.00-25.00; commercial 17.00-20.00; utility 12.00-17.00; cull 12.00 down.

Sheep and lambs: receipts 230. Market 1.00 higher than last Monday.

Prime springer lambs 27.50; choice 26.00-27.00; good 24.00-26.00; utility 20.00-24.00; cull 20.00 down. Clip lambs 15.00-22.00; aged sheep for slaughter 2.00-5.00; breeding ewes, none offered.

Grain Market

CHICAGO (AP) — Most grains opened slightly higher on the Board of Trade today, only oats showing a decline at the start.

Wheat started ⅛ to ¼ higher, July $2.05¾-06; corn ¾ lower to ¼ higher, July $1.50¾-50; oats ⅛ to ⅜ lower, July 64¾; and soybeans ¼ to 2¼ higher, July $3.03½-04½.

Primary Election Costs Filed by 5 Candidates

Five more Marionites who were candidates for nomination for election at the recent May primary, have filed expense accounts with the county board of elections.

The five are as follows: Neil Weirick, Republican candidate for county commissioner, $101; F. Howard Lawson, GOP aspirant for clerk of court, $238; Tom Finch, Democratic candidate for sheriff, $409; Glenn Obenour, incumbent Republican candidate for sheriff, $255; and Reed Ours, incumbent GOP county engineer hopeful, $5.

Election board officials say that approximately 19 candidates have not filed their campaign expense accounts and cautions that they must do so before 4 p.m. Thursday, the filing deadline.

Petitioners Seek Ditch

A petition signed by Gerald W. Miller and others was filed with the county commissioners Monday asking for construction of an eight-inch tile as a branch of the Rider ditch in Pleasant Township.

The commissioners will view the ditch at 10 a.m. June 28 and a hearing on the petition is scheduled for 10 a.m. July 12.

Plat Is Accepted

The county commissioners have confirmed and accepted a plat submitted by J. B. Walter and Evelyn E. Walter for J. B. Walter's first sub - division in Pleasant Township, south of Marion.

The area, laid out in lots, streets and easements, had been accepted by the City Planning Commission and approved by County Engineer Reed Ours.

Livestock Prices

Marion

ANNOUNCEMENTS

1-A—CARD OF THANKS

BENZLER, DANIEL A.—We wish to express our sincere appreciation to our relatives, neighbors and friends who aided us by their acts of kindness, words of sympathy, floral offerings and cards, during the recent illness and death of our beloved father and grandfather. Our deepest gratitude to Rev. Paul E. Debberstein for his prayers and comforting words, the Katherine Luther Guild, the doctors and nurses, singers, and pallbearers, the church organist, the Gehm Funeral Home and to all who assisted in any way.
The Family of Mr. Daniel A. Benzler.

1-B—IN MEMORIAMS

IN LOVING memory of our darling little daughter Joan Frasure who passed away five years ago today June 5, 1951.
We know that she is happy,
In our Savior's home above,
Growing fairer as she lingers
In the sunshine of His love.
Sadly missed by parents, Mr. and Mrs. Kenneth Frasure,
Brothers Robert and John,
Sister Janet.

REX MORGAN, M.D. By Dal Curtis

HAVE YOU HEARD FROM LILA YET, NEIL?
NO, JUNE---AND I'M WORRIED!
I CALLED DR. MORGAN! HE SHOULD BE HERE ANY MOMENT!
I CAN'T UNDERSTAND IT! LILA SEEMED PERFECTLY HAPPY WHEN I LEFT TO DRIVE YOU HOME, JUNE!
ISN'T THAT TRUE, JUNE?
I'M NOT SURE, NEIL! IT'S TRUE THAT SHE INSISTED YOU DRIVE ME HOME---BUT I'M NOT SURE SHE WAS TOO HAPPY ABOUT IT!

STEVE CANYON By Milton Caniff

OH - HE'S GONE!
SINCE WHEN HAVE YOU STOPPED READING FLOOR CHARTS BEFORE COMING ON DUTY, THUMBS?
GENERAL TOWN WAS SPRUNG WHILE YOU AND COLONEL CANYON WERE OUT--AHEM--ON THE TOWN LAST NIGHT!
SO NOW THAT YOUR PET PATIENT HAS BEEN RELEASED, PERHAPS YOU WILL PAY MORE ATTENTION TO SOME OF THE OTHERS..
BETWEEN YOUR BUCKING FOR PROMOTION BY HOVERING OVER GENERAL TOWN AND YOUR OBVIOUS PURSUIT OF STEVE CANYON, WE'VE BEEN SHORT-HANDED AROUND HERE--
AND YOU MIGHT HAVE THE DECENCY NOT TO GRIN WHILE I AM INSULTING YOU!

THEY'LL DO IT EVERY TIME By Jimmy Hatlo

JEEPERS! WHY DID YOU WEAR THAT GREEN OUTFIT? MAKES YOU LOOK BILIOUS--AN' IT'S TOO TIGHT FOR YOU--ALSO YOUR SLIP IS AT HALF MAST--YOU'VE GOT LIPSTICK ON YOUR TEETH--AND YOUR HAIR LOOKS LIKE YOU COMBED IT WITH A RAKE....
NOW HE TELLS HER! UP UNTIL NOW HE HASN'T NOTICED WHAT SHE WORE SINCE THEY WERE MARRIED-
THANK AND A TIP OF THE HATLO HAT TO MRS. JOE SUTTER, BOX 241, MILTON, WASHINGTON

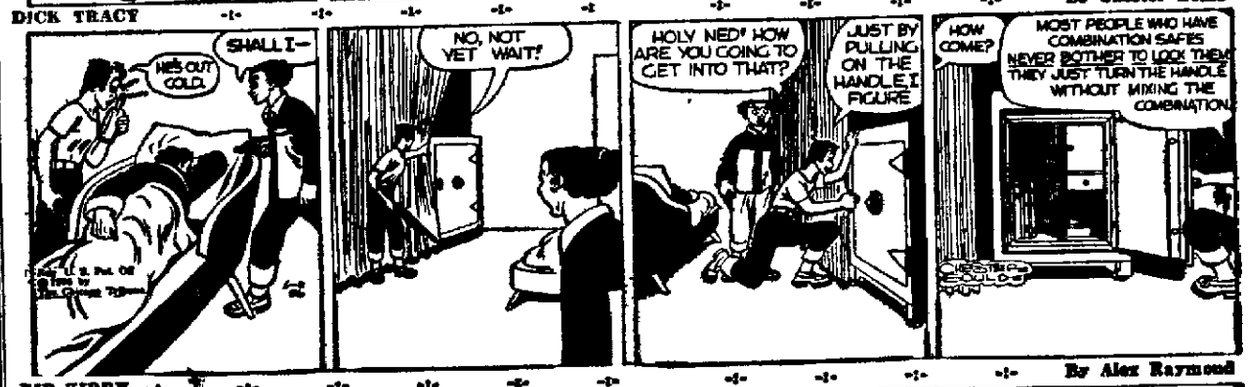
THE HEART OF JULIET JONES By Stan Drake

LET'S FACE IT, EVE. I'M CONCEITED. O.K. BUT DON'T STAND THERE AND TELL ME YOU'RE NOT STUCK ON YOURSELF, TOO! WE'VE GOT A RIGHT TO BE!
CAN'T YOU FORGET FOR A SECOND YOU'VE GOT MUSCLES? AND I'M NOT CONCEITED. WHY SHOULD I BE?
NO REASON. ONLY BECAUSE YOU'RE BEAUTIFUL, PERT, PERKY, WALK LIKE A MILLION BUCKS—WALKING'S VERY IMPORTANT FOR A GIRL, YOU KNOW—AND BECAUSE I THINK YOU'RE SPECIAL!

BLONDIE By Chic Young

OH, MY GOODNESS-- COOKIE WENT OFF TO SCHOOL WITHOUT HER BOOKS AND LUNCH BOX
DON'T WORRY I'LL DROP THEM OFF FOR HER
I WANT TO GET OFF AT THE SIXTH STREET SCHOOL, PLEASE
GEE, YOU MUST BE A STUPID KID!

DICK TRACY By Chester Gould



HE'S OUT COLD. SHALL I--
NO, NOT YET! WAIT!
HOLY NED! HOW ARE YOU GOING TO GET INTO THAT?
JUST BY PULLING ON THE HANDLE, I FIGURE
HOW COME?
MOST PEOPLE WHO HAVE COMBINATION SAFES NEVER BOTHER TO LOCK THEM! THEY JUST TURN THE HANDLE WITHOUT MIXING THE COMBINATION.

RIP KIRBY By Alex Raymond

AS MADAME ZERO EXPECTED HONEY'S TRUNKS GO SWIFTLY THROUGH CUSTOMS...
EVERYTHING SEEMS TO BE IN ORDER, MISS DORIAN. YOU CAN TAKE YOUR BAGGAGE.
THANK YOU.
I HAVE A LITTLE ERRAND TO DO, RIP, BUT I'LL MEET YOU FOR DINNER.
THAT'S A DATE!
OH I'LL BE SO GLAD TO GET RID OF THESE DRESSES! I HOPE THEY DON'T NOTICE I CHANGED THAT ROBE...

ARCHIE By Montana

THERE'S ARCHIE! MAY WE GIVE HIM A LIFT, DADDY?
I SUPPOSE SO! BUT HAVE HIM SIT IN FRONT!
AND, JAMES, ROLL UP THE GLASS PARTITION!
HEY, JUGHEAD! COME ON! WE'VE GOT A RIDE!
THIS WAS OUR LUCKY DAY!

GASOLINE ALLEY By Frank King

BONG!
YA SHOULDA STUCK T' TH' STRATEGY WE FIGGERED OUT FER YA, STEVE!
I WAS SUPPOSED TO GET BY THE FIRST ROUND, KNOBBY— THE MISSION'S ACCOMPLISHED!
I ALMOST HAD HIM, GLORIA BABY—BUT I'LL GET STEVE IN TH' NEXT ROUND FOR SURE!
THERE'S TH' WARNING BUZZER... LET'S GO, FOXY!

TERRY AND THE PIRATES By Darrell McClure

OOOOH! GOLLY, IT COULD HAVE BEEN LIKE HE SAID.
THAT DAY AT THE BEACH.. HIS ARMS, THE WAY HE KISSED ME WAS THAT JUST A TRICK? IF I'VE BEEN WRONG IF ONLY I COULD TALK TO SOMEONE
POP'S NO GOOD.. ANOTHER WOMAN — WITH EXPERIENCE.. OF COURSE! THE DRAGON LADY!

ANNIE ROONEY By Darrell McClure

I AM PROFESSOR TALBOT HAMLET, RETIRED. AS YOU KNOW, I HAVE THE LITTLE MINOR SAILER AQUARIUS ACROSS THE HARBOR.
I'M OWNER-CAPTAIN "SKIP" BOOMER THESE FOLKS HAVE CHARTERED MY CRUISER—
WOULD YA LIKE TO COME ABOARD THE NOMAD, PROFESSOR?
THANK YOU. I WOULD ENJOY A BRIEF VISIT.
WHAT GOES UP THERE? WHY WAS THAT GUY INVITED ABOARD??
SKIP SAYS WE GOT TO HAVE HIM BOSS. IT'S WHAT THESE YACHTERS ALWAYS DO. BUT YOU'RE OKAY, SKIP WILL KEEP HIM UP ON DECK.

Fremont Youth Is Hunted for Probe of Theft

MIAMI BEACH, Fla. (AP)—Police are seeking a Fremont, Ohio youth in connection with what they describe as a "sex and steal" operation that netted more than $200,000 here last winter season.

Lt. Sam Frederick said the youth, Marc Michles, 21, formerly employed at a Miami Beach key shop, allegedly provided members of a gang with keys to hotels and motels.

According to Fredericks, two women members of the group worked as $50-a-night call girls and also furnished other members with tips on clients' valuables.

Five members of the ring, including the two women, have been arrested Fredericks said. The detective added that differences over distribution of the loot caused the gang to break up recently.

Adlai's Florida Margin Placed at 13,736 Votes

TALLAHASSEE, Fla. (AP)—Adlai Stevenson won the May 29 Florida Democratic victory over Estes Kefauver by a tight 13,736-vote margin.

Complete returns tabulated by the secretary of state's office Monday gave Stevenson 230,285 and Kefauver 216,549.

Stevenson wound up with 22 of the state's delegates to the Democratic National Convention. Kefauver won six.

Miami U. Seeks TV

WASHINGTON (AP)—Miami University of Oxford, Ohio Monday applied to the Communications Commission for a non-commercial educational TV station, to operate on Channel 14.

DUGGAN'S WIFE. Mrs. Ann Duggan, was booked on suspicion of assault at West Los Angeles, Calif., following a quarrel with her husband, a TV commentator, who goes under the name of Tom Duggan. During quarrel a bullet was fired through a door of an apartment where Mrs. Duggan believed her husband was.

Upper Sandusky's Flower Show Set Saturday, Sunday

UPPER SANDUSKY — With "June Time Bloom Time" as the theme, the annual Green Thumb Garden Club flower show will be held Saturday and Sunday, the assembly room of the courthouse here with the show open from 2 to 9 p.m. Saturday and from noon to 5 p.m. Sunday.

Club president Mrs. A. J. Moon said the garden club will welcome outside exhibitors who may bring one arrangement from their gardens. Purpose of the annual show, she added, is to develop a broader interest in gardening; to stimulate the art of flower arrangement; and to bring together the flower growers of the community.

Members will be permitted one entry in each class from one garden and all entries must be in the show room by 10:30 a.m. Saturday. Judging will start at 11 a.m. and should be completed before the 2 p.m. opening.

The general chairman will be Mrs. Harry Kinley, with Mrs. Alva Smith as co-chairman. All members will participate, serving as supervisors and consultants for the various sections and classes.

The three-mile-limit to a nation's control of the seas which washits shores was determined by the distance an 18th century cannon could shoot.

Pope's Beatification Is Scheduled for October

VATICAN CITY (AP)—The beatification of Pope Innocent XI probably will be held on Oct. 7, Vatican sources now say. Previously it had been expected late this month. Prelates attached to the Vatican's Congregation of Rites indicated the earlier date would not have permitted enough time to prepare for a solemn and elaborate ceremony.

"YOU'LL BURN LESS GAS... USE LESS OIL...OR BOTH"
with this High Horsepower Combination

TRY PURE'S CHALLENGING 1,000-MILE OFFER

Use High HP Purelube Motor Oil and PURE Gasoline (Premium or regular, whichever you normally use) for 1,000 miles. If you have been using a 10-W, 20 or 30 grade oil, you will burn less gasoline . . . use less oil, or both . . . or we will give you any oil which may have to be added in a 1,000-mile oil-change period. Offer good until July 31, 1956. Ask your Pure Oil dealer for details.

Why we make this offer

We want to help our regular customers and make a lot of new friends. We figure the best way to do this is to let you prove to yourself that you can save on gas, oil, or both by using High HP Purelube in your crankcase and PURE gasoline in your gas tank.

How the High-Horsepower Combination works

High HP Purelube, with its special combination of high-cleansing additives, cleans up your engine.

PURE'S two great gasolines burn clean because they are made clean by careful processing and refining.

Used together, High HP Purelube and PURE gasoline clean up your engine and keep it clean. They maintain your car's High-Horsepower performance and economy.

Prove it in your car.

SPECIAL OCTANE BONUS for High-Horsepower Engines

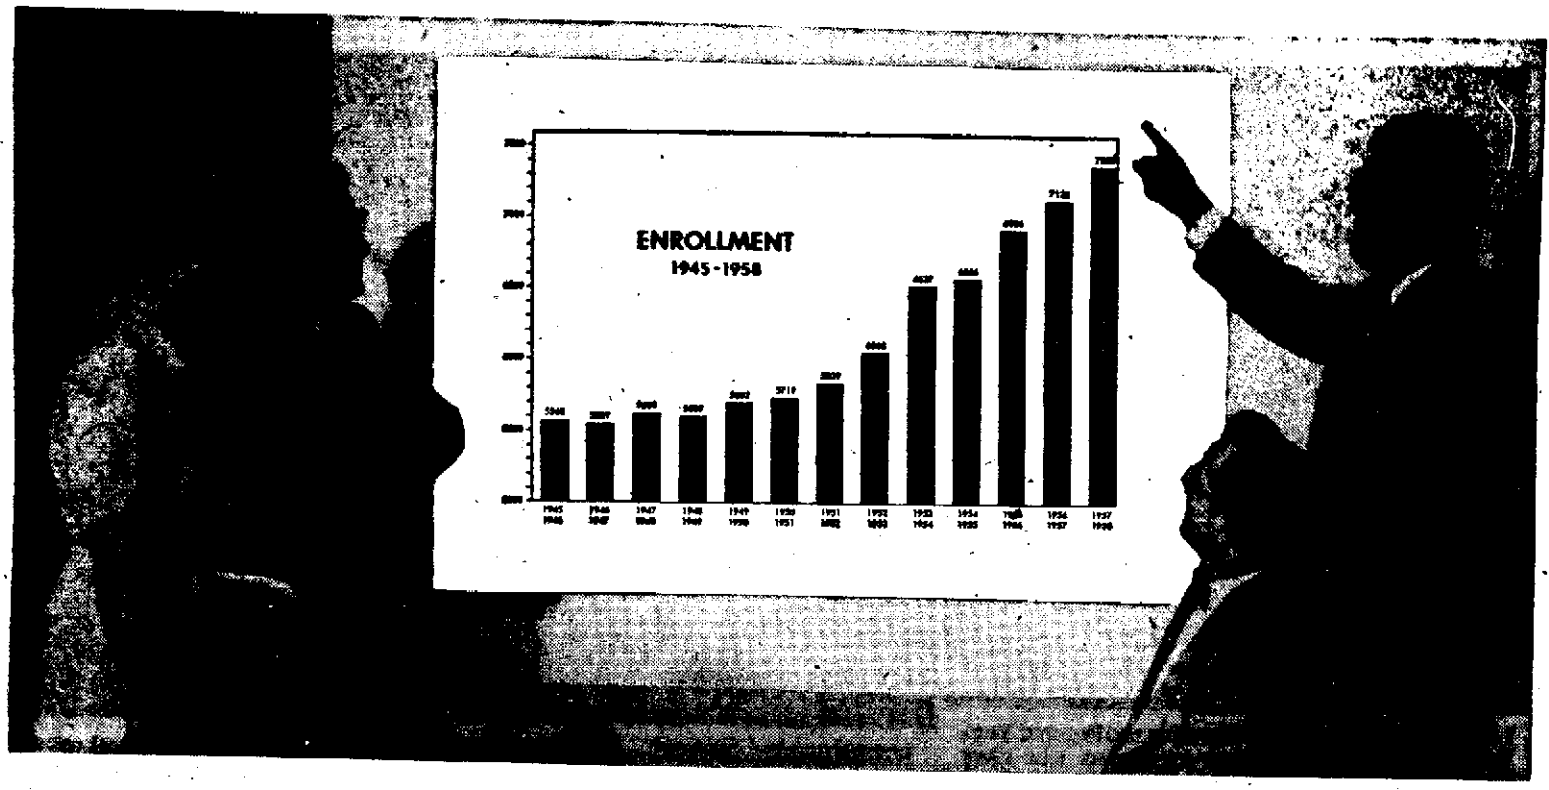
If your car is no more than four years old (a 1953 to 1956 model) it has a high-compression engine, designed to deliver high horsepower. After the "break-in" period, these modern engines tend to develop a thirst for more octane in the gasoline they burn. Unless they get it, they tend to knock and lose power.

Use of PURE'S High-Horsepower Combination keeps your engine clean, actually reduces the deposits which cause this octane thirst.

The result: Your engine gets a special bonus in knock-free power—the equivalent of up to 4 octane numbers. New cars keep their showroom power, older cars regain it.

This special OCTANE BONUS is yours when you use High HP Purelube motor oil and either of two great PURE gasolines. Why not give it a try, starting today? Be sure with Pure

PURE



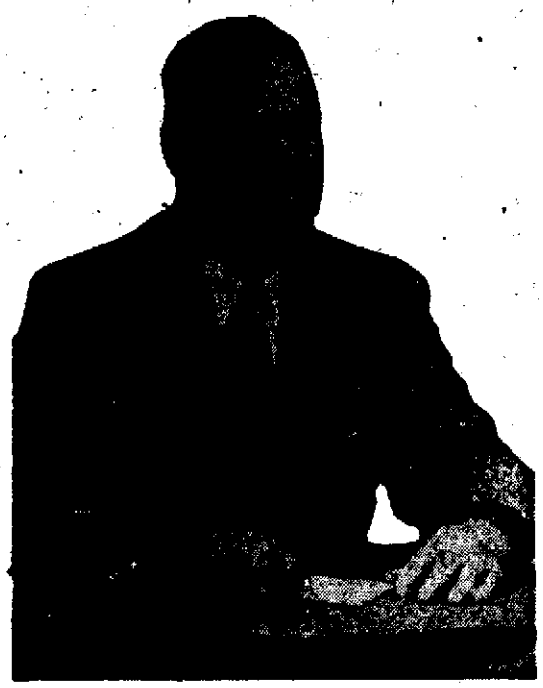
How we cope with ENROLLMENT

The school population, as shown in the graph above by Joseph G. Whisler, director of pupil personnel, will reach approximately 7259 students in 1958. The enrollment trends are continuously studied by means of pre-school clinics, birth rates, and the possible location of new housing areas. This enrollment data is of great importance in the long-range planning by your Board of Education. Standing, left to right, Mrs. Lois Ansley, school nurse; Cecil W. Gabler, director of instruction, and Mr. Whisler. Seated are, left, Dr. Robert S. Brown, superintendent of schools and, right, Charles Clark, director of child study and guidance.

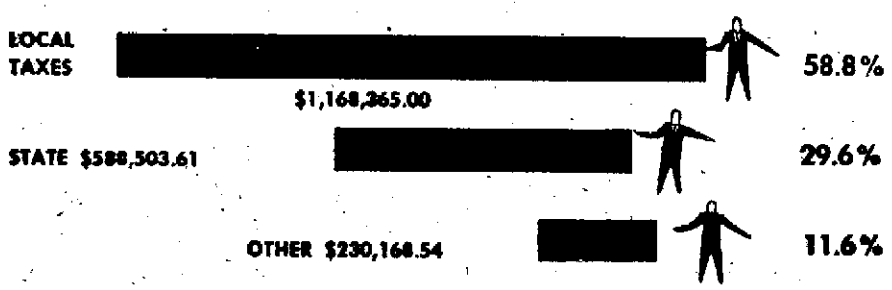
ANNUAL REPORT

of the Superintendent of Marion City Schools

1956

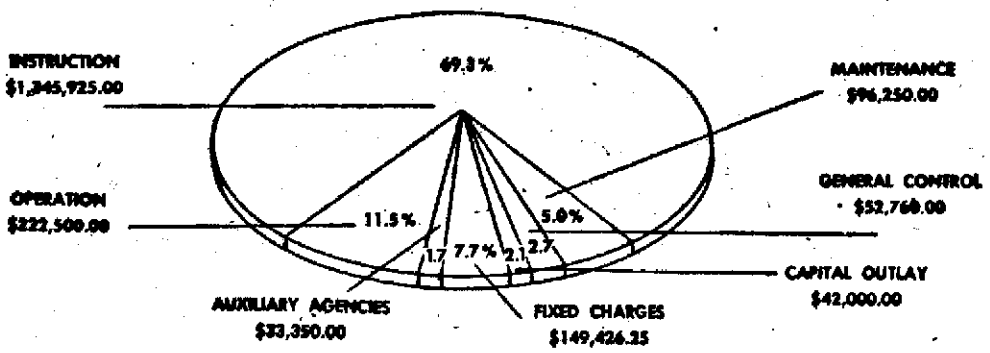


Where does Marion's school money come from?



TOTAL BUDGET 1956 — $1,987,037.15

How is school money spent in Marion?



This annual report has been presented and sponsored by your Board of Education in an effort to show you the work that is being done in our schools. Every day we endeavor to strengthen our school program through the media of modern school practices and the fundamentals. This pictorial illustrates our basic program designed to meet the needs of the boys and girls in our community. Good schools are always the result of conscientious effort and common understanding by all concerned.

Radio Hookup For Prisons Is Being Studied

COLUMBUS, Ohio (AP)—The possibility of placing Ohio's major penal institutions on a statewide radio hookup is being given serious consideration, Correction Chief M. C. Koblentz said today.

A two-day radio system will be installed at London Prison Farm in 45 to 60 days and another will be placed in operation at Marion Correctional Institution next year, Koblentz said. Mansfield Reformatory already has such a system.

The London system will also serve the branch farm at Lebanon, about 60 miles to the southwest, he added.

A statewide hookup would facilitate administrative work, the correction chief said.

The local prison radio systems, such as the one now in effect at Mansfield, enable work detail guards to be in contact with administration offices by means of walkie-talkie and radios in cars, Koblentz said.

He said prison population shifts scheduled in the next three years would make a statewide hookup "extremely desirable."

Ultimate capacity of 1,500 prisoners will be reached at the Marion Correctional Institution next year, Koblentz said. He added that an 11 million dollar construction project at Lebanon will be completed within three years, making room for a shift of prisoners from over-populated facilities.

The radio systems, both local and statewide, would enable guards to relay information on such things as injuries and walkaways without leaving prisoners unattended, Koblentz said.

AND THE BRIDGE CAME TUMBLING DOWN. The car above, driven by Henry John Theis, 65, who lives near Dyersville, Ia., went out of control near Graf, Ia., and apparently struck a diagonal support post on the bridge and collapsed it into a shallow creek. Theis, who suffered cuts, was taken to his home.

Woman Learning To Drive Wrecks Car, Kills Teacher

DETROIT (AP)—A woman learning to drive wrecked her car and killed her teacher Monday night.

Mrs. Alice Dixon, 44, told police she was practicing in a supermarket parking lot and became excited when another auto started to enter as she was leaving. Her foot hit the accelerator instead of the brake.

The car slammed into the other auto head on, then shot across a street intersection into a parked truck.

Mrs. Eddie Mae Clark, 48, who was teaching Mrs. Dixon how to drive, was killed. Mrs. Dixon and her husband Wilbur, 56, who was in the back seat, were injured seriously.

John Houston, 37, driver of the other car escaped injury.

Officers said Mrs. Dixon did not have a learner's permit and would be held for investigation of involuntary manslaughter.

Lawyer Appeals Fine For Tardiness in Court

COLUMBUS, Ohio (AP) — Robert Dow Hamilton, Columbus attorney fined $100 for contempt for being 40 minutes late to a court trial, Monday appealed his conviction to the Ohio Supreme Court.

Hamilton was fined by Common Pleas Judge Clarence J. Crossland in Zanesville after he failed to appear at the start of a trial there on Oct. 20, 1955. An appellate court upheld the conviction.

Hamilton said his late arrival was due to automobile trouble and that his secretary notified the court of the delay.

Lausche, Bender, Ted Brown Have No Expenditures

COLUMBUS, Ohio (AP) — Three candidates in the May 8 primary listed no contributions and no expenses in campaign reports filed Monday with the secretary of state's office.

They are: Democratic Gov. Frank J. Lausche and Republican Sen. George H. Bender, unopposed for their party's senatorial nomination, and Secretary of State Ted W. Brown, unopposed for the Republican renomination.

Other campaign reports to the secretary of state that are required by Thursday included:

Stephen M. Young of Cleveland received $350 and spent $986 in his successful campaign for the Democratic nomination for attorney general.

Chalmers P. Wylie of Columbus spent $443 in an unsuccessful bid for the Republican nomination for attorney general. He said contributions went to his campaign committee that has yet to report. Wylie's Logan County committee received and spent $11.

J. Eugne Roberts of Hubbard, an opponent of Wylie in a four-man race, received $950 and spent $1,400.

William C. Kelly's Cincinnati committee seeking his nomination for lieutenant governor on the Republican ticket received $17,667, spent $17,042 and listed $2,458 in unpaid bills.

R. Edward Tepe of Norwood received nothing and spent $253 in his unsuccessful drive for the Democratic nomination for lieutenant governor. His campaign committee received and spent $1,998.

Joseph T. Ferguson of Columbus, unopposed for the Democratic nomination for state auditor, received nothing and spent $253.

Man Sues, Claims He Was Fired for Beard

ATLANTA (AP)—A former transit operator who claimed he was fired because he grew a beard filed a $25,000 damage suit against the Atlanta transit system and Amalgamated Street Car Local Union No. 732.

Gerald F. Barnes charged in a court suit that his civil rights were violated when he was discharged April 23 because, he said, he exercised his constitutional right to "have and enjoy chin whiskers."

The transit firm's reason for Barnes' discharge, according to the suit, was "conduct disturbing to discipline and harmony in our operating force and as a result he was given a direct order which he willfully disobeyed."
